REPORT OF INDEPENDENT ACCOUNTANTS

Tri-Community Ambulance District
Huron County
3706 Plymouth East Road
Greenwich, Ohio 44837-9331

To the Board of Trustees:

We have audited the accompanying financial statements of Tri-Community Ambulance District, Huron County, Ohio, (the District) as of and for the years ended December 31, 2000 and 1999. These financial statements are the responsibility of the District's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As discussed in Note 1, the District prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the fund cash balances of the District, as of December 31, 2000 and 1999, and its cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated May 22, 2001 on our consideration of the District's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audits.

This report is intended solely for the information and use of the audit committee, management, the Board of Trustees, and other officials authorized to receive this report under § 117.26, Ohio Revised Code, and is not intended to be and should not be used by anyone other than these specified parties.

Jim Petro
Auditor of State

**TRI-COMMUNITY AMBULANCE DISTRICT
HURON COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2000 AND 1999**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

Tri-Community Ambulance District, Huron County, (the District) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The District is directed by an appointed three-member Board of Trustees. One Board member is appointed by each political subdivision within the District. Those subdivisions are the Village of Greenwich, Greenwich Township, and Ripley Township. The District provides rescue services within the District.

The District's management believes these financial statements present all activities for which the District is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. Fund Accounting

The District uses fund accounting to segregate cash that is restricted as to use. The District has only one fund and classifies it as follows:

General Fund

The General Fund is the general operating fund. It is used to account for all financial resources.

D. Budgetary Process

The Ohio Revised Code requires that the General Fund be budgeted annually.

1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the object level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Appropriations lapse at year end.

**TRI-COMMUNITY AMBULANCE DISTRICT
HURON COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2000 AND 1999
(Continued)**

2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus cash as of January 1. The County Budget Commission must also approve estimated resources.

3. Encumbrances

The Ohio Revised Code requires the District to reserve (encumber) appropriations when commitments are made. Encumbrances outstanding at year end are canceled, and reappropriated in the subsequent year.

A summary of 2000 and 1999 budgetary activity appears in Note 3.

E. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as capital outlay disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

2. EQUITY IN POOLED CASH

The Ohio Revised Code prescribes allowable deposits. The carrying amount of cash at December 31 follows:

	<u>2000</u>	<u>1999</u>
Demand deposits	\$63,476	\$59,774

Deposits are insured by the Federal Depository Insurance Corporation.

3. BUDGETARY ACTIVITY

Budgetary activity in the General Fund for the years ending December 31, 2000 and 1999 follows:

Budgeted vs. Actual Receipts			
Year	Budgeted Receipts	Actual Receipts	Variance
2000	\$66,104	\$64,009	\$2,095
1999	\$63,567	\$61,475	\$2,092

2000 Budgeted vs. Actual Budgetary Basis Expenditures			
Year	Appropriation Authority	Budgetary Expenditures	Variance
2000	\$125,878	\$60,307	\$65,571
1999	\$123,294	\$61,428	\$61,866

**TRI-COMMUNITY AMBULANCE DISTRICT
HURON COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2000 AND 1999
(Continued)**

4. PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by Board of Trustees. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payments, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the District.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the District.

5. RETIREMENT SYSTEMS

All employees belong to the Public Employees Retirement System (PERS) of Ohio. PERS is a cost-sharing, multiple-employer plan. This plan provides retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. PERS members contributed 8.5% of their gross salaries. The District contributed an amount equal to 13.55% and 10.84% of participants' gross salaries for 1999 and 2000, respectively. The District has paid all contributions required through December 31, 2000.

6. RISK MANAGEMENT

The District has obtained commercial insurance for the following risks:

- Comprehensive property and general liability;
- Vehicles;
- Public Officials; and
- Errors and omissions.

**REPORT OF INDEPENDENT ACCOUNTANTS ON COMPLIANCE AND ON
INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS**

Tri-Community Ambulance District
Huron County
3706 Plymouth East Road
Greenwich, Ohio 44837-9331

To the Board of Trustees:

We have audited the accompanying financial statements of Tri-Community Ambulance District, Huron County, Ohio, (the District) as of and for the years ended December 31, 2000 and 1999, and have issued our report thereon dated May 22, 2001. We conducted our audits in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audits and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*. However, we noted a certain immaterial instance of noncompliance that we have reported to the management of the District in a separate letter dated May 22, 2001.

Internal Control Over Financial Reporting

In planning and performing our audits, we considered the District's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving the internal control over financial reporting that do not require inclusion in this report, that we have reported to the management of the District in a separate letter dated May 22, 2001.
