INDEPENDENT AUDITOR'S REPORT

Appalachian Family and Children First Council
Lawrence County
919 7th Street
Portsmouth, OH 45662

To the Members of the Council:

Report on the Financial Statements

We have audited the accompanying financial statements of the cash balances, receipts, and disbursements by fund type, and related notes of the Appalachian Family and Children First Council, Lawrence County, Ohio (the Council), as of and for the years ended June 30, 2018 and 2017.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit; this responsibility includes designing, implementing and maintaining internal control relevant to preparing and fairly presenting financial statements free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Council's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Council's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to provide our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 2 of the financial statements, the Council prepared these financial statements using the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D), which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements. Although, the effects on the financial statements of the variances between the regulatory accounting basis and GAAP are not reasonably determinable, we presume they are material.

Though the Council does not intend these statements to conform to GAAP, auditing standards generally accepted in the United States of America require us to include an adverse opinion on GAAP. However, the adverse opinion does not imply the amounts reported are materially misstated under the accounting basis Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit. Our opinion on this accounting basis permitted is in the *Opinion on Regulatory Basis of Accounting* paragraph below.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Council as of June 30, 2018 and 2017, and the respective changes in financial position thereof for the years then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash balances, receipts and disbursements by fund type, and related notes of the Appalachian Family and Children First Council, Lawrence County, as of June 30, 2018 and 2017, for the years then ended in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit, described in Note 2.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 28, 2019, on our consideration of the Council's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Council's internal control over financial reporting and compliance.

Note 1 – Reporting Entity

Ohio Revised Code Section 121.37 created the Ohio Family and Children First Cabinet Council and required each Board of County Commissioners to establish a County Family and Children First Council. Statutory membership of County Council consists of the following individuals:

1. At least three individuals representing the interest of families in the County. Where possible, the number of members representing families shall be equal to twenty percent of the Council's remaining membership;
2. The Director of the Board of Alcohol, Drug Addiction, and Mental Health Services that serves the County, or, in the case of a County that has a Board of Alcohol and Drug Addiction Services and a Community Mental Health Board, the Directors of both Boards. 3. The Health Commissioner, or the Commissioner's designee, of the Board of Health of each City or General Health District in the County. If the County has two or more health districts, the Health Commissioner membership may be limited to the Commissioners of the two districts with the largest populations;

5. The Executive Director of the public children services agency or the County agency responsible for the administration of children services pursuant to the Ohio Revised Code Section 5153.15;

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2018 AND 2017
(Continued)**

Note 1 – Reporting Entity (Continued)

A County Family and Children First Council may invite any other local public or private agency or group that funds, advocates, or provides services to children to have a representative become a permanent or temporary member of the Council.

The purpose of the County Council is to streamline and coordinate existing government services for families seeking services for their children. In seeking to fulfill its purpose, a County Council shall provide for the following:

1. Referrals to the Cabinet Council of those children for whom the County Council cannot provide adequate services;
2. Development and implementation of a process that annually evaluates and prioritizes services, fills service gaps where possible, and invents new approaches to achieve better results for families and children;
3. Participation in the development of a countywide, comprehensive, coordinated, multi-disciplinary interagency system for infants and toddlers with developmental disabilities or delays and their families, as established pursuant to federal grants received and administered by the Department of Health for early intervention services under the “Individuals with Disabilities Education Act of 2004”;
4. Maintenance of an accountability system to monitor the County Council’s progress in achieving results for families and children; and
5. Establishment of a mechanism to ensure ongoing input from a broad representation of families who are receiving services within the County system.

The Council’s management believes these financial statements present all activities for which the Council is financially accountable.

Note 2 – Summary of Significant Accounting Policies

Basis of Presentation

The Council’s financial statements consist of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) and are completed by the Administrative Agent for Lawrence County Appalachian Family and Children First Council.

Fund Accounting

The Council uses fund accounting to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The fund of the Council is presented below:

General Fund The general fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Council for any purpose provided it is expended or transferred according to the general laws of Ohio.

Note 2 – Summary of Significant Accounting Policies (Continued)

Administrative/Fiscal Agent

Ohio Revised Code Section 121.37(B)(5)(a) requires the Council to select an administrative agent to provide fiscal and administrative services to the Council. The Council selected the Adams, Lawrence and Scioto County Alcohol Drug Addiction and Mental Health Services Board (ALS ADAMHS Board) as administrative agent starting May 1, 2018 to take over for the Lawrence County Department of Developmental Disabilities. The Council authorizes Lawrence County, as fiscal agent and the ALS ADAMHS Board to subcontract with, designate, and/or seek assistance from any agencies and/or organizations that it deems necessary in order to complete the obligations set forth in the agreement. Lawrence County and The ALS ADAMHS Board agree to be ultimately responsible for fulfilling the fiscal and administrative obligations of the agreement from May 1, 2018 and after.

Basis of Accounting

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (D). This basis is similar to the cash receipts and disbursements accounting basis. The Board recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred.

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit.

Budgetary Process

A Family and Children First Council established under Ohio Revised Code Section 121.37 is not a taxing authority and is not subject to Ohio Revised Code Chapter 5705. As of October 1, 1997, all Family and Children First Councils are required to file an annual budget with its administrative agent. The Council filed an estimate of financial resources and an estimate of expenditures with the ALS ADAMHS Board (previously Lawrence County Department of Developmental Disabilities), Lawrence County Board of County Commissioners for their approval and to the Lawrence County Auditor as required by Ohio law.” The Lawrence County Auditor inputs these appropriations into the system and monitors that the Council’s expenditures do not exceed appropriations.

Deposits and Investments

The Council designated Lawrence County as the fiscal agent for all funds received in the name of the Council. Deposits of monies are made with the Lawrence County Auditor’s Office/ALS ADAMHS Board and fund expenditures and balances are reported through the Lawrence County Auditor’s Office/ALS ADAMHS Board. Deposits and investments are made in accordance with the Ohio Revised Code and are valued at the fiscal agent’s carrying amount.

Capital Assets

The Council records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

Note 2 – Summary of Significant Accounting Policies (Continued)

Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Council must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

Nonspendable The Council classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact.

Restricted Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

Committed The Council can *commit* amounts via formal action (resolution). The Council must adhere to these commitments unless the Council amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

Assigned Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. Governmental funds other than the general fund report all fund balances as *assigned* unless they are restricted or committed. In the general fund, *assigned* amounts represent intended uses established by the Council, which includes giving the administrative/fiscal agent the authority to constrain monies for intended purposes.

Unassigned – Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is only used to report a deficit fund balance.

The Council applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

Note 3 – Deposits and Investments

The Lawrence County, as fiscal agent for the Council, maintains a cash and investments pool used by all of the Lawrence County's funds, including those of the Council. The Ohio Revised Code prescribes allowable deposits and investments and the Lawrence County is responsible for compliance.

The carrying amount of deposits and investments at June 30 was as follows:

	<u>2018</u>	<u>2017</u>
Demand Deposits	<u>\$63,203</u>	<u>\$40,280</u>

This fiscal agent is responsible for maintaining adequate depository collateral for all funds in the fiscal agent's pooled and deposit accounts. All risks associated with the above deposits are the responsibility of the fiscal agent.

Note 4 – Risk Management

Commercial Insurance

The Council has obtained commercial insurance for the following risks:

- Comprehensive property and general liability;
- Vehicles; and
- Errors and omissions.

Note 5 – Contingent Liabilities

The Council has been named in a current lawsuit. Although management cannot presently determine the outcome of these suits, management believes, that the resolution of these matters will not materially adversely affect the Council's financial conditions.

Amounts grantor agencies pay to the Council are subject to audit and adjustment by the grantor. The grantor may require refunding any disallowed costs. Management cannot presently determine amounts grantors may disallow. However, based on prior experience, management believes any refunds would be immaterial.

OHIO AUDITOR OF STATE KEITH FABER

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

Appalachian Family and Children First Council
Lawrence County
919 7th Street
Portsmouth, OH 45662

To the Members of Council:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the cash balances, receipts, and disbursements by fund type of the Appalachian Family and Children First Council, Lawrence County, (the Council) as of and for the years ended June 30, 2018 and 2017, and the related notes to the financial statements and have issued our report thereon dated January 28, 2019, wherein we noted the Council followed financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit.

Internal Control Over Financial Reporting

As part of our financial statement audit, we considered the Council's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinions on the financial statements, but not to the extent necessary to opine on the effectiveness of the Council's internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Council's financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

Compliance and Other Matters

As part of reasonably assuring whether the Council's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Council's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Council's internal control and compliance. Accordingly, this report is not suitable for any other purpose.
