Dear County Board of Developmental Disabilities Superintendent and Business Manager:

The Ohio Department of Developmental Disabilities (DODD) is required to notify subrecipients of responsibilities for Federal programs/grants pass-through funding from DODD to the County Board of Developmental Disabilities. Please share this letter with the County Auditor and the County's Independent Auditor to ensure proper reporting.

Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (referred to below as "Uniform Guidance") applies to all Federal programs. The Uniform Guidance combines requirements from OMB Circular A-133, 2 CFR Part 225 (formerly OMB Circular A-87), and several other circulars.

Subrecipients that expend \$750,000 or more during the fiscal year must have a single audit conducted for that year in accordance with Uniform Guidance, Subpart F, §200.514. Part of a subrecipient's responsibility under the Uniform Guidance, Subpart F, §200.510 and §200.512 is to complete a Schedule of Expenditures of Federal Awards and submit audited financial statements, including Schedule of Expenditures of Federal Award, to the Federal Audit Clearinghouse within the earlier of 30 calendar days after receipt of the auditor's report or nine months after the end of the audit period.

Please note the following when preparing the Schedule of Expenditures of Federal Awards:

- Uniform Guidance, Subpart F, §200.502(a) states, in part, the determination of when a Federal award is
 expended must be based on when the activity related to the Federal award occurs. Generally, the activity
 pertains to events that require the non-Federal entity to comply with Federal statutes, regulations, and the
 terms and conditions of Federal awards...
- Uniform Guidance, Subpart F, §200.510(b)(3) states, in part, the Schedule of Expenditures of Federal Awards must provide total Federal awards expended for each individual Federal program and the CFDA number or other identifying number when the CFDA information is not available.
- Uniform Guidance, Subpart F, §200.502(i) states Medicaid payments to a subrecipient for providing patient
 care services to Medicaid-eligible individuals are not considered Federal awards expended under this part
 unless a state requires the funds to be treated as Federal awards expended because reimbursement is on
 a cost-reimbursement basis.
 - DODD previously provided guidance that payments for Level One Waiver, Individual Options Waiver, SELF Waiver, TCM, SCHIP, and ICF-IID services are considered payments for patient care services to Medicaid eligible individuals; therefore, they are not considered Federal awards and are NOT required to be reported on the Schedule of Expenditures of Federal Awards.

For those DODD Federal programs/grants operating on a cost-reimbursement basis that are required to be reported: if the County Board's accounting system is unable to measure the amount of Federal expenditures as they occur as defined by Uniform Guidance, Subpart F, §200.502(a), we received guidance from the U.S. Department of Health and Human Services, via the Ohio Office of Budget and Management, as long as receipts are reasonably close to disbursements, using receipts is acceptable for these cost-reimbursement Federal programs/grants for reporting purposes only, based on the following:

If a grant is on a reimbursement basis, there is no guarantee the disbursement will be reimbursed (or how much will be reimbursed) until the reimbursement is received, so the amount reimbursed is considered the federal disbursement for reporting purposes. To be consistent with State-level reporting, DODD is requesting its subrecipients to also report on a receipt-basis for DODD Federal programs/grants.

• DODD is providing the County Boards of Developmental Disabilities, via email attachments, with the total DODD payments for each of its Federal programs/grants during the year to confirm the accuracy with County Board of Developmental Disabilities records and the County Auditor's records. Either the County Board of Developmental Disabilities, or the County Auditor, should make the County's Independent Auditor aware of each Federal program's/grant's total receipts and expenditures each year and determine the proper reporting method for each Federal program/grant and any necessary footnote disclosures that may be applicable if reporting certain Federal programs/grants on a receipt basis.

Please note the following related to each of these individual DODD Federal programs/grants:

- <u>Title XIX "Medical Assistance Program", CFDA #93.778</u> this program consists of Medicaid Administration Claiming (MAC) [Random Moment Time Study (RMTS)] payments, MAC reconciliation payments/liabilities, and Cost Report MAC settlements. Only the MAC payments for expenses incurred during the reporting period should be reported on the face of the Schedule of Expenditures of Federal Awards. If applicable, Cost Report MAC settlements and MAC reconciliation payments/liabilities should be disclosed in the footnotes to the Schedule of Expenditures of Federal Awards, as follows:
 - Cost Report MAC settlements should be excluded from the face of the Schedule of Expenditures of Federal Awards and disclosed in a footnote since the underlying expenditures occurred in a prior reporting period. The footnote disclosure will <u>only report the "MAC" amount</u> in the attached confirmation since the Facility-Based, SE-Enclave, Transportation, and TCM expenditures are not considered Federal awards per Uniform Guidance, Subpart F, §200.502(i). During calendar year 2019, Cost Report MAC settlements were made for calendar years 2015 and 2016 cost reports. The footnote disclosure should state [please modify accordingly for your Cost Report MAC settlements]:
 - During the calendar year, the County Board of Developmental Disabilities received a Cost Report MAC settlement payment for the 2015 and 2016 Cost Reports from [received notice of a liability for the 2015 and 2016 Cost Report MAC settlements owed to tailor as necessary based on positive or negative Cost Report MAC settlement amounts for each year] the Ohio Department of Developmental Disabilities for the Medicaid program (CFDA #93.778) in the amount of \$ and and \$ respectively. The Cost Report MAC settlement payment [liability] was for settlement of the difference between the statewide payment rate and the rate calculated based upon actual expenditures for Medicaid services. This revenue [liability] is not listed on the County's Schedule of Expenditures of Federal Awards since the underlying expenses occurred in the prior reporting periods [and the liability was invoiced by the Ohio Department of Developmental Disabilities].

- MAC reconciliation payments/liabilities should be excluded from the face of the Schedule of Expenditures of Federal Awards and disclosed in a footnote since the underlying expenditures occurred in a prior reporting period. The footnote disclosure will only report the federal portion of the MAC reconciliation amount per the attached confirmation. The footnote disclosure should state:
 - During the calendar year, the County Board of Developmental Disabilities received a payment for a Medicaid Administrative Claiming (MAC) reconciliation of calendar year MAC payments from [received notice of a liability for a Medicaid Administrative Claiming (MAC) reconciliation of calendar year MAC payments owed to tailor as necessary based on positive or negative MAC Reconciliation amounts] the Ohio Department of Developmental Disabilities for the Medicaid program (CFDA #93.778) in the amount of The MAC reconciliation payment [liability] was to correct errors of salary amounts provided by the County Board of Developmental Disabilities and subsequently input by the Ohio Department of Developmental Disabilities into the Random Moment Time Study system for calculation of MAC payments. This revenue [liability] is not listed on the County's Schedule of Expenditures of Federal Awards since the underlying expenses occurred in the prior reporting periods [and the liability was invoiced by the Ohio Department of Developmental Disabilities].
- <u>Title XX "Social Services Block Grant", CFDA #93.667</u> this program should be separately identified by the program name and CFDA #93.667 on the County's Schedule of Expenditures of Federal Awards.
- If the DODD Monitoring Report for the prior calendar year Single Audit Report and Schedule of Expenditures of Federal Awards noted any variances in amounts reported, please consult with the County's Independent Auditor to determine proper reporting for future calendar years.

As a subrecipient of the above listed Federal programs/grants and pass-through funding, the County Board of Developmental Disabilities is responsible for the following:

- compliance with the requirements of Uniform Guidance, including its Appendices and Compliance Supplements;
- compliance with the applicable cost principles of Uniform Guidance, Subpart E, that comprise former cost
 principles OMB Circular A-87, "Cost Principles for State, Local, and Indian Tribe Governments" relocated
 to 2 CFR Part 225, or cost principles as stipulated in any associated contract/agreement;
- all applicable Federal and State statutes and regulations;
- adhering to the requirements outlined in DODD TXX grant agreements, MAC/RMTS Implementation Plan, and the Medicaid grant agreement between the County Board and the Ohio Department of Medicaid.
- grant and pass-through funding activity's compliance with Chapters 5101, 5123 and 5126 of the Ohio Revised Code and Chapter 5123 of the Ohio Administrative Code.
- maintaining a system of internal control over Federal awards that provides reasonable assurance the funds are managed in accordance with laws, regulations, and contractual requirements;
- preparation of the Schedule of Expenditures of Federal Awards in accordance with Uniform Guidance, Subpart F, §200.510(b)(1-6);
- completion of an audit in accordance with Uniform Guidance, Subpart F, §200.501(b), which states, in part, a non-Federal entity that expends \$750,000 or more during the non-Federal entity's fiscal year in Federal awards must have a single audit conducted in accordance with §200.514... Uniform Guidance, Subpart F, §200.512(a) states, in part, the audit must be completed and the data collection form submitted within the

earlier of 30 calendar days after the receipt of the auditor's report(s) or nine months after the end of the audit period, or provide to DODD a copy of an approved extension;

- · timely follow-up and corrective action on audit findings; and
- permitting the DODD, Ohio Department of Medicaid, and Centers for Medicare and Medicaid Service staff
 and auditors access to the supporting records, financial statements and reports, and any underlying
 documentation related to DODD Federal programs/grants as necessary, as part of their monitoring
 procedures.

DODD will monitor the activities related to its Federal programs/grants and pass-through funding, as required by Uniform Guidance, Subpart D, §200.331(d) to ensure the subaward is used for authorized purposes, in compliance with Federal statutes, regulations, and the terms and conditions of the subaward; and that subaward performance goals are achieved.

As required by Uniform Guidance, Subpart F, §200.521(c) and (d), DODD will issue a management decision (via a Monitoring Report) on any findings relevant to its Federal programs/grants and pass-through funding within six months of acceptance of the audit report by the Federal Audit Clearinghouse. If required by the Federal program/grant agreement, please send applicable audit reports or notification letters to the attention of Halina Schroeder, Audit Chief, at https://halina.schroeder@dodd.ohio.gov or 30 East Broad Street, 8th Floor, Columbus, Ohio 43215. DODD will also ensure subrecipients take appropriate and timely corrective action on any audit findings.

DODD will continue to notify subrecipients annually of the applicable Federal program/grant title, CFDA #, Federal Award Identification Number (FAIN), and the amount of the disbursement of funds made to each subrecipient by Federal program and subprogram, as applicable. Thank you for your attention and actions related to the requirements cited in this letter and corresponding email. If you have any questions, please contact me via email at kimberly.mowry@dodd.ohio.gov or call me at 1-614-387-3292, or contact Halina Schroeder, Audit Chief, at halina.schroeder@dodd.ohio.gov or 1-614-995-1573.

Sincerely,
