Independent Auditor's Report

To the Board of Trustees
Owens Community College Foundation

We have audited the accompanying statement of financial position of Owens Community College Foundation (the "Foundation") as of June 30, 2007 and 2006 and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Owens Community College Foundation as of June 30, 2007 and 2006 and the results of its operations and cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated September 28, 2007 on our consideration of Owens Community College Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide opinions on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Notes to Financial Statements June 30, 2007 and 2006

Note 1 - Organization and Purpose

Effective July 1, 1996, pursuant to Chapter 3358 of the Ohio Revised Code, the trustees of Owens Community College (the "College") terminated the Michael J. Owens Technical College Charitable Trust (the "Trust"). The assets of the Trust were transferred to the newly established Owens State Community College Foundation (the "Foundation"). The Foundation was established for the benefit of the College and its students. The Foundation was incorporated in April 2002 and the name was changed to Owens Community College Foundation effective November 25, 2003. The Foundation also serves as an agent for Owens Community College Alumni Association. The net assets of the alumni association are represented as funds in custody at June 30, 2007 and 2006.

Note 2 - Summary of Significant Accounting Policies

Financial Statement Presentation - The Foundation's financial statements are prepared using the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America.

Basis of Presentation - Net assets, revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

- **Unrestricted Net Assets** - Net assets that are not subject to donor-imposed stipulations
- **Temporarily Restricted Net Assets** - Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Foundation and/or the passage of time. Contributions received with donor-imposed restrictions that are met in the same year as received are reported as revenues of the unrestricted net asset class.
- **Permanently Restricted Net Assets** - Net assets subject to donor-imposed stipulations to be maintained permanently by the Foundation. Generally, the donors of these assets permit the Foundation to use all or part of the income earned on related investments for general or specific purposes.

Owens Community College Foundation

Notes to Financial Statements June 30, 2007 and 2006

Note 2 - Summary of Significant Accounting Policies (Continued)

Revenues are reported as increases in unrestricted net assets unless the use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.

Cash and Cash Equivalents - For the purpose of the statement of cash flows, the Foundation considers cash in bank, time deposits, and highly liquid debt instruments with maturities of three months or less when purchased to be cash and cash equivalents.

Investments - In 2007 and 2006, investments are recorded at current market value based on quoted market prices and consist of stock and bond mutual funds.

Contributions - Contributions, which include unconditional promises to give (pledges), are recognized as revenues in the period made. Conditional promises to give are not recognized until they become unconditional; that is, when the conditions on which they depend are substantially met.

Income Taxes - The Internal Revenue Service, in a letter dated September 29, 1997 and again on September 22, 2004, determined that the Foundation was exempt from federal income taxes under the provisions of Section 501(c)(3) of the Internal Revenue Code.

Use of Estimates - Management of the Foundation has made estimates and assumptions relating to the reporting of assets, liabilities, the disclosure of contingent assets and liabilities and revenue and expenses to prepare these financial statements in conformity with accounting principles generally accepted in the United States of America. Actual results could differ from those estimates.

Report Letter on Compliance and on Internal Control Over Financial Reporting
Based on an Audit of the Financial Statements Performed in Accordance
with *Government Auditing Standards*

To the Board of Trustees
Owens Community College Foundation

We have audited the financial statements of Owens Community College Foundation as of and for the years ended June 30, 2007 and 2006 and have issued our report thereon dated September 28, 2007. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether Owens Community College Foundation's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Owens Community College Foundation's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

To the Board of Trustees
Owens Community College Foundation

This report is intended solely for the information and use of the board of trustees, management of Owens Community College Foundation, and the auditor of the State of Ohio and is not intended to be used and should not be used by anyone other than these specified parties.
