INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Milford Township
Knox County
2122 Vanatta Road
Centerburg, Ohio 43011

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Milford Township, Knox County, Ohio, (the Township) agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2010 and 2009, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The Township processes its financial transactions with the Auditor of State's Uniform Accounting Network (UAN). *Government Auditing Standards* considers this service to impair the independence of the Auditor of State to provide attest services to the Township because the Auditor of State designed, developed, implemented, and as requested, operates UAN. However, *Government Auditing Standards* permits the Auditor of State to perform this engagement, because Ohio Revised Code § 117.101 requires the Auditor of State to provide UAN services, and Ohio Revised Code § 117.11(A) mandates the Auditor of State to perform attest services for Ohio governments.

This report only describes exceptions exceeding \$10.

Cash

1. We tested the mathematical accuracy of the December 31, 2010 and December 31, 2009 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2009 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2008 balances in the prior year audited statements. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2010 and 2009 fund cash balances reported in the Fund Ledger Reports. The amounts agreed.
4. We confirmed the December 31, 2010 bank account balance with the Township's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2010 bank reconciliation without exception.
5. We selected all the reconciling debits (such as outstanding checks) haphazardly from the December 31, 2010 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates written to the check register, to determine the debits were dated prior to December 31. We noted no exceptions.

Property Taxes and Intergovernmental Receipts

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2010 and one from 2009:
 - a. We traced the gross receipts from the *Statement* to the amount recorded in the Receipt Register Report. The amounts agreed.
 - b. We determined whether the receipt was allocated to the proper funds as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We determined whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.

2. We scanned the Receipt Register Report to determine whether it included the proper number of tax receipts for 2010 and 2009:
 - a. Two personal property tax receipts
 - b. Two real estate tax receipts
 We noted the Receipt Register Report included the proper number of tax settlement receipts for each year.

3. We selected all receipts from the State Distribution Transaction Lists (DTL) from 2010 and all from 2009. We also selected five receipts from the County Auditor's Detail Expense Transactions Reports from 2010 and five from 2009.
 - a. We compared the amount from the DTL or the County Auditor's Detail Expense Transactions Report to the amount recorded in the Receipt Register Report. The amounts agreed.
 - b. We determined whether these receipts were allocated to the proper funds. We found no exceptions.
 - c. We determined whether the receipts were recorded in the proper year. We found no exceptions.

4. We confirmed the amounts paid from the Ohio Public Works Commission (OPWC) to the Township during 2010 with the OPWC's Calendar Year 2010 Disbursement Report. The \$95,541 recorded in Township's Receipt Register Report was not listed on the OPWC's Calendar Year 2010 Disbursement Report.

Official's Response

The \$95,541 amount was the in-kind amount from the Township as part of the grant agreement and should not have been recorded as an OPWC receipt and disbursement. The fiscal officer will correctly record on-behalf transactions in the UAN system.

Debt

1. From the prior audit report, we noted the following note outstanding as of December 31, 2008. This amount agreed to the Township's January 1, 2009 balances on the summary we used in step 3.

Issue	Principal outstanding as of December 31, 2008:
Road Equipment Notes	\$36,989

2. We inquired of management, and scanned the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2010 or 2009 or debt payment activity during 2010 or 2009. All debt noted agreed to the summary we used in step 3.

Debt (Continued)

3. We obtained a summary of note debt activity for 2010 and 2009 and agreed principal and interest payments from the related debt amortization schedules to the Road and Bridge Fund payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Township made the payments. We found no exceptions.
4. We agreed the amount of debt proceeds from the debt documents to amounts recorded in the Road and Bridge Fund per the Receipt Register Report. We noted that the Township did not record the debt proceeds of \$89,000 in the Receipt Register Report.
5. For new debt issued during 2010 and 2009, we inspected the debt legislation, noting the Township must use the proceeds to purchase a road grader. We scanned the Payment Register Detail Report and noted that the Township did not record a payment of \$89,000 to purchase a road grader in the Payment Register Detail Report. The payment was made directly from First Knox National Bank to the vendor on the Township's behalf.

Official's Response

The fiscal officer will take steps in the future to ensure the accurate posting of all debt activity.

Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from 2010 and one payroll check for five employees from 2009 from the Employee Detail Adjustment Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Employee Detail Adjustment Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). Tim Eyster, Township Trustee, was overpaid \$31 during 2010 due to the Township paying three months of Medicare payments on behalf of the Trustee. We brought this to management's attention, and the employee will reimburse the Township for this overpayment.
 - b. We determined whether the fund and account codes to which the check was posted were reasonable based on the employees' duties as documented in the minute record or as required by statute. We also determined whether the payment was posted to the proper year. We found no exceptions.

Officials' Response

The \$31 overpayment to Trustee Tim Eyster will be collected by the 8/8/2011 Board of Trustees meeting.

2. For any new employees selected in step 1, we determined whether the following information in the employees' personnel files and minute record was consistent with the information used to compute gross and net pay related to this check:
 - a. Name
 - b. Authorized salary or pay rate
 - c. Department and fund to which the check should be charged
 - d. Retirement system participation and payroll withholding
 - e. Federal, State & Local income tax withholding authorization and withholding
 - f. Any other deduction authorizations (deferred compensation, etc.)

We found no exceptions related to steps a. – f. above.

3. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2010 to determine whether remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2010. We noted the following:

Payroll Cash Disbursements (Continued)

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare	January 31, 2011	December 13, 2010	\$917	\$917
State income taxes	January 15, 2011	December 26, 2010	\$593	\$593
School district taxes	January 31, 2011	December 26, 2010	\$179	\$179
OPERS retirement	January 30, 2011	December 13, 2010	\$1,944	\$1,944

Non-Payroll Cash Disbursements

1. We haphazardly selected ten disbursements from the Payment Register Detail Report for the year ended December 31, 2010 and ten from the year ended 2009 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found seven instances where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not test all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Officials' Response

The fiscal officer intends to correctly use the Then and Now Certificate.

Compliance – Budgetary

1. We compared the total amounts from the *Amended Official Certificate of Estimated Resources*, required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the General, Gasoline Tax and Road and Bridge funds for the years ended December 31, 2010 and 2009. The amounts agreed.
2. We scanned the appropriation measures adopted for 2010 and 2009 to determine whether, for the General, Gasoline Tax and Road and Bridge funds, the Trustees appropriated separately for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2010 and 2009 for the following funds: General Fund, Gasoline Tax Fund and Road and Bridge Fund. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status report.

Compliance – Budgetary (Continued)

4. Ohio Rev. Code Section 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Gasoline Tax, and Road and Bridge funds for the years ended December 31, 2010 and 2009. We noted no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2010 and 2009 for the General, Gasoline Tax, and Road and Bridge funds, as recorded in the Appropriation Status Report. We noted no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We scanned the Receipt Register Report for evidence of new restricted receipts requiring a new fund during December 31, 2010 and 2009. We also inquired of management regarding whether the Township received new restricted receipts. The Township established the Local OPWC fund during 2010 for local OPWC projects, in compliance with Section 5705.09.
7. We scanned the 2010 and 2009 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers which Ohio Rev. Code Sections 5705.14 -- .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.
8. We inquired of management and scanned the Appropriation Status Reports to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. We noted the Township did not establish these reserves.

Compliance – Contracts & Expenditures

1. We inquired of management and scanned the Payment Register Detail Report for the years ended December 31, 2010 and 2009 for procurements requiring competitive bidding under the following statutes:
 - a. Materials, machinery and tools used in constructing, maintaining and repairing roads and culverts, where costs exceeded \$25,000 (Ohio Rev. Code Section 5549.21)
 - b. Construction and erection of a memorial building or monument costs exceeding \$25,000 (Ohio Rev. Code Section 511.12)
 - c. Equipment for fire protection and communication costs exceeding \$50,000 (Ohio Rev. Code Sections 505.37 to 505.42)
 - d. Street lighting systems or improvement costs exceeding \$25,000 (Ohio Rev. Code Section 515.07)
 - e. Building modification costs exceeding \$25,000 to achieve energy savings (Ohio Rev. Code Section 505.264)
 - f. Private sewage collection tile costs exceeding \$25,000 (Ohio Rev. Code Sections 521.02 to 521.05)
 - g. Fire apparatus, mechanical resuscitators, other fire equipment, appliances, materials, fire hydrants, buildings, or fire-alarm communications equipment or service costs exceeding \$50,000 (Ohio Rev. Code Section 505.37(A))
 - h. Maintenance and repair of roads exceeding \$45,000 (Ohio Rev. Code Section 5575.01)
 - i. Construction or reconstruction of a township road exceeding \$15,000/per mile (Ohio Rev. Code Section 5575.01)

Compliance – Contracts & Expenditures (Continued)

We identified a machinery purchase of a road grader exceeding \$25,000, subject to Ohio Rev. Code Section 5549.21. For this purchase, we noted that the Board advertised the project in a local newspaper, and selected the lowest responsible bidder.

2. We inquired of management and scanned the Payment Register Detail Report for the years ended December 31, 2010 and 2009 to determine if the township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, and others within the Township, and is not intended to be, and should not be used by anyone other than these specified parties.
