We have reviewed the *Independent Auditor's Report* of Oak Run Township, Madison County, prepared by Van Krevel & Co. CPAs, for the audit period January 1, 2004 to December 31, 2005. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

The financial statements in the attached report are presented in accordance with a regulatory basis of accounting prescribed or permitted by the Auditor of State. Due to a February 2, 2005 interpretation from the American Institute of Certified Public Accountants (AICPA), modifications were required to the *Independent Auditor's Report* on your financial statements. While the Auditor of State does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. The attached report includes an opinion relating to GAAP presentation and measurement requirements, but does not imply the statements are misstated under the non-GAAP regulatory basis. The *Independent Auditor's Report* also includes an opinion on the financial statements using the regulatory format the Auditor of State permits.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. Oak Run Township is responsible for compliance with these laws and regulations.

A handwritten signature in cursive script that reads "Betty Montgomery".

Independent Auditor's Report

To the Board of Trustees
Oak Run Township-Madison County, Ohio
8695 State Route 56 SE
Mt. Sterling, Ohio 43143-9158

We have audited the accompanying financial statements of Oak Run Township, Madison County, Ohio (the Township) as of and for the years ended December 31, 2005 and 2004. These financial statements are the responsibility of the Township's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audits provide a reasonable basis for our opinion.

As described more fully in Note 1, the Township has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United State of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and accounting principles generally accepted in the United States of America, we presume they are material.

Revisions to GAAP would require the Township to reformat its financial statement presentation and make other changes effective for the years ended December 31, 2005 and 2004. Instead of the combined funds the accompanying the financial statements present for 2005 and 2004, the revisions require presenting entity wide statements and also presenting its larger (i.e., major) funds separately for 2005 and 2004. While the Township does not follow GAAP, generally accepted auditing standards require us to include the following paragraph if the statements do not substantially conform to the new GAAP presentation requirements. The Auditor of State permits, but does not require townships to reformat their statements. The Township has elected not to reformat its statements. Since this Township does not use GAAP to measure financial statement amounts, the following paragraph does not imply the amounts are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to the non-GAAP basis is in the second following paragraph.

Oak Run Township
Madison County
Independent Auditor's Report
Page 2

In our opinion, because of the effects of the matters discussed in the preceding two paragraphs, the financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Township as of December 31, 2005 and 2004, or its changes in financial position for the years then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances of Oak Run Township, Madison County, as of December 31, 2005 and 2004, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

The aforementioned revision to generally accepted accounting principles also requires the Township to include Management's Discussion and Analysis for the years ended December 31, 2005 and 2004. The Township has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued our report dated November 30, 2006, on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our testing of internal control over financial reporting and compliance and the results of that testing. It does not opine on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

Oak Run Township
Madison County, Ohio

Notes to the Financial Statements
December 31, 2005 and 2004

1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A Description of the Entity

Oak Run Township, Madison County, Ohio (the Township) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Township is directed by a publicly elected three member Board of Trustees. The Township provides general governmental services, including road and bridge maintenance and cemetery maintenance. The Township contracts with Central Townships Fire Department to provide fire protection.

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

B Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of the State of Ohio, which is similar to the cash receipts and cash disbursements basis of accounting. Receipts are recognized when received rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of the State of Ohio.

C Cash and Investments

Investments are reported as assets. Accordingly, purchases of investments are not recorded as disbursements, and sales of investments are not recorded as receipts. Gains or losses at the time of sale are recorded as receipts or disbursements, respectively.

Certificates of deposit are valued at cost.

D Fund Accounting

The Township uses fund accounting to segregate cash and investments that are restricted as to use. The Township classifies its funds into the following types.

1 General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

D Fund Accounting (continued)

2 Special Revenue Funds

These funds are used to account for proceeds from specific sources (other than those from trusts or for capital projects) that are restricted to expenditure for specific purposes. The Township had the following significant Special Revenue Fund:

Gasoline Tax Fund - This fund receives gasoline tax monies to pay for constructing, maintaining and repairing Township roads.

E Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

1 Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Unencumbered appropriations lapse at year end.

2 Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must also approve estimated resources.

Madison County, Ohio

Notes to Financial Statements
Years Ended December 31, 2005 and 2004

3 Encumbrances

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over and need not be re-appropriated.

A summary of the 2005 and 2004 budgetary activity appears in Note 3.

F Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets in the accompanying financial statements.

G Joint Ventures

A joint venture is a legal entity or other organization that results from a contractual arrangement and that is owned, operated or governed by two or more participants as a separate and specific activity subject to joint control, in which the participants retain (a) an ongoing financial interest or (b) an ongoing financial responsibility. Under the cash basis of accounting, the Township does not report assets for equity interests in joint ventures. The Township participates in one jointly governed organization - Central Townships Fire Department. See Note 7.

H Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. Unpaid leave is not reflected as a liability under the Township's basis of accounting.

2 EQUITY IN POOLED CASH AND INVESTMENTS

The Township maintains a cash and investments pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash and investments at December 31st was as follows:

	<u>2005</u>	<u>2004</u>
Demand Deposits	<u>\$249,123</u>	<u>\$383,828</u>

Deposits are either insured by the Federal Depository Insurance Corporation or collateralized by the financial institution's public entity deposit pool.

4. PROPERTY TAXES

Real property taxes become a lien on January 1st preceding the October 1st date for which rates are adopted by the Board of Trustees. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31st. If the property owner elects to make semi-annual payments, the first half is due December 31st. The second half payment is due the following June 20th.

Tangible personal property tax is assessed by the property owners, who must file a list of such property with the County by April 30th each year.

The County is responsible for assessing property and for billing, collecting and distributing all property taxes on behalf of the Township.

5 RETIREMENT SYSTEM

The Township's employees belong to the Public Employees Retirement System (PERS) of Ohio. PERS is a cost sharing, multiple employer plan. This plan provides retirement benefits, including postretirement healthcare and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 2005 and 2004, PERS members contributed 8.5% of their gross salaries. The Township contributed an amount equal to 13.55% of participants' gross salaries for 2005 and 2004. The Township has paid all contributions required through December 31, 2004.

6 RISK MANAGEMENT

Commercial Insurance

The Township has obtained commercial insurance for the following risks:

Comprehensive property and general liability
Vehicles
Errors and omissions

7 JOINT VENTURE AND JOINTLY GOVERNED ORGANIZATION

Central Township Fire Department, Madison County, Ohio (the Department) was incorporated on March 26, 1969, and is a governmental non-for-profit corporation legally separate from any other entity. The Department is owned by four townships: Deercreek, Union, Oak Run and Paint. The Department is directed by an appointed twelve member Board of Trustees consisting of the elected Trustees from each participating township.

The Department receives the majority of its revenues from contracts with the participating townships, as well as two additional townships, Monroe and Somerford Townships. The participating townships pay the Department 8/10 of one mill times the total valuation of said township, while the non-participating townships pay the Department 1.20 mills times the total valuation of said township for fire protection and rescue services. Oak Run disbursed \$11,485, and \$11,013 to the Department in 2005 and 2004, respectively.

Further detailed financial information may be obtained by contacting the Central Townships Fire Department at 8695 State Route 56, Mt. Sterling, Ohio 43143.

The Madison Emergency Medical District (the District) provides ambulance services within the District and by contract to areas outside the District. The District is directed by an appointed six member Board of Trustees. One board member is appointed by each political subdivision within the District. Those subdivisions are the City of London, Deercreek Township, Monroe Township, Oak Run Township, Paint Township and Union Township.

8 SUBSEQUENT EVENT

Oak Run Township sold a 1998 International dump truck to The Ohio State University on September 6, 2005 for a contract amount of \$40,000. Proceeds of \$40,000 from the sale of this asset were received and deposited by the Township on January 3, 2006.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

To the Board of Trustees
Oak Run Township
Madison County, Ohio
8695 State Route 56 SE
Mt. Sterling, Ohio 43143-9158

We have audited the financial statements of Oak Run Township (the Township) as of and for the years ended December 31, 2005 and 2004, and have issued our report thereon dated November 30, 2006, wherein we noted that the Township followed accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audits, we considered the Township's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operations that we consider to be material weaknesses.

Oak Run Township
Madison County, Ohio
Report on Internal Control Over Financial Reporting and on
Compliance with Other Matters Based on an Audit of Financial Statements
Performed in accordance with *Government Auditing Standards*

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Township's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contract and grant agreements, non-compliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audits and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended for the information and use of management and the Board of Trustees and is not intended to be and should not be used by anyone other than these specified parties.
