Independent Auditor’s Report

Board of Trustees and Clerk
Washington Township, Miami County
P.O. Box 232
Piqua, OH 45356

We have audited the accompanying financial statements of the Washington Township, (the “Township”), Miami County, Ohio as of and for the years ended December 31, 2003 and 2002. These financial statements are the responsibility of the Township’s management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 2, the Township prepares its financial statements on the basis of accounting prescribed or permitted by Auditor of State, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined cash balances and fund balances of the Township, as of December 31, 2003 and 2002, and its combined cash receipts and disbursements, combined budgeted and actual receipts and budgeted and actual disbursements and encumbrances for the years then ended on the basis of accounting described in Note 2.

In accordance with *Government Auditing Standards*, we have also issued a report dated May 6, 2004, on our consideration of the Township’s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, and contracts. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

This report is intended solely for the information and use of the officials authorized to receive this report under Section 117.26, Ohio Revised Code, and is not intended to be and should not be used by anyone other than these specified parties.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2003 AND 2002**

NOTE 1 - DESCRIPTION OF THE ENTITY

Washington Township (the "Township") is a body politic and corporate established for the purpose of exercising the rights and privileges conveyed to it by the constitution and laws of the State of Ohio.

The Township is directed by a publicly-elected three member Board of Trustees. The Township provides general governmental services, including but not limited to road maintenance, emergency medical services, fire protection and cemetery maintenance.

Management believes the financial statements included in this report represent all of the funds over which the Township officials are financially accountable.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The most significant of the Township's accounting policies are described below.

A. BASIS OF PRESENTATION - FUND ACCOUNTING

The accounts of the Township are maintained on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts. The following fund types are used by the Township.

GOVERNMENTAL FUNDS

General Fund

The general fund is used to account for all activities of the Township not required to be included in another fund. The general fund balance is available to the Township for any purpose provided it is expended or transferred according to the general laws of Ohio.

Special Revenue Funds

These funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditure for specific purposes.

**WASHINGTON TOWNSHIP
MIAMI COUNTY, OHIO**

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2003 AND 2002

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

The Township had the following significant Special Revenue Funds:

Gasoline Tax Fund - This fund receives gasoline tax money for constructing, maintaining and repairing Township roads.

Road and Bridge Fund - This fund receives property tax money for constructing, maintaining and repairing Township roads.

Motor Vehicle License Tax Fund - This fund receives gasoline tax and motor vehicle tax money for constructing, maintaining and repairing Township roads.

B. BASIS OF ACCOUNTING

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. BUDGETARY PROCESS

The budgetary process is prescribed by provisions of the Ohio Revised Code and entails the preparation of budgetary documents within an established timetable. The major documents prepared are the tax budget, the certificate of estimated resources, and the appropriation resolution, all of which are prepared on the budgetary basis of accounting. The certificate of estimated resources and the appropriations resolution are subject to amendment throughout the year with the legal restriction that appropriations cannot exceed estimated resources, as certified. All funds except Agency funds are legally required to be budgeted and appropriated. The primary level of budgetary control is at the item level within each fund. Any budgetary modifications at this level may only be made by resolution of the Township's Council. No budgetary modifications were legally enacted during 2003 or 2002.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2003 AND 2002

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

Tax Budget:

A budget of estimated cash receipts and disbursements is submitted to the County Auditor, as secretary of the County Budget Commission, by July 20 of each year, for the period January 1 to December 31 of the following year. The expressed purpose of the tax budget is to reflect the need for existing (or increased) tax rates.

Estimated Resources:

The County Budget Commission determines if the budget substantiates a need to levy the full amount of authorized property tax rates and reviews receipt estimates. The County Budget Commission certifies its actions to the Township by September 1. As part of this certification, the Township receives the official certificate of estimated resources, which states the projected receipts of each fund. On or about January 1, the certificate is amended to include unencumbered fund balances at December 31 of the preceding year. Further amendments may be made during the year if the Township determines that receipts collected will be greater than or less than the prior estimates, and the Budget Commission finds the revised estimates to be reasonable. Prior to December 31, the Township must revise its budget so that the total contemplated expenditures from a fund during the ensuing fiscal year will not exceed the amount stated in the certificate of estimated resources. The revised budget then serves as the basis for the annual appropriation measure.

Appropriations:

A temporary appropriation measure to control cash disbursements may be passed on or about January 1 of each year for the period January to March 31. An annual appropriation measure must be passed by April 1 of each year for the period January 1 to December 31. The appropriations measure may be amended or supplemented during the year as new information becomes available. Appropriations may not exceed estimated resources.

Encumbrances:

As part of the formal budgetary control, purchase orders, contracts, and other commitments for the expenditure of funds are recorded in order to reserve the portion of the applicable appropriation.

**WASHINGTON TOWNSHIP
MIAMI COUNTY, OHIO**

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2003 AND 2002

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

At the close of each fiscal year, the unencumbered balance of each appropriation reverts to the respective fund from which it was appropriated and becomes subject to future appropriations. The encumbered appropriation balance is carried forward to the succeeding fiscal year and need not be reappropriated. The Township had outstanding encumbrances at December 31, 2003 and 2002.

D. CASH AND CASH EQUIVALENTS

For reporting purposes, the Township considers "Cash and Cash Equivalents" to be cash on hand, demand deposits, and all investments held by the Township with a maturity date less than or equal to three months from the date of purchase. Interest earned on investments held by the Clerk is credited to its respective funds. Interest income earned and received by the Township totaled \$4,022 and \$6,644 for the years ended December 31, 2003 and 2002, respectively.

E. PROPERTY, PLANT AND EQUIPMENT

Fixed assets are not capitalized in any of the Township's funds. Instead, capital acquisition and construction costs are reflected as expenditures in the fund in the year expended. The costs of normal maintenance and repairs are also expended, along with improvements. Depreciation is not recorded.

F. INTERGOVERNMENTAL REVENUES

Intergovernmental revenues, such as entitlements and grants, awarded on a non-reimbursable basis are recorded when received in accordance with the Township's cash basis method of accounting.

G. TOTAL COLUMNS ON FINANCIAL STATEMENTS

Total columns on the financial statements are captioned "Total (Memorandum Only)" to indicate that they are presented only to facilitate financial analysis. Interfund-type eliminations have not been made in the aggregation of this data.

NOTE 3 - EQUITY IN POOLED CASH AND INVESTMENTS

CASH AND INVESTMENTS

The Township maintains a cash and investments pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash and investments at December 31 was as follows:

	<u>2003</u>	<u>2002</u>
Deposits: Demand deposits	\$ 186,528	\$ 153,470
Investments: STAR Ohio	<u>251,485</u>	<u>248,719</u>
Total deposits and investments	<u>\$ 438,013</u>	<u>\$ 402,189</u>

Deposits: Deposits are either insured by the Federal Deposit Corporation or collateralized by the financial institutions public entity deposit pool.

Investments: Investments in STAR Ohio are not evidenced by securities that exist in physical or book-entry form.

NOTE 4 - PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by the County. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State and are reflected in the accompanying financial statements as Intergovernmental Receipts. Real property taxes are payable annually or semiannually to the County. If paid annually, payment is due December 31; if paid semiannually, the first payment is due December 31 with the remainder payable by June 20 of the following year. Under certain circumstances, state statute permits later payment dates to be established.

Public utilities are also taxed on personal and real property located within the Township.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

MIAMI COUNTY, OHIO**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2003 AND 2002**

NOTE 5 - RETIREMENT SYSTEM

The Township's employees belong to the Ohio Public Employees Retirement System (OPERS) of Ohio. OPERS is a cost-sharing, multiple-employer plan. This plan provides retirement benefits, including post-retirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 2003 and 2002, members of OPERS contributed 8.5% of their gross salaries. The Township contributed an amount equal to 13.55% of participants' gross salaries. As of December 31, 2003, the Township has paid all contributions.

NOTE 6 - RISK MANAGEMENT

Risk Pool Membership

The Township belongs to the Ohio Township Association Risk Management Authority (OTARMA), a risk-sharing pool available to Ohio townships. OTARMA provides property and casualty insurance for its members. OTARMA is a member of the American Public Entity Excess Pool (APEEP). Member governments pay annual contributions to fund OTARMA. OTARMA pays judgements, settlements and other expenses resulting from covered claims that exceed the members' deductibles.

Casualty Insurance

OTARMA retains casualty risks up to \$250,000 per claim. Claims exceeding \$250,000 are reinsured with APEEP up to \$1,750,000 per claim and \$5,000,000 in the aggregate per year. Governments can elect additional coverage, from \$2,000,000 to \$10,000,000, from the General Reinsurance Corporation.

If losses exhaust OTARMA's retained earnings, APEEP covers OTARMA losses up to \$5,000,000 per year, subject to a per-claim limit of \$2,000,000.

Property Insurance

OTARMA retains property risks including automobile physical damage up to \$100,000 on any specific loss. The Travelers Indemnity Company reinsures specific losses exceeding \$100,000. The Travelers Indemnity Company also provides aggregate excess coverage for property including automobile physical damage subject to an annual stop loss. When the stop loss is reached in any year, The Travelers Indemnity Company provides coverage in excess of \$10,000.

MIAMI COUNTY, OHIO**

**NOTES TO THE FINANCIAL STATEMENTS

NOTE 6 - RISK MANAGEMENT - (Continued)

The aforementioned casualty and property reinsurance agreements do not discharge OTARMA's primary liability for claims payments on covered losses. Claims exceeding coverage limits are the obligation of the respective government.

Financial Position

OTARMA's financial statements (audited by other accountants) conform with accounting principles generally accepted in the United States of America, and reported the following assets, liabilities and retained earnings at December 31, 2002 which is the latest available data:

Report on Compliance and on Internal Control Over Financial Reporting Based on an Audit of Financial Statements Performed in Accordance With *Government Auditing Standards*

Board of Trustees and Clerk
Washington Township, Miami County
P.O. Box 232
Piqua, OH 45356

We have audited the financial statements of the Washington Township (the “Township”), Miami County, as of and for the years ended December 31, 2003 and 2002, and have issued our report thereon dated May 6, 2004. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Township’s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, and contracts, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*. However, we noted a certain immaterial instance of noncompliance that we have reported to the management of Washington Township in a separate letter dated May 6, 2004.

Board of Trustees and Clerk
Washington Township

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Township's, internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be considered to be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted a matter involving the internal control over financial reporting that does not require inclusion in this report that we have reported to the management of the Township in a separate letter dated May 6, 2004.

This report is intended for the information of the Board of Trustees and management of Washington Township and is not intended to be and should not be used by anyone other than these specified parties.
