88 E. Broad Street, 5th Floor
Columbus, Ohio 43215

Dear Bob:

In accordance with Section 319.04(A) of the Ohio Revised Code, attached please find the Ohio County Auditor Continuing Education Status Report as of March 21, 2013. County Auditors are required to complete 16 credit hours during the first year of their term of office and a total of 24 hours over the entire term. This report encompasses the current term of office which began on March 14, 2011.

Please note there are six County Auditors who were either elected or appointed to office since November 2012. Ashland County Auditor Cindy Funk, Brown County Auditor Jill Hall, Lorain County Auditor J. Craig Snodgrass, Noble County Auditor Peggy Davis, Ottawa County Auditor Larry Hartlaub, and Ross County Auditor Thomas Spatnagel are in the first few months of their term of office and do not yet have the required hours of credit. I anticipate they will have the required number of credits at their first year anniversary.

The County Auditors' Association of Ohio (CAAO) is proud of the accomplishments of County Auditors in continuing education. We are pleased to provide you with this report. Please feel free to contact me if you have any questions regarding the CAAO Continuing Education program.

Sincerely yours,

Frances S. Lesser
Executive Director
