Compliance

We have audited the compliance of the Office of the Ohio Attorney General (Attorney General) with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133, Compliance Supplement* that are applicable to the Byrne Formula Grant Program (CFDA 16.579) and the State Medicaid Fraud Control Unit (CFDA 93.775) for the year ended June 30, 2006. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the Attorney General's management. Our responsibility is to express an opinion on the Attorney General's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on the Byrne Formula Grant Program and State Medicaid Fraud Control Unit occurred. An audit includes examining, on a test basis, evidence about the Attorney General's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Attorney General's compliance with those requirements.

In our opinion, the Attorney General complied, in all material respects, with the requirements referred to above that are applicable to the Byrne Formula Grant Program and State Medicaid Fraud Control Unit for the year ended June 30, 2006.

Internal Control over Compliance

The management of the Attorney General is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the Attorney General's internal control over compliance with requirements that could have a direct and material effect on the Byrne Formula Grant Program and State Medicaid Fraud Control Unit in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

INDEPENDENT AUDITOR'S REPORT ON THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

Office of the Ohio Attorney General
Columbus, Ohio

We have audited the accompanying Schedule of Expenditures of Federal Awards for the Byrne Formula Grant Program (CFDA 16.579) and the State Medicaid Fraud Control Unit (CFDA 93.775) of the Office of the Ohio Attorney General (Attorney General) for the year ended June 30, 2006. This financial statement is the responsibility of the Attorney General's management. Our responsibility is to express an opinion on the financial statement of the programs based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, this financial statement was prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles.

In our opinion, the Schedule of Expenditures of Federal Awards referred to above presents fairly, in all material respects, the expenditures of federal awards under the Byrne Formula Grant Program and State Medicaid Fraud Control Unit on the basis of accounting described in Note 1.
