We have reviewed the *Report of Independent Auditors* of the Cincinnati State Technical and Community College Foundation, Hamilton County, prepared by Crowe Chizek and Company LLC, for the audit period July 1, 2006 through June 30, 2007. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Cincinnati State Technical and Community College Foundation is responsible for compliance with these laws and regulations.

## REPORT OF INDEPENDENT AUDITORS

Board of Directors  
Cincinnati State Technical and Community  
College Foundation  
Cincinnati, Ohio

We have audited the accompanying statement of financial position of Cincinnati State Technical and Community College Foundation (the "Foundation") as of June 30, 2007 and 2006, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of June 30, 2007 and 2006, and the changes in its net assets and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated January 17, 2008, on our consideration of the Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

**NOTE 1 - ORGANIZATION AND GENERAL INFORMATION**

The Cincinnati State Technical and Community College Foundation ("Foundation") was organized to promote and support the programs, services and capital improvement projects of Cincinnati State Technical and Community College ("College") and to solicit, receive, hold, administer and apply funds or other property, raised through gifts, devises, bequests, endowments, and grants for the benefit of the College.

The Foundation is governed by a self-perpetuating Board of Directors whose membership consists of certain ex-officio and other members from the College's Board and management and members (a majority) who are not from the College's Board or employed by the College.

Certain administrative functions related to the Foundation are provided by the College at no cost to the Foundation.

The Internal Revenue Service has ruled that the Foundation is not a private foundation and is exempt from federal income taxes under Internal Revenue Code 501(c) (3).

**NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES**

Financial Statement Presentation: The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with Financial Accounting Standards Board Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*. Under SFAS No. 117, the Foundation is required to report information regarding its financial positions and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Cash and Cash Equivalents: Cash and cash equivalents includes deposits in financial institutions and short-term investments with original maturities of 90 days or less.

Contributions: Contributions to the Foundation are recognized and reported as revenue at fair value upon the earlier of the period in which a pledge becomes unconditional or the period in which the contribution is received. Contributions with donor-imposed restrictions are reported as temporarily or permanently restricted support, while contributions without donor-imposed restrictions are reported as unrestricted support.

Investments: Investments are reported at fair value and consist of pooled investments. The valuation of the investments is based on the quoted market values of the investments held by the pool. The pool primarily invests in large capitalized equities and intermediate duration bonds.

**NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Reclassifications: Some items in the prior year financial statements were reclassified to conform to the current presentation.

**NOTE 3 - NET ASSETS**

Net assets, revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

Unrestricted Net Assets:

General - General unrestricted net assets have no external restrictions as to use or purpose.

Quasi-Endowment Net Assets - Quasi-Endowment net assets are designated by the Board of Directors to be invested as a preservation of gift income and used at a later date when additional needs may arise.

Temporarily Restricted Net Assets:

Temporarily restricted net assets represent net assets received that are restricted as to use as specified by donors or restricted by time. Such net assets were generally restricted as follows at June 30, 2007 and 2006.

	<u>2007</u>	<u>2006</u>
Scholarships and student financial aid	\$ 601,913	\$ 523,014
Program support	<u>480,968</u>	<u>421,066</u>
Total	<u>\$1,082,881</u>	<u>\$ 944,080</u>

---

**NOTE 3 - NET ASSETS (Continued)**

Permanently Restricted Endowment Net Assets:

Endowment net assets are subject to the restrictions of gift instruments requiring in perpetuity that the principle be invested and the income only be utilized in support of scholarships and student financial aid.

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law. Expirations of temporary restrictions on net assets are reported as reclassifications between the applicable classes of net assets.

**NOTE 4 - CONCENTRATIONS OF CREDIT RISK**

The carrying amount of cash and cash equivalents shown in the accompanying financial statements include checking and overnight investment accounts with one local bank that maintains insurance on deposits up to \$100,000 for the years ended June 30, 2007 and 2006. At various times throughout the fiscal year, the Foundation had in excess of \$100,000 on deposit.

**NOTE 5 - PLEDGES RECEIVABLE**

Pledges receivable have been classified as temporarily restricted net assets, as they have restrictions as to use. No allowance for uncollectible pledges is considered necessary. Pledges receivable are due as follows at June 30, 2007:

2008	\$ 34,303
2009	7,132
2010	4,100
2011	1,277
2012	250
Thereafter	<u>1,218</u>
	48,280
Less: present value discount	<u>3,762</u>
Net pledges receivable	<u>\$ 44,518</u>

At June 30, 2006, pledges receivable totaled \$232,277 with a discount of \$3,761 resulting in net pledges receivable of \$228,516.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON  
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS

Board of Trustees  
Cincinnati State Technical and Community  
College Foundation  
and Auditor of State of Ohio  
Cincinnati, Ohio

We have audited the financial statements of Cincinnati State Technical and Community College Foundation (the "Foundation") as of and for the year ended June 30, 2007, and have issued our report thereon dated the same date as this report. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Foundation's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Foundation's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. However, as discussed below, we identified a certain deficiency in internal control over financial reporting that we consider to be a significant deficiency.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Foundation's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the Foundation's financial statements that is more than inconsequential will not be prevented or detected by the Foundation's internal control. We consider the deficiency described in the table below to be a significant deficiency in internal control over financial reporting.

Significant Audit Adjustments	Material Weakness
<b>Observation:</b>	Our audit procedures resulted in the proposal of significant adjusting journal entries to correct the originally prepared financial statements. The adjustments corrected the initial accounting for transactions between the Foundation and Cincinnati State Technical and Community College.
<b>Recommendation:</b>	We recommend that the Foundation review its internal controls over financial reporting and make the appropriate changes to ensure that the financial information and transactions recorded by the Foundation including all transactions with the College are accurate.
<b>Management's Response:</b>	This particular fund transfer to the College was a one time occurrence and we recognized the difficulties the transfer presented.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Foundation's internal control.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. However, we consider the significant deficiency in the table above to be a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Foundation's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no

instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Cincinnati State Technical and Community College Foundation's response to the finding identified in our audit is described in the aforementioned table. We did not audit the Foundation's response and, accordingly, we express no opinion on it.

We noted certain matters that we reported to management of the Foundation in a separate letter dated January 17, 2008.

This report is intended solely for the information and use of the Board of Directors, management, federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
