INDEPENDENT ACCOUNTANTS' REPORT

Law Library Association
Ross County
28 North Paint Street
Chillicothe, Ohio 45601

To the Board of Trustees:

We have audited the accompanying financial statements of the general fund and the retained monies fund of the Law Library Association, Ross County, Ohio, (the Library) as of and for the years ended December 31, 2003, and December 31, 2002. These financial statements are the responsibility of the Library's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Library prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the fund cash balances of the Library's general fund and the retained monies fund as of December 31, 2003, and December 31, 2002, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated June 23, 2004, on our consideration of the Library's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2003 AND 2002**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

The Law Library Association, Ross County, Ohio, (the Library) is directed by a board of five trustees who are elected tri-annually by members of the Ross County Bar Association. The Library provides free access for all county officers and the judges of the several courts within the county.

The Library operates by receiving a portion of fine and forfeiture monies from the courts (and any associated interest) under Ohio Revised Code (ORC) Sections 3375.50 to .53, inclusive. The Library is permitted to expend funds under ORC Section 3375.54. The funds of the Library are expended on the purchase, lease or rental of lawbooks; computer communications consoles to access a system of computerized legal research; microfilm materials and equipment, videotape materials and equipment; audio or visual materials and equipment; and other services, materials, and equipment that provide legal information or facilitate legal research.

The Ross County Commissioners are required by ORC Section 3375.49 to provide adequate facilities for the Library. The Board of County Commissioners is required to provide suitable bookcases, heating and lighting for the rooms.

The Board of Trustees hire a librarian and not more than two assistant law librarians. The Judges of the Court of Common Pleas of Ross County fix the compensation of the librarian and up to two assistant librarians pursuant to ORC Section 3375.48. If the Library provides free access to all county officers and the judges of the several courts, the salary of the law librarian and up to two assistants should be paid from the county treasury. If the conditions above are not met, then the salary of the librarian and any assistants should be paid by the Library.

The Library's management believes these financial statements present all funds for which the Library is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred.

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. Cash and Investments

Investments are included in Fund Cash Balances. Accordingly, purchases of investments are not recorded as disbursements, and sales of investments are not recorded as receipts. Gains or losses at the time of sale are recorded as receipts or disbursements, respectively.

Certificates of deposit are valued at cost.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Fund Accounting

The Library uses fund accounting to segregate cash and investments that are restricted as to use. The Library classifies its funds into the following types:

1. General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

2. Retained Monies Fund

Retained Monies Fund consists of monies retained by the Library under Ohio Revised Code § 3375.56. At the end of each calendar year the Library is permitted under law to retain up to ten percent of their unencumbered balance. See footnote 2 for additional information.

3. Private Monies

Some funds the Library receives are considered private monies. Private monies include: overdue book charges, and photocopying charges. Fees collected for the use of books and copiers remain private even though the books and copiers may have been purchased with public funds. These funds are included as miscellaneous receipts in the general fund on the financial statements.

E. Property, Plant and Equipment

Acquisitions of equipment are recorded as equipment disbursements when paid. These items are not reflected as assets on the accompanying financial statements. Items purchased which are deemed to be equipment are computers, copiers, fax machines, and other items related toward facilitating the use of the equipment.

F. Refund to Relative Income Sources

If certain conditions are met, the Library is required to refund at least ninety percent of any balance to political subdivisions that provided revenues to the Library.

G. Total Columns on Financial Statements

Total columns on the financial statements are captioned (Memorandum Only) to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, or results of operations in conformity with the basis of accounting described above. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.

2. CALCULATION OF REFUND TO RELATIVE INCOME SOURCES AND AMOUNT RETAINED

In any year that revenues exceed disbursements, the Library refunds at least ninety percent of the balance to the political subdivisions who provided the funds and retains the remaining amount. This refund process is referred to as the application of ORC 3375.56 or refund to relative income sources. The following charts present the refunded and retained amounts during 2003 and 2002.

Unencumbered Balance at December 31, 2002 Refunded and Retained During Calendar Year 2003	
Unencumbered Balance at December 31, 2002	0
Refunded to Relative Sources during 2003	0
Retained Funds Amount during 2003	0

Retained Funds Amount during 2002	0

3. EQUITY IN POOLED CASH AND INVESTMENTS

INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS

Law Library Association
Ross County
28 North Paint Street
Chillicothe, Ohio 45601

To the Board of Trustees:

We have audited the accompanying financial statements of the Law Library Association, Ross County, Ohio, (the Library) as of and for the years ended December 31, 2003, and December 31, 2002, and have issued our report thereon dated June 23, 2004. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Library's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Library's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted a certain other matter involving the internal control over financial reporting that does not require inclusion in this report that we have reported to management of the Library in a separate letter dated June 23, 2004.
