INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Republican Executive Committee
Erie County
308 Sassafras Dr.
Vermilion, OH 44089-9606

We have performed the procedures enumerated below, which were agreed to by the Republican Executive Committee, solely to assist the Committee in evaluating its compliance with §§ 3517.17 and 3517.18 of the Ohio Revised Code for the year ended December 31, 2002. Management is responsible for the Committee's compliance with those requirements. We followed the American Institute of Certified Public Accountants attestation standards for agreed upon procedures engagements. The sufficiency of the procedures is solely the responsibility of the Executive Committee. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures and associated findings are as follows:

Cash Receipts

We confirmed the Ohio Political Party Fund receipts with the State of Ohio and agreed them to amounts shown on the Ohio Campaign Finance Report.

We found no exceptions as a result of the procedures.

Cash Reconciliation

1. We compared the sum of the cash balances recorded on the Republican Party's Ohio Campaign Finance Report with the cash balances reconciled by Donald E. Geib for the Republican Party as of December 31, 2002. The sums agreed.
2. We recomputed the mathematical accuracy of the reconciliation. We found no computational errors.
3. We agreed bank balances on the reconciliation with month end bank statements. The balances agreed.
4. As of December 31, 2002, there were no reconciling items.

Cash Disbursements

1. We footed the Statement of Expenditures and compared the listing totals to the disbursement totals on the political party fund finance report. The amounts agreed.
2. We selected all disbursement transactions and traced the payee and amount to source documentation such as invoices and canceled checks. We also compared the payees on the checks to the names on the invoices. The payees and amounts recorded in the Statement of Expenditures agreed to the payees and amounts on the canceled checks.
3. We compared the signature on the check to the authorized signatory. We compared the endorsement to the payee listed on the check. The signatory on all checks we selected was an approved signatory.
4. We compared the purpose for the disbursement with the allowable uses described in Section 3517.18 of the Ohio Revised Code. We found no exceptions.

We were not engaged to, and did not perform an examination, the objective of which would be the expression of an opinion on compliance of the political party campaign finance report which is attached to this report. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that we would have reported to you.

This report is intended solely for the information and use of the Executive Committee and is not intended to be and should not be used by anyone else.
