NOTES TO THE FINANCIAL STATEMENTS**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - Assets and liabilities and revenue and expense are recognized on the accrual basis of accounting. Therefore, certain revenue and the related assets are recognized when earned rather than when received, and certain expenses are recognized when incurred rather than when the obligation was paid.

Property and Depreciation - Depreciable assets are recorded at cost. Depreciation of depreciable assets is determined by the individual asset on a straight-line basis. The estimated useful lives of the furniture and equipment is five years.

Minor renewals and replacements are charged against income while major renewals and replacements are charged to appropriate asset accounts.

Federal Income Tax - No provisions are made for federal, state, or local income tax because the Organization is tax exempt under Section 501(c)(6) of the Internal Revenue Code.

Cash Equivalents - The Organization considers all short-term investments with an original maturity of three months or less to be cash equivalents for the cash flows statement. The Organization had no cash equivalents at December 31, 2002.

Financial Statement Presentation - The Organization has adopted Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*. Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Organization is required to present a statement of cash flows. Fund accounting is used internally to track designated and restricted accounts. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds that are in accordance with activities or objectives specified. Separate accounts are maintained for each fund. The internal funds and related net asset classifications are as follows:

General Fund (Unrestricted) - Economic development activities

Industrial Park Fund (Unrestricted - Designated) - Development and construction of industrial parks

Revolving Loan Fund (Temporarily Restricted) - Community Development Block Grant revolving loan funds

Contributions - The Organization has also adopted SFAS No. 116, *Accounting for Contributions Received and Contributions Made*. Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted net assets depending on the existence or nature of any donor restrictions.

NOTES TO THE FINANCIAL STATEMENTS**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Organizational Programs - The Organization's basic programs are:

- 1) The administration of a Revolving Loan Fund, which makes low interest loans available to local business entities that encourage economic development and create jobs in the community.
- 2) The encouragement of both foreign and domestic investment in the local community, as well as publicizing the advantage of locating job-creating industries in the Chillicothe-Ross County area.
- 3) The Organization facilitates real estate transactions for the county and city to encourage new business to locate in the community.

Estimates - The preparation of financial statements in conformity with the accrual basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Advertising - The Organization expenses advertising costs as they are incurred.

2. RESTRICTIONS ON NET ASSETS

All of the restrictions on net assets at the end of 2002 relate to Community Development Block Grants received in prior years for use in the revolving loan program and program income generated through operation of the program.

3. NOTES RECEIVABLE

The Corporation has received distributions of Community Development Block Grant funds from the City of Chillicothe and Ross County for the purpose of making low-interest loans designed to encourage economic development in the community and spur the creation of jobs available to local business entities. The notes receivable held by the Corporation's Revolving Loan Fund are the result of such loans. Principal amounts of the notes receivable due within one year are set up as current assets. Principal amounts due after one year are set up as long-term.

4. REVOLVING LOAN FUND - BAD DEBT

In accordance with the accrual basis, bad debts on loans receivable are estimated based upon prior history and current status of the loans. No allowance for doubtful accounts has been established at December 31, 2002.

Board of Directors
Community Improvement Corporation of
Greater Chillicothe, Ross County,

Report on Compliance and on Internal Control Over Financial Reporting Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

We have audited the financial statements of Community Improvement Corporation of Greater Chillicothe, Ross County, Including Chillicothe, Ohio, Inc. as of and for the year ended December 31, 2002, and have issued our report thereon dated March 21, 2003. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether Community Improvement Corporation of Greater Chillicothe, Ross County, Including Chillicothe, Ohio, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Community Improvement Corporation of Greater Chillicothe, Ross County, Including Chillicothe, Ohio, Inc.'s internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving the internal control over financial reporting that we have reported to the management of the Corporation in a separate letter dated March 21, 2003.

This report is intended for the information and use of management, Board of Directors, City of Chillicothe and Ross County, and is not intended to be and should not be used by anyone other than these specified parties.
