We have reviewed the *Independent Accountants' Report* of Pusheta Township, Auglaize County, prepared by Julian & Grube, Inc. for the audit period January 1, 2004 through December 31, 2005. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

The financial statements in the attached report are presented in accordance with a regulatory basis of accounting prescribed or permitted by the Auditor of State's Office (AOS). Due to a February 2, 2005 interpretation from the American Institute of Certified Public Accountants (AICPA), modifications were required to the *Independent Accountants' Report* on your financial statements. While the AOS does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. The attached report includes an opinion relating to GAAP presentation and measurement requirements, but does not imply the statements are misstated under the non-GAAP regulatory basis. The *Independent Accountants' Report* also includes an opinion on the financial statements using the regulatory format the AOS permits.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. Pusheta Township is responsible for compliance with these laws and regulations.

Independent Accountants' Report

Board of Trustees
Pusheta Township
14002 Pusheta Rd.
Wapakoneta, OH 45895

We have audited the accompanying financial statements of Pusheta Township, Auglaize County, as of and for the years ended December 31, 2005 and 2004. These financial statements are the responsibility of Pusheta Township's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described more fully in Note 2, Pusheta Township has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and GAAP, we presume they are material.

Revisions to GAAP would require Pusheta Township to reformat its financial statement presentation and make other changes effective for the years ended December 31, 2005 and 2004. Instead of the combined funds the accompanying financial statements present for 2005 and 2004, the revisions require presenting entity wide statements and also to present its larger (i.e. major) funds separately for 2005 and 2004. While Pusheta Township does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statements do not substantially conform to the new GAAP presentation requirements. The Auditor of State permits, but does not require governments to reformat their statements. Pusheta Township has elected not to reformat its statements. Since Pusheta Township does not use GAAP to measure financial statement amounts, the following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

Independent Accountants' Report
Pusheta Township
Page 2

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above for the years ended December 31, 2005 and 2004 do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of Pusheta Township as of December 31, 2005 and 2004, or its changes in financial position for the years then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the combined cash fund balances of Pusheta Township, Auglaize County, Ohio as of December 31, 2005 and 2004, and its combined cash receipts and disbursements and combined budgeted and actual receipts and budgeted and actual disbursements for the years then ended on the basis of accounting described in Note 2.

The aforementioned revision to generally accepted accounting principles also requires Pusheta Township to include Management's Discussion and Analysis for the years ended December 31, 2005 and 2004. Pusheta Township has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued our report dated March 27, 2006, on our consideration of Pusheta Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance, and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

PUSHETA TOWNSHIP
AUGLAIZE COUNTY, OHIO
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2005 AND 2004

NOTE 1 - DESCRIPTION OF THE ENTITY

Pusheta Township (the "Township") is a body politic and corporate established for the purpose of exercising the rights and privileges conveyed to it by the constitution and laws of the State of Ohio.

The Township is directed by a publicly-elected three member Board of Trustees. The Township provides general governmental services including road maintenance. The township contracts with the Village of Botkins and St. John's Fire and Rescue for fire services and the Anna Rescue Squad for emergency medical services.

Management believes the financial statements included in this report represent all of the funds of the Township over which the Township is financially accountable.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The most significant of the Township's accounting policies are described below.

A. BASIS OF PRESENTATION - FUND ACCOUNTING

The accounts of the Township are maintained on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts. The following fund types are used by the Township.

GOVERNMENTAL FUNDS

General Fund

The general fund is used to account for all activities of the Township not required to be included in another fund. The general fund balance is available to the Township for any purpose provided it is expended or transferred according to the general laws of Ohio.

Special Revenue Funds

These funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditure for specific purposes.

The Township had the following significant Special Revenue Funds:

Gasoline Tax Fund - This fund receives gasoline tax money for constructing, maintaining and repairing Township roads.

Road and Bridge Fund - This fund receives property tax money and proceeds of bonds for constructing, maintaining, repairing Township roads and purchasing equipment.

Fire District Fund - This fund receives fire levy money for contract services with the Village of Botkins, St. John's Fire and Rescue and the Anna Rescue Squad.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

Debt Service Funds

These funds are used to accumulate resources for the payment of indebtedness. The Township had the following significant Debt Service fund:

Other Debt Service - This fund accumulates intergovernmental resources for the purchase of a truck.

B. BASIS OF ACCOUNTING

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. BUDGETARY PROCESS

The budgetary process is prescribed by provisions of the Ohio Revised Code and entails the preparation of budgetary documents within an established timetable. The major documents prepared are the certificate of estimated resources, and the appropriation resolution, all of which are prepared on the budgetary basis of accounting. The certificate of estimated resources and the appropriations resolution are subject to amendment throughout the year with the legal restriction that appropriations cannot exceed estimated resources, as certified. All funds are legally required to be budgeted and appropriated. The primary level of budgetary control is at the line item level within each fund. Any budgetary modifications at this level may only be made by resolution of the Township.

Estimated Resources:

The County Budget Commission determines if the budget substantiates a need to levy the full amount of authorized property tax rates and reviews receipt estimates. The County Budget Commission certifies its actions to the Township by September 1. As part of this certification, the Township receives the official certificate of estimated resources, which states the projected receipts of each fund. On or about January 1, the certificate is amended to include fund balances at December 31 of the preceding year. The Auglaize County Commissioners waived this requirement for fiscal years 2005 and 2004. Further amendments may be made during the year if the Township determines that receipts collected will be greater than or less than the prior estimates and the Budget Commission find the revised estimates to be reasonable. Prior to December 31, the Township must revise its budget so that the total contemplated expenditures from a fund during the ensuing fiscal year will not exceed the amount stated in the certificate of estimated resources. The revised budget then serves as the basis for the annual appropriation measure.

AUGLAIZE COUNTY, OHIO
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2005 AND 2004

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

Appropriations:

A temporary appropriation measure to control cash disbursements may be passed on or about January 1 of each year for the period January to March 31. An annual appropriation measure must be passed by April 1 of each year for the period January 1 to December 31. The appropriations measure may be amended or supplemented during the year as new information becomes available. Appropriations may not exceed estimated resources. The Township legally adopted one supplemental appropriation during both years ended December 31, 2005 and 2004.

Encumbrances:

As part of the formal budgetary control, purchase orders, contracts, and other commitments for the expenditure of funds are recorded in order to reserve the portion of the applicable appropriation. The Township did not use the encumbrance method of accounting.

At the close of each fiscal year, the unencumbered balance of each appropriation reverts to the respective fund from which it was appropriated and becomes subject to future appropriations. The encumbered appropriation balance is carried forward to the succeeding fiscal year and need not be reappropriated.

D. CASH AND CASH EQUIVALENTS

For reporting purposes, the Township considers "Cash and Cash Equivalents" to be cash on hand, demand deposits, and all investments held by the Township with a maturity date less than or equal to three months from the date of purchase. Interest earned on investments are credited to the respective funds. Interest income earned and received by the Township totaled \$1,297 and \$819 for the years ended December 31, 2005 and 2004, respectively.

E. PROPERTY, PLANT AND EQUIPMENT

Capital assets are not capitalized in any of the Township's funds. Instead, capital acquisition and construction costs are reflected as expenditures in the fund in the year expended. The costs of normal maintenance and repairs are also expended, along with improvements. Depreciation is not recorded.

F. INTERGOVERNMENTAL REVENUES

Intergovernmental revenues, such as entitlements and grants awarded on a non-reimbursable basis are recorded when received in accordance with the Township's cash basis method of accounting.

NOTE 7 - PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by the County. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State and are reflected in the accompanying financial statements as Intergovernmental Receipts. Real property taxes are payable annually or semiannually to the County. If paid annually, payment is due December 31; if paid semiannually, the first payment is due December 31 with the remainder payable by June 20 of the following year. Under certain circumstances, state statute permits later payment dates to be established.

Public utilities are also taxed on personal and real property located within the Township.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

NOTE 8 - RETIREMENT SYSTEM

The Township's employees belong to the Ohio Public Employees Retirement System (OPERS) of Ohio. OPERS is a cost-sharing, multiple-employer plan. The plan provides retirement benefits, including post-retirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 2005 and 2004, members of OPERS contributed 8.5% of their gross salaries. The Township contributed an amount equal to 13.55% of participants' gross salaries. The Township has paid all contributions required through December 31, 2005 and 2004.

NOTE 9 - RISK MANAGEMENT

Risk Pool Membership

The Township belongs to the Ohio Township Association Risk Management Authority (OTARMA), a risk-sharing pool available to Ohio townships. OTARMA provides property and casualty insurance for its members. OTARMA is a member of the American Public Entity Excess Pool (APEEP). Member governments pay annual contributions to fund OTARMA. OTARMA pays judgements, settlements and other expenses resulting from covered claims that exceed the member's deductibles.

Casualty Coverage

OTARMA retains casualty risks up to \$250,000 per claim. Claims exceeding \$250,000 are reinsured with APEEP up to \$1,750,000 per claim and \$5,000,000 in the aggregate per year. Governments can elect additional coverage, from \$2,000,000 to \$10,000,000, from the General Reinsurance Corporation.

NOTE 9 - RISK MANAGEMENT - (Continued)

If losses exhaust OTARMA's retained earnings, APEEP covers OTARMA losses up to \$5,000,000 per year, subject to a per-claim limit of \$2,000,000.

Property Coverage

OTARMA retains property risks including automobile physical damage up to \$100,000 on any specific loss. The Travelers Indemnity Company reinsures specific losses exceeding \$100,000. The Travelers Indemnity Company also provides aggregate excess coverage for property including automobile physical damage subject to an annual stop loss. When the stop loss is reached in any year, The Travelers Indemnity Company provides coverage in excess of \$10,000.

The aforementioned casualty and property reinsurance agreements do not discharge OTARMA's primary liability for claims payments on covered losses. Claims exceeding coverage limits are the obligation of the respective government.

Financial Position

OTARMA's financial statements (audited by other accountants) conform with accounting principles generally accepted in the United States of America, and reported the following assets, liabilities and retained earnings at December 31, 2004 and 2003, which is the latest available data:

**Report on Compliance and on Internal Control Over Financial
Reporting Based on an Audit of Financial Statements Performed in
Accordance With *Government Auditing Standards***

Board of Trustees
Pusheta Township, Auglaize County
14002 Pusheta Rd.
Wapakoneta, OH 45895

We have audited the financial statements of Pusheta Township, as of and for the years ended December 31, 2005 and 2004, and have issued our report thereon dated March 27, 2006, wherein we noted Pusheta Township followed accounting practices the Auditor of State prescribes or permits rather than accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Pusheta Township's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no certain matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted certain matters involving the internal control over financial reporting that we have reported to the management of Pusheta Township in a separate letter dated March 27, 2006.

Compliance

As part of obtaining reasonable assurance about whether Pusheta Township's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed two instances of noncompliance that are required to be reported under *Government Auditing Standards* which are described in the accompanying schedule of findings as items 2005-PT-001 and 2005-PT-002. We also noted certain immaterial instances of noncompliance that we have reported to the management of the Township in a separate letter dated March 27, 2006.

This report is intended for the information of the Board of Trustees of Pusheta Township and management and is not intended to be and should not be used by anyone other than these specified parties.

**SCHEDULE OF FINDINGS
DECEMBER 31, 2005 AND 2004**

FINDING RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS	
Finding Number	2005-PT-001

Ohio Revised Code Section 5705.41(B) requires that no subdivision is to expend money unless it has been appropriated.

It was noted during the audit that Pusheta Township had expenditures exceeding appropriations in the following funds:

<u>Fund Type/Fund</u>	<u>Excess</u>
<u>2005</u>	
<u>Special Revenue Fund</u>	
FEMA	\$ 12,448
 <u>2004</u>	
General Fund	546

Disclosure is presented at the fund level, rather than at the item level within the fund due to the practicality of determining these values.

With expenditures exceeding appropriations, the Township is expending monies that have not been appropriated and approved by the Board of Trustees. This may result in unnecessary purchases or overspending which may lead to a fund deficit.

We recommend that the Township comply with the Ohio Revised Code and the Auditor of State Bulletin 97-010 by monitoring expenditures so they do not exceed lawful appropriations and amending the budget prior to year end. This may be achieved by monitoring the budget more closely on a continual basis.

Client Response: The Township is attempting to monitor its budget more closely and to increase its appropriations as needed.

FINDING RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS - (Continued)	
Finding Number	2005-PT-002

Ohio Revised Code Section 5705.41 (D) requires that no orders or contracts involving the disbursement of monies are to be made unless there is a certificate of the fiscal officer that the amount required for the order or contract has been lawfully appropriated and is in the treasury or in the process of collection to the credit of an appropriate fund free from any previous encumbrances.

It was noted during the audit that the Township does not process purchase orders prior to expending funds. A listing of all disbursements are provided to the Trustees at each meeting prior to payment.

Without timely certification, the Township may expend more funds than available in the treasury, in the process of collection or than funds appropriated. In addition, by purchasing items prior to trustee approval or absent the purchase order process, the potential for unnecessary purchases or items for proper public purpose cannot be prevented if approval is after the fact.

We recommend that the Township implement a policy and procedure for the use of purchase orders to help ensure that the disbursements are timely certified. This will help ensure that all monies expended are lawfully appropriated and available in the treasury or in the process of collection. The Township should issue approved purchase orders and consider using blanket and super blanket purchase orders and/or "Then" and "Now" certificates where applicable.

Client Response: The Township Fiscal Officer will attempt to utilize the purchase order system as required by the Ohio Revised Code.
