REPORT OF INDEPENDENT AUDITORS'

Board of Trustees
Twin Township
25 Parkdale Drive
Arcanum, Ohio 45304

We have audited the accompanying financial statements of Twin Township, Darke County, (the Township), as of and for the years ended December 31, 1999, and 1998. These financial statements are the responsibility of the Township's management. Our responsibility is to express an opinion on these financial statements based on our audit.

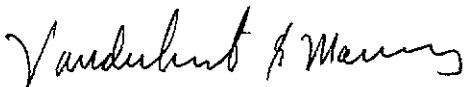

We conducted our audits in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note 1, the Township prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances of Twin Township, Darke County, as of December 31, 1999, and 1998, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued a report dated March 14, 2000, on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants.

This report is intended solely for the information and use of the audit committee, the Board of Trustees and other officials authorized to receive this report under Section 117.26, Ohio Revised Code, and is not intended to be and should not be used by anyone other than these specified parties.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 1999 AND 1998

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

Twin Township of Darke County, (the Township) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Township is directed by a publicly-elected three-member Board of Trustees. The Township provides general governmental services, including road maintenance and cemetery management.

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when a payment is made rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. Cash and Investments

The investment in STAR OHIO (the State Treasurer's Investment pool) is valued at amounts reported by the State Treasurer.

D. Fund Accounting

The Township uses fund accounting to segregate cash and investments that are restricted as to use. The Township classifies its funds into the following types:

General Fund:

The General Fund is the general operating fund. It is used to account for all financial resources except those required by law or contract to be restricted.

Special Revenue Funds:

These funds are used to account for proceeds from specific sources (other than from trusts or for capital projects) that are restricted to expenditure for specific purposes. The Township had the following significant Special Revenue Funds:

Motor Vehicle License Tax Fund – This fund receives motor vehicle license tax money for construction, maintaining and repairing Township streets.

Gasoline Tax Fund – This fund receives gasoline money for constructing, maintaining and repairing Township streets.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Fund Accounting (Continued)

Special Revenue Funds: (Continued)

Road and Bridge Fund – This fund receives property tax money for constructing, maintaining and repairing Township streets.

Fire District Fund – This fund receives the proceeds of a property tax levy for maintaining the Township Fire Department.

Permissive Motor Vehicle Tax Fund – This fund receives the proceeds from a special motor vehicle license fee levied against the benefiting motorist of the Township.

Cemetery Fund – This fund receives the proceeds from the Cemetery operations.

Zoning Fund – This fund receives the proceeds from zoning permits.

Fiduciary Funds:

Non-Expendable Trust Fund – Fiduciary funds are used to account for assets held by the Township in a trustee capacity or as an agent for individuals, private organizations, other governmental units, and/or other funds. The Township's fiduciary fund is a nonexpendable trust fund. Nonexpendable trust funds are accounted for in essentially the same manner as proprietary funds.

E. Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Appropriations lapse at year end.

Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus the cash balance as of January 1. The County Budget Commission must also approve estimated resources.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Budgetary Process (Continued)

Encumbrances

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made.

Encumbrances outstanding at year end are cancelled, and reappropriated in the subsequent year.

A summary of 1999 and 1998 budgetary activity appears in Note 3.

F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

2. EQUITY IN POOLED CASH AND INVESTMENTS

The Township maintains a cash and investments pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments.

The carrying amount of cash and investments at December 31 was as follows:

	1999	1998
Demand Deposits	\$ 86,552	\$ 80,373
STAR OHIO	<u>419,816</u>	<u>337,588</u>
Total Deposits and Investments	<u>\$506,368</u>	<u>\$417,961</u>

Deposits: Deposits are either (1) insured by the Federal Depository Insurance Corporation, or (2) collateralized by the financial institution's public entity deposit pool.

Investments: Investments in STAR Ohio are not evidenced by securities that exist in physical or book-entry form.

Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payment, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Township

4. PROPERTY TAX (Continued)

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

5. RETIREMENT SYSTEMS

The Township's full-time employees belong to the Public Employees Retirement System (PERS) of Ohio. PERS is a cost-sharing, multiple-employer plan. These plans provide retirement benefits, including post-retirement health care, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS

Board of Trustees
Twin Township
25 Parkdale Drive
Arcanum, Ohio 45304

We have audited the financial statements of the Twin Township, Darke County (the Township), as of and for the years ended December 31, 1999, and 1998, and have issued our report thereon dated March 14, 2000. We conducted our audits in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Township's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards. However, we noted certain immaterial instances of noncompliance that we have reported to the management of the Township in a separate letter dated March 14, 2000.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Township's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the specific internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operations that we consider to be material weaknesses. However, we noted immaterial instances of noncompliance that we have reported to management of the Township in a separate letter dated March 14, 2000.

This report is intended for the information and use of the audit committee and Board of Trustees, and is not intended to be and should not be used by anyone other than these specified parties..
