REPORT OF INDEPENDENT ACCOUNTANTS

Tri-City Council of Governments Cuyahoga County 27216 Hilliard Boulevard Westlake, Ohio 44145

We have audited the accompanying financial statements of the Tri-City Council of Governments, Cuyahoga County, Ohio, (the Council) as of and for the years ended December 31, 2000 and December 31, 1999. These financial statements are the responsibility of the Council's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note 1, the Council prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the fund cash balances of the Tri-City Council of Governments, Cuyahoga County, Ohio, as of December 31, 2000 and December 31, 1999, and its cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued a report dated May 17, 2001 on our consideration of the Council's internal control over financial reporting and our tests of its compliance with certain provisions of laws and regulations. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

This report is intended solely for the information and use of management, Board of Trustees, and other officials authorized to receive this report under Section 117.26, Ohio Revised Code, and is not intended to be and should not be used by anyone other than these specified parties.

TRI-CITY COUNCIL OF GOVERNMENTS CUYAHOGA COUNTY

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2000 AND 1999

1. Summary of Significant Accounting Policies

A. <u>Description of the Entity</u>

The Tri-City Council of Governments, Cuyahoga County, Ohio, (the Council) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Council operates under the direction of a three-member Board of Trustees, comprised of the three Mayors from the cities of Rocky River, Fairview Park, and Westlake. The Council provides the communities with operation and maintenance of the Tri-City Park. The three cities make the contributions to the Council.

The Council's management believes these financial statements present all activities for which the Council is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Ohio Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred.

These statements include adequate disclosure of material matters, as prescribed or permitted by the Ohio Auditor of State.

C. Cash and Investments

The Council does not make any investments. The Council's cash was held for operations only.

D. Fund Accounting

The Council uses fund accounting to segregate cash. The Council only has one fund, which is the General Fund. It is used to account for all financial resources.

E. Budgetary Process

The Council is not bound by budgetary laws prescribed by the Ohio Revised Code, but appropriates based on the consistency of expenditures (utilities).

F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

2. Equity in Pooled Cash and Investments

The Council's fund balance is expressed in cash equivalents. The Ohio Revised Code prescribes allowable deposits. The carrying amount of the cash equivalents at December 31 were as follows:

| | <u>2000</u> | <u>1999</u> |
|---------------|-------------|-------------|
| Bank Deposits | \$1,540 | \$749 |

Deposits:

Deposits are insured by the Federal Depository Insurance Corporation.

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED BY **GOVERNMENT AUDITING STANDARDS**

Tri-City Council of Governments Cuyahoga County 27216 Hilliard Boulevard Westlake, Ohio 44145

We have audited the financial statements of the Tri-City Council of Governments, Cuyahoga County, Ohio, (the Council) as of and for the years ended December 31, 2000, and December 31, 1999, and have issued our report thereon dated May 17, 2001. We conducted our audits in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Council's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws and regulations, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audits and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

Internal Control Over Financial Reporting

In planning and performing our audits, we considered the Council's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.
