REPORT ON FINANCIAL STATEMENTS
DECEMBER 31, 2007 AND 2006

Mary Taylor, CPA

Auditor of State

Board of Trustees
Auburn Township
218 North Main Street
P.O. Box 43
Tiro, Ohio 44887

We have reviewed the *Independent Auditors' Report* of Auburn Township, Crawford County, prepared by Holbrook & Manter, for the audit period January 1, 2006 through December 31, 2007. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

The financial statements in the attached report are presented in accordance with a regulatory basis of accounting prescribed or permitted by the Auditor of State. Due to a February 2, 2005 interpretation from the American Institute of Certified Public Accountants (AICPA), modifications were required to the *Independent Auditors' Report* on your financial statements. While the Auditor of State does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. The attached report includes an opinion relating to GAAP presentation and measurement requirements, but does not imply the statements are misstated under the non-GAAP regulatory basis. The *Independent Auditors' Report* also includes an opinion on the financial statements using the regulatory format the Auditor of State permits.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. Auburn Township is responsible for compliance with these laws and regulations.

INDEPENDENT AUDITORS' REPORT

Board of Trustees
Auburn Township
Crawford County

We have audited the accompanying financial statements of Auburn Township, Union County, Ohio, (the Township) as of and for the years ended December 31, 2007 and 2006. These financial statements are the responsibility of the Township's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As discussed in Note 1, the Township has prepared these financial statements using accounting practices the Auditor of State of Ohio prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and GAAP, we presume they are material.

Instead of the combined funds the accompanying financial statements present for 2007 and 2006, GAAP requires presenting entity wide statements and also to present its larger (i.e. major) funds separately for 2007 and 2006. While the Township does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statements do not substantially conform to the new GAAP presentation requirements. The Auditor of State of Ohio permits, but does not require, governments to reformat their statements. The Township has elected not to reformat its statements. Since the Township does not use GAAP to measure financial statement amounts, the following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State of Ohio permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above for the years ended December 31, 2007 and 2006 do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Township as of December 31, 2007 and 2006, or its changes in financial position for the years then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances and reserve for encumbrances of Auburn Township, Crawford County, as of December 31, 2007 and 2006, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

The Township has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued our report dated August 25, 2008 on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance, and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

**AUBURN TOWNSHIP
CRAWFORD COUNTY**
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2007 AND 2006

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:-

Description of the Entity - Auburn Township, Crawford County, (the Township) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Township is directed by three publicly - elected Trustees. The Township provides road and bridge maintenance, cemetery maintenance, fire protection, and emergency medical services. The Township contracts with the Village of Plymouth to provide emergency medical services.

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

Basis of Accounting - These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State of Ohio, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State of Ohio.

Cash and Investments - Investments are reported as assets. Accordingly, purchases of investments are not recorded as disbursements, and sales of investments are not recorded as receipts. Gains or losses at the time of sale are recorded as receipts or disbursements, respectively.

The Township's investment in STAR Ohio is recorded at share values reported by the Ohio Treasurer of State.

Fund Accounting - The Township uses fund accounting to segregate cash and investments that are restricted as to use. The Township classifies its funds into the following types:

General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required by law or contract to be restricted.

Special Revenue Funds

These funds are used to account for proceeds from specific sources (other than from trusts or for capital projects) that are restricted to expenditure for specific purposes. The Township had the following significant Special Revenue Funds:

Gasoline Tax Fund

This fund receives gasoline tax money for constructing, maintaining, and repairing township roads.

Road and Bridge Fund

This Fund received property tax money for constructing, maintaining and repairing Township roads and bridges.

Fire and Ambulance Fund

This fund receives property tax money to provide ambulance and fire protection services to Township residents.

Debt Service Fund

This fund is used to track principal and interest payments.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2007 AND 2006

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:- (continued)

Capital Projects Fund

This fund is used to account for receipts that are restricted for the acquisition or construction of major capital projects (except for those financed through enterprise or trust funds).

Private Purpose Fund - (classification for 2006 and thereafter)

During 2006, this fund accounts for trust agreements under which principal and income from the trust may only be used for the benefit of the individuals named in the trust.

Budgetary Process - The Ohio Revised Code requires that each fund be budgeted annually.

Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The Crawford County Budget Commission must also approve the annual appropriation measure. Appropriations lapse at year-end. During 2006, the Township's budgetary expenditures exceeded appropriation authority in the Debt Service Fund and the Capital Projects Fund.

Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus cash as of January 1. The Crawford County Budget Commission must also approve estimated resources.

Encumbrances

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when commitments are made. Encumbrances outstanding at year-end are carried over, and need not be re-appropriated.

A summary of 2007 and 2006 budgetary activity appears in Note 3.

Property, Plant and Equipment - Acquisitions of property, plant, and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

NOTE 2 - EQUITY IN POOLED CASH AND INVESTMENTS:-

The Township maintains a cash pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash and investments at December 31 was as follows:

	2007	2006
Demand deposits (checking)	\$ 157,598	\$ 132,909
STAR Ohio	22,474	33,879
Total deposits	\$ 180,072	\$ 166,788

Deposits - The District's deposits are either (1) insured by the Federal Deposit Insurance Corporation or (2) collateralized by securities specifically pledged by the financial institution to the District, or (3) collateralized by the financial institution's public entity deposit pool.

Investments - Investments in STAR Ohio are not evidenced by securities that exist in physical or book entry form.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2007 AND 2006

NOTE 4 - BONDS PAYABLE:-

In 2005, the Township borrowed \$180,000 for the purchase of a new fire truck. The terms of the bond requires eight annual payments beginning in 2006, which include interest at an annual interest rate of 4.25%. During 2007 and 2006, the Township transferred funds from the Fire and Ambulance Fund to the Debt Service Fund to make the payment on the fire truck bond. Beginning in 2008 and for all future payments, the Township has decided to make the payments from the Fire and Ambulance Fund directly. The balance of the bonds payable at December 31, 2007 was \$140,454. Future minimum payments on the bond are as follows:

Year	Amount
2008	\$ 21,936
2009	22,869
2010	23,841
2011	84,854
2012	25,910
2013	<u>27,013</u>
Total scheduled payments	206,423
Less amount representing interest	<u>(5,969)</u>
Principal balance	<u>\$ 200,454</u>

NOTE 5 - PROPERTY TAX:-

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by the Board of Trustees. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to Crawford County by December 31. If the property owner elects to make semiannual payment, the first half is due December 31. The second half payment is due the following June 20.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to Crawford County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

NOTE 6 - RETIREMENT SYSTEMS:-

The Township's employees belong to the Public Employees Retirement System (PERS) of Ohio. PERS is a cost-sharing, multiple-employee plan. This plan provides retirement benefits, including post-retirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 2007 and 2006, PERS members contributed 9.5% and 9.0% of their gross salaries, respectively. The Township contributed an amount equal to 13.85% and 13.70% of participants' gross salaries for 2007 and 2006, respectively. The Township has paid all contributions required through December 31, 2007.

**AUBURN TOWNSHIP
CRAWFORD COUNTY**
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2007 AND 2006

NOTE 7 - RISK POOL MANAGEMENT:-

The Township is exposed to various risks of property and casualty losses, and injuries to employees.

The Township insures against injuries to employees through the Ohio Bureau of Worker's Compensation.

The Township belongs to the Ohio Township Association Risk Management Authority (OTARMA), a risk-sharing pool available to Ohio townships. OTARMA provides property and casualty coverage for its members. OTARMA is a member of the American Public Entity Excess Pool (APEEP). Member governments pay annual contributions to fund OTARMA. OTARMA pays judgments, settlements and other expenses resulting from covered claims that exceed the members' deductibles.

Casualty Coverage - OTARMA retains casualty risks up to \$250,000 per claim, including loss adjustment expenses. OTARMA pays a percentage of its contributions to APEEP. APEEP reinsures claims exceeding \$250,000, up to \$1,750,000 per claim and \$5,000,000 in the aggregate per year. Townships can elect additional coverage, from \$2,000,000 to \$10,000,000 from the General Reinsurance Corporation.

If losses exhaust OTARMA's retained earnings, APEEP covers OTARMA losses up to \$5,000,000 per year, subject to a per-claim limit of \$2,000,000.

Property Coverage - Through 2005, OTARMA retains property risks, including automobile physical damage, up to \$100,000 on any specific loss in any one occurrence. The Travelers Indemnity Company reinsures losses exceeding \$100,000 up to \$500,000,000 per occurrence. APEEP's Guarantee Fund pays losses and loss adjustment expenses exceeding operating contributions.

The aforementioned casualty and property reinsurance agreements do not discharge OTARMA's primary liability for claims payments on covered losses. Claims exceeding coverage limits are the obligation of the respective township.

Financial Position - OTARMA's financial statements (audited by other accountants) are represented to conform with generally accepted accounting principles, and reported the following assets, liabilities and retained earnings at December 31, 2006 and 2005 (the latest information available):

<u>Casualty Coverage</u>	<u>2006</u>	<u>2005</u>
Assets	\$ 32,031,312	\$ 30,485,638
Liabilities	(11,443,952)	(12,344,576)
Retained earnings	\$ 20,587,360	\$ 18,141,062
<u>Property Coverage</u>	<u>2006</u>	<u>2005</u>
Assets	\$ 10,010,963	\$ 9,177,796
Liabilities	(676,709)	(1,406,031)
Retained earnings	\$ 9,334,254	\$ 7,771,765

At December 31, 2006 and 2005, respectively, casualty coverage liabilities noted above include approximately \$10.8 million and \$11.6 million of estimated incurred claims payable. The Casualty Coverage assets and retained earnings above also include approximately \$10.8 million and \$11.6 million of unpaid claims to be billed to approximately 958 member governments in the future, as of December 31, 2006 and 2005, respectively. These amounts will be included in future contributions from members when the related claims are due for payment. The Township's share of these unpaid claims collectible in future years is approximately \$20,016. This payable includes the subsequent year's contribution due if the Township terminates participation, as described in the last paragraph below.

**AUBURN TOWNSHIP
CRAWFORD COUNTY**
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2007 AND 2006

NOTE 7 - RISK POOL MANAGEMENT:- (continued)

Based on discussions with OTARMA, the expected rates OTARMA charges to compute member contributions, which are used to pay claims as they become due, are not expected to change significantly from those used to determine the historical contributions detailed below. By contract, the annual liability of each member is limited to the amount of financial contributions required to be made to OTARMA for each year of membership.

<u>Contributions to OTARMA</u>		
2005	\$	10,433
2006		12,110
2007		10,008

After completing one year of membership, members may withdraw on each anniversary of the date they joined OTARMA provided they give written notice to OTARMA 60 days in advance of the anniversary date. Upon withdrawal, members are eligible for a full or partial refund of their capital contributions, minus the subsequent year's budgetary contribution. Withdrawing members have no other future obligation to the pool. Also upon withdrawal, payments for all casualty claims and claim expenses become the sole responsibility of the withdrawing member, regardless of whether a claim occurred or was reported prior to the withdrawal.

Auburn Township
Crawford County

We have audited the accompanying financial statements of Auburn Township, Crawford County, Ohio (the Township), as of and for the years ended December 31, 2007 and 2006, and have issued our report thereon dated August 25, 2008, wherein we noted the Township had followed accounting practices the Auditor of State of Ohio prescribes rather than accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Auburn Township's internal control over financial reporting as a basis for designing our auditing procedures for expressing our opinions on the financial statements, but not to opine on the effectiveness of the Township's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Auburn Township's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Township's ability to initiate, authorize, record, process, or report financial data reliably in accordance with its applicable accounting basis, such that there is more than a remote likelihood that the Township's internal control will not prevent or detect a more-than-inconsequential financial statement misstatement.

We consider the deficiency described in the accompanying schedule of findings as item 2007-001 to be significant deficiency in internal control over financial reporting.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Township's internal control.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. We believe the significant deficiency described above is not a material weakness.

We also noted certain internal control matters that we reported to the Township's management in a separate letter dated August 25, 2008.

Compliance and other matters

As part of reasonably assuring whether Auburn Township's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instance of noncompliance or other matters we must report under *Government Auditing Standards*.

We did note certain noncompliance or other matters that we reported to the Township's management in a separate letter dated August 25, 2008.

Auburn Township's response to the findings identified in our audit is described in the accompanying schedule of findings. We did not audit Auburn Township's response and, accordingly, we express no opinion on it.

We intended this report solely for the information and use of the management and Township Trustees. It is not intended for anyone other than these specified parties.

Significant Deficiency – Internal Control and Review Procedures

Although the Trustees receive and review a select number of reports from the Fiscal Officer of the Township for approval on a monthly basis, the Township has not established formal procedures to reasonably assure completeness, and accuracy of the monthly reporting. During our testing and analysis, we noted that the Township is not reviewing the numerical check sequence prior to signing the checks. In addition, they are not reviewing the bank statement for proper inclusion of authorized expenditures within the cancelled checks or electronic fund withdraws.

The Township should carefully review this information and make appropriate inquires to help determine the integrity of the financial information. When performing such review, the trustees' signatures or initials and the date should be affixed to the documents examined and it should be noted in the monthly minutes that the trustees' thoroughly reviewed and approved those documents. In addition, we also recommend that the numerical check sequence be noted in the minutes and signed off of by the Trustees each month.

Officials' Response

The Clerk will continue to provide the bank reconciliations and bank statements to the Trustees for their review and approval at each months meeting. The Township will also document and approve the review of those reports and the numerical sequence of the checks within the monthly minutes.
