**REPORT OF INDEPENDENT ACCOUNTANTS ON APPLYING AGREED-UPON PROCEDURES**

Preble County Sanitary Landfill  
Preble County  
101 East Main Street  
Eaton, Ohio 45320  
and  
Mr. Christopher Jones, Director  
Ohio Environmental Protection Agency

We have audited, in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States, the general purpose financial statements of Preble County, Ohio (the County), for the year ended December 31, 2001, and have separately issued our unqualified report thereon dated June 27, 2002.

In a letter to the Ohio Environmental Protection Agency dated June 27, 2002, (the Letter) the County Auditor for the Preble County Landfill specified that certain amounts disclosed in that Letter were derived from the independently audited financial statements referred to in the first paragraph above.

We have performed the procedures described below as agreed to by the Board of County Commissioners and by the Ohio Environmental Protection Agency, solely to assist you in determining that certain amounts reported in the Letter agreed to, or can be computed from, amounts presented in the audited general-purpose financial statements. The Board of County Commissioners' management is responsible for the information presented in the Letter. We followed the American Institute of Certified Public Accountants' attestation standards for agreed-upon procedures engagements. The sufficiency of the procedures is solely the responsibility of the addressees. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

As required by Ohio Administrative Code, Sections 3745-27-15(L)(3)(c), 3745-27-16(L)(3)(c) and 3745-27-18(L)(3)(c), we have agreed the following amounts included in the Letter to the audited financial statements:

Alternative 2, <u>Line No.</u>	
5	Total assured environmental costs
6	Total annual revenue

The amounts on lines 5 and 6 agreed to the general purpose financial statements of Preble County, or can be computed from amounts appearing therein. Line 5 includes total assured environmental costs following Governmental Accounting Statement Number 18. We followed the definitions for line 6 included in the *State Support Document for the Local Government Financial Test*, issued November 27, 1996 by the USEPA.

We were not engaged to, and did not conduct an examination, the objective of which would be to express an opinion on the Letter. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that we would have reported to you.

- (1) This local government is the owner or operator of the following facilities for which financial assurance for final closure or post-closure care or corrective measures is demonstrated through the financial test specified in Chapter 3745-27 of the Administrative Code and/or this local government is the owner or operator of the following facilities for which financial assurance for any other environmental obligations are assured by a financial test. The current final closure, post-closure, and/or corrective measures cost estimates, and any other environmental obligations provided for by a test are shown for each facility:

Post-closure care cost:	+ <u>\$2,138,563</u>	
Total	= <u>\$7,731,513</u>	(see Schedule A)

- (2) This local government is the owner or operator of the following facilities for which financial assurance for final closure or, if a sanitary landfill facility, post-closure care or corrective measures, is not demonstrated to the Ohio Environmental Protection Agency through the financial test or any other financial assurance mechanism specified in Chapter 3745-27 of the Administrative Code. The current final closure, post-closure, and/or corrective measures cost estimates not covered by such financial assurance are shown for each facility: None.

The fiscal year of this local government ends on December 31. The figures for the following items marked with an asterisk are derived from this local government's independently audited, year-end financial statements for the most recently completed fiscal year, ended December 31, 2001.
