We selected a sample (agreed upon) of five disbursements from the *Special Fund* and five disbursements from the *District Fund* from the Delaware County Expense Detail Report/General Ledger Report for the year ended December 31, 2018 and five from the *Special Fund* and five from the *District Fund* for the year ended 2017 and determined whether:
  - a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. For *District Fund* disbursements, we determined whether:
    - i. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the similar data recorded in the General Ledger Report and to the names and amounts on the supporting invoices. We found no exceptions.

### Special Fund Budgetary Compliance

1. We inspected the District's Special Fund Budget Request submitted to the County Commissioners for the years ended December 31, 2018 and 2017. The request included the Special Fund's *Needs, Income* and *Balances* anticipated for carry over from the current year, as required by the SWCD Administrative Handbook, Chapter 5. We also compared the budget amounts to the Special Fund Budgetary Activity footnote of the Cash Basis Annual Financial Report. The amounts agreed.
2. We compared the total estimated receipts reported on the Special Fund Budgetary Activity footnote of the Cash Basis Annual Financial Report to the Amended Official Certificate of Estimated Resources, required by Ohio Rev. Code Section 5705.36(A)(1), and to the amounts recorded in the Cash Detail Report Ledger for the Special Fund for the years ended December 31, 2018 and 2017. The amounts agreed.
3. We inspected the appropriation measures adopted for 2018 and 2017 to determine whether the Supervisors appropriated separate amounts within the Special Fund for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.

### **Special Fund Budgetary Compliance (Continued)**

4. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for the Special Fund for 2018 and 2017, and to the appropriations reported on the Special Fund Budgetary Activity footnote of the Cash Basis Annual Financial Report. The amounts agreed.
5. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.28(B)(2)(C) prohibit appropriations from exceeding estimated resources. We compared total appropriations to total estimated resources for the Special Fund for the years ended December 31, 2018 and 2017. Appropriations did not exceed estimated resources for the Special Fund.
6. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus year-end certified commitments (i.e. encumbrances)) from exceeding appropriations. We compared total disbursements plus outstanding year-end encumbrances to total appropriations for the years ended December 31, 2018 and 2017 for the "Special" Fund, as recorded in the Annual Cash Basis Financial Report. Expenditures did not exceed appropriations for the Special Fund.
7. We compared interfund transfers-in to transfers-out to ensure they agreed and inspected the transfer activity to determine they were approved by the Board of Supervisors. We found no exceptions.
8. We inspected the Annual Cash Basis Financial Report for the years ended December 31, 2018 and 2017 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had negative cash fund balances.

### **Compliance – Contracts & Expenditures**

We inquired of management and inspected the Delaware County Expense Detail Report and the General Ledger Report for the years ended December 31, 2018 and 2017 to determine if the District purchased equipment and services allowed by ORC 940.08 or purchased goods or services allowed by ORC) 940.06 whose cost, other than personal service compensation or office space rent, exceeded \$50,000. We identified 1 purchase in excess of \$50,000, where the District purchased equipment allowable by ORC 940.08, through the State of Ohio Cooperative Purchasing agreement.

### **Other Compliance**

1. Ohio Rev. Code Section 117.38 requires Districts to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the District filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2018 and 2017 in the Hinkle system. There were no exceptions.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the District's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion.

Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the District's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2018 and 2017, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
