**INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED UPON PROCEDURES**

Board of County Commissioners  
Preble County  
101 East Main Street  
Eaton, Ohio 45320  
and  
Mr. Christopher Jones, Director  
Ohio Environmental Protection Agency

We have audited, in accordance with *Government Auditing Standards*, the general-purpose financial statements of Preble County for the year ended December 31, 1999, and have issued our unqualified report thereon dated June 16, 2000.

We have also performed the procedures described in the following paragraph as prescribed by Ohio Administrative Code Sections 3745-27-15(L)(3)(c), 3745-27-16(L)(3)(c) and 3745-27-18(L)(3)(c), solely to assist you in complying with the reporting requirements of Ohio Administrative Code Sections 3745-27-15(L)(3)(a), 3745-27-16(L)(3)(a) and 3745-27-18(L)(3)(a) as they relate to the financial tests associated with estimated landfill final closure, postclosure and corrective measures costs. This engagement to apply agreed-upon procedures was performed in accordance with standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of the specified users of the report. Consequently, we make no representation regarding the sufficiency of the procedure described below either for the purpose for which this report has been requested or for any other purpose.

In a letter to the Ohio Environmental Protection Agency dated June 22, 2000, (Exhibit A) the County Auditor for the Preble County Landfill specified that certain amounts were derived from the independently audited financial statements referred to in the first paragraph above. As required by Ohio Administrative Code Sections 3745-27-15(L)(3)(c), 3745-27-16(L)(3)(c), and 3745-27-18(L)(3)(c), we have agreed "Total Annual Revenue" from Line 6 of Alternative 2, included in the letter dated June 22, 2000, to the financial statements.

The amounts in line 6 agreed to the general-purpose financial statements of Preble County, Ohio, or can be computed from amounts appearing therein. We followed the definition for line 6 included in the *State Support Document for the Local Government Financial Test*, issued November 27, 1996 by the USEPA.

We were not engaged to, and did not, audit the letter prepared by the County Auditor dated June 22, 2000, the objective of which would be the expression of an opinion on the letter. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of the specified users listed above and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. However, this report is a public record, and its distribution is not limited.

A handwritten signature in black ink, appearing to read "Jim Petro".

- (1) This local government is the owner or operator of the following facilities for which financial assurance for final closure or post-closure care or corrective measures is demonstrated through the financial test specified in Chapter 3745-27 of the Administrative Code and/or this local government is the owner or operator of the following facilities for which financial assurance for any other environmental obligations are assured by a financial test. The current final closure, post-closure, and/or corrective measures cost estimates, and any other environmental obligations provided for by a test are shown for each facility:

Total	= <u>\$7,015,312.02</u> (see Schedule A)

- (2) This local government is the owner or operator of the following facilities for which financial assurance for final closure or, if a sanitary landfill facility, post-closure care

or corrective measures, is not demonstrated to the Ohio Environmental Protection Agency through the financial test or any other financial assurance mechanism specified in Chapter 3745-27 of the Administrative Code. The current final closure, post-closure, and/or corrective measures cost estimates not covered by such financial assurance are shown for each facility: None.

The fiscal year of this local government ends on December 31. The figures for the following items marked with an asterisk are derived from this local government's independently audited, year-end financial statements for the most recently completed fiscal year, ended December 31, 1999.

#### ALTERNATIVE II

1. Sum of current final closure, post-closure, and/or corrective measures cost estimates and any other environmental obligations assured by a financial test (total of all cost estimates shown in the two paragraphs above):  
\$7,015,321.02
2. Current bond rating of most recent issuance and name of rating service:  
AAA, S & P and Aaa, Moody's
3. Date of issuance of bond: December 6, 1996

9. Line 8 subtracted from line 5 = \$ N/A.

This amount must be assured by another financial assurance mechanism listed in paragraphs (F), (G), (I), or (J), respectively, in Rules 3745-27-15, 3745-27-16, and 3745-27-18 of the Administrative Code.

I hereby certify that the wording of this letter is identical to the wording specified in paragraph (H) of Rule 3745-27-17 of the Administrative Code as such rule was constituted on the date shown immediately below. I further certify the following: (1) that the local government's financial statements are prepared in conformity with generally accepted accounting principles for governments; (2) that the local government has not operated at a deficit equal to five percent or more of total annual revenue in either of the past two fiscal years; (3) that the local government is not in default on any outstanding general obligations bonds; and, (4) that the local government
