To the Members of Council:

As you are aware, the Auditor of State's Office (AOS) must modify the *Independent Accountants' Report* we provide on your financial statements due to an interpretation from the American Institute of Certified Public Accountants (AICPA). While AOS does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. Our Report includes an adverse opinion relating to GAAP presentation and measurement requirements, but does not imply the amounts the statements present are misstated under the non-GAAP basis you follow. The AOS report also includes an opinion on the financial statements you prepared using the cash basis and financial statement format the AOS permits.

### INDEPENDENT ACCOUNTANTS' REPORT

Family and Children First Council  
Scioto County  
411 Court Street  
Portsmouth, Ohio 45662

To the Members of Council:

We have audited the accompanying financial statements of the Family and Children First Council, Scioto County, Ohio (the Council), as of and for the years ended December 31, 2006 and 2005. These financial statements are the responsibility of the Council's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Council prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and GAAP, we presume they are material.

Instead of the combined funds the accompanying financial statements present, GAAP requires presenting entity wide statements and also presenting the Council's larger (i.e. major) funds separately. While the Council does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statements do not substantially conform to the new GAAP presentation requirements. The Auditor of State permits, but does not require Councils to reformat their statements. The Council has elected not to follow GAAP formatting requirements. The following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above for the years ended December 31, 2006 and 2005 do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Council as of December 31, 2006 and 2005, or its changes in financial position for the years then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances of the Family and Children First Council, Scioto County, as of December 31, 2006 and 2005, and its combined cash receipts and disbursements for the years then ended on the accounting basis Note 1 describes.

The Council has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued our report dated July 19, 2007, on our consideration of the Council's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance, and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

SCIOTO COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2006 AND 2005**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Description of the Entity**

Ohio Rev. Code Section 121.37 created the Ohio Family and Children First Cabinet Council and required the Board of County Commissioners in each County to establish County Family and Children First Councils. A Board of County Commissioners may invite any local public or private agency or group that funds, advocates, or provides services to children to have a representative become a permanent or temporary member of its County Council. Each County Council must include the following individuals:

- a. At least three individuals whose families are or have received services from an agency represented on the Council or another County's Council. Where possible, the number of members representing families shall be equal to twenty percent of the Council's membership;
- b. The Director of the Board of Alcohol, Drug Addiction, and Mental Health Services that serves the County, or, in the case of a county that has a Board of Alcohol and Drug Addiction Services and a Community Mental Health Board, the Directors of both Boards. If a Board of Alcohol, Drug Addiction, and Mental Health Services covers more than one county, the Director may designate a person to participate on the County's Council;
- c. The Health Commissioner, or the Commissioner's designee, of the Board of Health of each city and general health district in the County. If the County has two or more health districts, the Health Commissioner membership may be limited to the Commissioners of the two districts with the largest populations;
- d. The Director of the County Department of Job and Family Services;
- e. The Executive Director of the county agency responsible for the administration of children services pursuant to Section 5153.15 of the Revised Code;
- f. The Superintendent of the County Board of Mental Retardation and Developmental Disabilities;
- g. The County's Juvenile Court Judge senior in service or another judge of the juvenile court designated by the administrative judge, or, where there is no administrative judge, by the judge senior in service;
- h. The Superintendent of the city, exempted village, or local school district with the largest number of pupils residing in the County, as determined by the Department of Education, which shall notify each Board of County Commissioners of its determination at least biennially;
- i. A School Superintendent representing all other school districts with territory in the County, as designated at a biennial meeting of the superintendents of those districts;
- j. A representative of the municipal corporation with the largest population in the County;
- k. The President of the Board of County Commissioners, or an individual designated by the Board;
- l. A representative of the regional office of the Department of Youth Services;

**NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2006 AND 2005  
(Continued)**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**A. Description of the Entity (Continued)**

- m. A representative of the County's Head Start agencies, as defined in Section 3301.31 of the Revised Code;
- n. A representative of the County's early intervention collaborative established pursuant to the federal early intervention program operated under the "Education of the Handicapped Act Amendments of 1986"; and
- o. A representative of a local nonprofit entity that funds, advocates, or provides services to children and families.

A County Council shall provide for the following:

- a. Referrals to the Cabinet Council of those children for whom the Council cannot provide adequate services;
- b. Development and implementation of a process that annually evaluates and prioritizes services, fills service gaps where possible, and invents new approaches to achieve better results for families and children;
- c. Participation in the development of a countywide, comprehensive, coordinated, multi-disciplinary, interagency system for infants and toddlers with developmental disabilities or delays and their families, as established pursuant to federal grants received and administered by the department of health for early intervention services under the "Education of the Handicapped Act Amendments of 1986";
- d. Maintenance of an accountability system to monitor the County Council's progress in achieving results for families and children; and
- e. Establishment of a mechanism to ensure ongoing input from a broad representation of families who are receiving services within the County system.

**B. Basis of Accounting**

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred.

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

**C. Fund Accounting**

The Council uses fund accounting to segregate cash and investments that are restricted as to use. The Council classifies its funds into the following types:

DECEMBER 31, 2006 AND 2005  
(Continued)**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**C. Fund Accounting (Continued)**

**1. General**

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

**2. Special Revenue Funds**

These funds are used to account for proceeds from specific sources that are restricted to expenditure for specific purposes. The Council had the following significant Special Revenue Fund:

*Help Me Grow Fund* – This fund receives a blended pool of state and federal grant funds to be used for an early intervention program to aid children ages one through three for developing social skills and interaction with other children.

**D. Administrative/Fiscal Agent**

The South Central Ohio Educational Service Center is the designated fiscal and administrative agent for the Council. The Council's funds are maintained by the Educational Service Center in agency funds.

**E. Equity in Pooled Cash**

The Council's cash is maintained by the South Central Ohio Educational Service Center, its statutory fiscal agent. The Ohio Revised Code prescribes allowable deposits and investments and the Educational Service Center is responsible for compliance. As of December 31, 2006 and 2005, the Council's share of the Educational Service Center's cash pool was as follows:

	2006	2005
Demand deposits	<u>\$ 77,144</u>	<u>\$ 77,018</u>

All risks associated with such deposits are the responsibility of South Central Ohio Educational Service Center.

**F. Budgetary Activity**

The Council filed an annual estimate of expenditures and revenue with South Central Ohio Educational Service Center for 2006 and 2005, as required by Ohio law.

**G. Property, Plant and Equipment**

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

SCIOTO COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2006 AND 2005  
(Continued)**

**2. RISK MANAGEMENT**

The Council is insured through the South Central Ohio Educational Service Center for the following risks:

- Comprehensive property and general liability;
- Valuable papers and records; and
- Errors and omissions.

**3. RETIREMENT SYSTEM**

The Council contributes to the School Employees Retirement System (SERS), a cost-sharing multiple-employer defined benefit pension plan. SERS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Authority to establish and amend benefits is provided by Chapter 3309 of the Ohio Revised Code. SERS issues a publicly available, stand-alone financial report that includes financial statements and required supplementary information. That report may be obtained by writing to the School Employees Retirement System, 300 East Broad Street, Suite 100, Columbus, Ohio 43215-3746 or by calling (614) 222-5853.

Plan members are required to contribute 10 percent of their annual covered salary and the Council is required to contribute at an actuarially determined rate. The current Council rate is 14 percent of annual covered payroll. The contribution requirements of plan members and employers are established and may be amended, up to a statutory maximum amount, by the SERS' Retirement Board. The Council has paid all contributions required through December 31, 2006.

**4. CONTINGENT LIABILITIES**

Amounts received from grantor agencies are subject to audit and adjustment by the grantor. Any disallowed costs may require refunding to the grantor. Amounts which may be disallowed, if any, are not presently determinable. However, based on prior experience, management believes such refunds, if any, would not be material.

## INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

Family and Children First Council  
Scioto County  
411 Court Street  
Portsmouth, Ohio 45662

To the Members of Council:

We have audited the financial statements of the Family and Children First Council, Scioto County, Ohio (the Council), as of and for the years ended December 31, 2006 and 2005, and have issued our report thereon dated July 19, 2007, wherein we noted the Council followed accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

### **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Council's internal control over financial reporting as a basis for designing our audit procedures for expressing our opinion on the financial statements, but not to opine on the effectiveness of the Council's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Council's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Council's ability to initiate, authorize, record, process, or report financial data reliably in accordance with its applicable accounting basis, such that there is more than a remote likelihood that the Council's internal control will not prevent or detect a more-than-inconsequential financial statement misstatement.

A material weakness is a significant deficiency, or combination of significant deficiencies resulting in more than a remote likelihood that the Council's internal control will not prevent or detect a material financial statement misstatement.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all internal control deficiencies that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider material weaknesses, as defined above.

### **Compliance and Other Matters**

As part of reasonably assuring whether the Council's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

We intend this report solely for the information and use of management and the Council. We intend it for no one other than these specified parties.
