#### INDEPENDENT AUDITOR'S REPORT

Members of Council Village of Bethel 120 North Main Street Bethel, Ohio 45106

We have audited the accompanying general purpose financial statements of the Village of Bethel, Clermont County, Ohio, (the Village) as of and for the years ended December 31, 2001 and 2000, as listed in the table of contents. These financial statements are the responsibility of the Village's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Village prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances and reserves for encumbrances of the Village of Bethel, Clermont County, Ohio, as of December 31, 2001 and 2000, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated April 26, 2002 on our consideration of the Village's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

This report is intended solely for the information and use of the officials authorized to receive this report under Section 117.26 of the Ohio Revised Code, and is not intended to be and should not be used by anyone other than these specified parties.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2001 AND 2000

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### A. DESCRIPTION OF THE ENTITY

The Village of Bethel, Clermont County, (the Village) is a body politic and corporate established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Village is directed by a publicly-elected six-member Council. A Village Clerk is responsible for fiscal control of the resources of the Village. The Village provides general governmental services, including water, electric utilities, park operations (leisure time activities) and police services. The Village's management believes these financial statements present all activities for which the Village is financially accountable.

### B. BASIS OF ACCOUNTING

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

#### C. INVESTMENTS AND INACTIVE FUNDS

The Village Clerk invests all available funds of the Village. Village funds are invested in certificates of deposit, government backed securities, money market accounts, and equity securities. The Village pools its cash for investment purposes to capture the highest rate of return. Investment income is distributed to Village funds based upon the Ohio Revised Code. Investments are valued at cost or amortized cost plus accrued interest, where applicable.

#### D. FUND ACCOUNTING

The Village uses fund accounting to segregate cash and investments that are restricted as to use. The Village classifies its funds into the following types:

### **GOVERNMENTAL FUND TYPE:**

### General Fund

The General Fund is the general operating fund of the Village. It is used to account for all financial resources except those required by law or contract to be accounted for in another fund.

### Special Revenue Funds

To account for proceeds of specific revenue sources (other than expendable trusts or major capital projects) that are legally restricted to disbursements for specified purposes. The Village had the following significant Special Revenue Funds:

Street Construction, Maintenance and Repair Fund - This fund receives gasoline tax and motor vehicle tax money for constructing, maintaining and repairing Village streets.

Street and Bridge Fund - This fund receives gasoline tax and motor vehicle tax money for constructing, maintaining and repairing Village bridges.

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### D. FUND ACCOUNTING (continued)

### **GOVERNMENTAL FUND TYPE**: (continued)

### **Debt Service Funds**

To account for the accumulation of resources for the payment of bonds and note indebtedness. The Village had the following significant debt service funds:

Road Equipment Debt - This fund is used to pay the road equipment debt the Village has incurred.

Sidewalk Debt - This fund is used to pay the sidewalk assessment debt the Village has incurred in repairing and replacing sidewalks.

### Capital Project Funds

These funds are used to account for receipts that are restricted for the acquisition or construction of major capital projects (except those financed through enterprise or trust funds). The Village had the following significant capital project funds:

Issue 2/ Waterline Replacement Fund - Received Issue 2 funding from the Ohio Public Works Commission. The funding is for the project entitled South Charity Street Waterline Modification.

### PROPRIETARY FUND TYPE:

### **Enterprise Funds**

These funds account for operations that are similar to private business enterprises where management intends that the significant cost of providing goods and services will be recovered through user charges. The Village had the following significant enterprise funds:

Water Works Revenue Fund - Receives charges for services from residents to cover the cost of providing this utility.

Electric Revenue Fund - Receives charges for services from residents to cover the cost of providing electricity to customers.

### FIDUCIARY FUND TYPES (Trust and Agency Funds):

Trust funds are used to account for resources restricted by legally binding trust agreements. If the agreement requires the Village to maintain the corpus of the trust, the fund is classified as a nonexpendable trust fund. Other trust funds are classified as expendable. Agency funds are used to report resources held by the Village in a purely custodial capacity. The Village had the following significant fiduciary funds:

Police Disability and Pension Fund - An expendable trust fund for the accumulation and payment of member contribution and employer share of pension funds.

Burke Donation Fund - An expendable trust fund composed of interest and yearly bequest from the Burke Trust to spend on Village projects.

Scholarship Fund - An expendable trust fund established to provide scholarships for students from the Village.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2001 AND 2000 (continued)

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### D. FUND ACCOUNTING (continued)

### FIDUCIARY FUND TYPES (Trust and Agency Funds): (continued)

Cemetery Trust Fund - An expendable trust fund composed of interest from savings accounts established to maintain specific Village cemetery plots.

Burke Trust Fund - A non-expendable trust fund composed of the corpus of the Edmund G. Burke Community Trust and the earnings not distributed to the Burke Donation Fund, an expendable trust fund. The trust agreement limits the distribution from the Trust in any fiscal year to earned income (less expenses of the Trust). In addition to the earned income of the trust, not more than \$10,000 of the corpus of the Trust may be expended in any year. The Village has not expended any of the corpus to date. The earnings of the Burke Trust fund are transferred to the Burke Donation Fund for use as approved by the trustees. The funds in the non-expendable trust fund are not available for appropriation.

Mayor's Court - An agency fund that accounts for activity in mayor's court bank account.

#### E. BUDGETARY PROCESS

The Ohio Revised Code requires that each fund be budgeted annually.

### **Appropriations**

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations many not exceed estimated resources. The Council must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Appropriations lapse at year end.

### **Estimated Resources**

Estimated resources include estimates of cash to be received (budgeted receipts) plus cash as of January 1. The County Budget Commission must also approve estimated resources.

### Encumbrances

The Ohio Revised Code requires the Village to reserve (encumber) appropriations when commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

A summary of 2001 and 2000 budgetary activity appears in Note 3.

### F. PROPERTY, PLANT AND EQUIPMENT

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

### G. UNPAID VACATION AND SICK LEAVE

Employees are entitled to cash payments for unused vacation and sick leave in certain circumstances, such as upon leaving employment. Unpaid vacation and sick leave are not reflected as liabilities under the cash basis of accounting used by the Village.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2001 AND 2000 (continued)

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

### H. TOTAL COLUMNS ON FINANCIAL STATEMENTS

Total columns on the financial statements are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis. This data is not comparable to a consolidation. Interfund-type eliminations have not been made in the aggregation of this data.

### 2. EQUITY IN POOLED CASH AND INVESTMENTS

The Village maintains a cash and investments pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash and investments at December 31 was as follows:

	<u>2001</u>	<u>2000</u>
Demand Deposits Savings Accounts	\$ 231,410 2,719	\$ 160,182 2,623
Total Deposits	234,129	162,805

Total Investments	1,918,741	2,128,143
Total Deposits and Investments	\$2,152,870	\$2,290,948
Reconciling Items	(48,084)	(83,708)
Carrying Amount	\$2,104,786	\$ 2,207,240

Deposits were either (1) insured by the Federal Depository Insurance Corporation, (2) collateralized by securities specifically pledged by the financial institution or the Village, or (3) collateralized by the financial institution's public entity deposit pool.

Equity Securities (Stocks) are held by the Bank (Trustee) in the name of the Edmund G. Burke Community Trust. Investments in mutual funds are unclassified since they are not evidenced by securities that exist in physical or book-entry form. Repurchase agreements are uninsured and unregistered investments for which the securities are held by the counterparty or its trust department or agent but not in the Village's name.

### 4. PROPERTY TAXES

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by Council. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payments, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Village.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the village.

### 5. DEBT

PFDPF and PERS are cost-sharing, multiple-employer plans. These plans provide retirement benefits, including postretirement health care, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 2001 and 2000, members of PFDPF contributed 10% of their wages to the PFDPF. The Village contributed an amount equal to 19.5% of their wages. PERS members contributed 8.5% of their gross salaries. # REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Members of Council Village of Bethel 120 North Main Street Bethel, Ohio 45106

We have audited the accompanying general purpose financial statements of the Village of Bethel, Clermont County, Ohio (the Village), as of and for the years ended December 31, 2001 and 2000, and have issued our report thereon dated April 26, 2002. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States.

#### Compliance

As part of obtaining reasonable assurance about whether the Village's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance that is required to be reported under *Governmental Auditing Standards*. The reportable citation is described in the accompanying schedule of findings as item 2001-01. We also noted certain immaterial instances of noncompliance which we have reported to the management of the Village of Bethel in a separate letter dated April 26, 2002.

### **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Village's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving the internal control over financial reporting, which we have reported to the management of the Village in a separate letter dated April 26, 2002.

This report is intended solely for the information and use of the audit committee, management, Board of Public Affairs and members of Council and is not intended to be and should not be used by anyone other than these specified parties.
