Mary Taylor, CPA

Auditor of State

Board of Directors
Goal Digital Community School
145 1/2 N. Cherry Street
Mount Gilead, Ohio 43338

We have reviewed the *Independent Auditor's Report* of the Goal Digital Community School, Morrow County, prepared by Julian & Grube, Inc., for the audit period July 1, 2006 through June 30, 2007. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Goal Digital Community School is responsible for compliance with these laws and regulations.

Independent Auditor's Report

Board of Directors
GOAL Digital Academy Community School
145 ½ N. Cherry Street
Mount Gilead, Ohio 43338

We have audited the accompanying financial statements of GOAL Digital Academy Community School, Morrow County, Ohio, (a component unit of Mt. Gilead Exempted Village School District), as of and for the fiscal year ended June 30, 2007, which collectively comprise GOAL Digital Academy Community School's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Academy's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of GOAL Digital Academy Community School, as of June 30, 2007, and the changes in financial position and its cash flows for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated December 3, 2007, on our consideration of GOAL Digital Academy Community School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Independent Auditor's Report
GOAL Digital Academy Community School
Page Two

The management's discussion and analysis is not a required part of the basic financial statements but is supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED JUNE 30, 2007
(UNAUDITED)

The management's discussion and analysis of The GOAL Digital Academy Community School's (the "GDA") financial performance provides an overall review of the GDA's financial activities for the fiscal year ended June 30, 2007. The intent of this discussion and analysis is to look at the GDA's financial performance as a whole; readers should also review the notes to the basic financial statements and financial statements to enhance their understanding of the GDA's financial performance.

Financial Highlights

Key financial highlights for 2007 are as follows:

- In total, net assets were \$404,995 at June 30, 2007.
- The GDA had operating revenues of \$982,459 and operating expenses of \$922,498 for fiscal year 2007. Operating income and the change in net assets for the fiscal year was \$59,961 and \$116,482, respectively.

Using these Basic Financial Statements

This annual report consists of a series of financial statements and notes to those statements. These statements are organized so the reader can understand the GDA's financial activities. The *Statement of Net Assets* and *Statement of Revenues, Expense and Changes in Net Assets* provide information about the activities of the GDA, including all short-term and long-term financial resources and obligations.

Reporting the GDA Financial Activities

Statement of Net Assets, Statement of Revenues, Expenses, and Changes in Net Assets and the Statement of Cash Flows

These documents look at all financial transactions and ask the question, "How did we do financially during 2007?" The Statement of Net Assets and the Statement of Revenues, Expenses and Changes in Net Assets answer this question. These statements include *all assets, liabilities, revenues and expenses* using the *accrual basis of accounting* similar to the accounting used by most private-sector companies. This basis of accounting will take into account all of the current year's revenues and expenses regardless of when cash is received or paid.

These two statements report the GDA's *net assets* and changes in those assets. This change in net assets is important because it tells the reader that, for the GDA as a whole, the *financial position* of the GDA has improved or diminished. The causes of this change may be the result of many factors, some financial, some not.

(A Component Unit of Mt. Gilead Exempted Village School District)
MORROW COUNTY, OHIO

MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED JUNE 30, 2007
(UNAUDITED)

The table below provides a summary of the GDA's net assets for 2007 and 2006.

Net Assets

	<u>2007</u>	<u>2006</u>
<u>Assets</u>		
Current assets	\$ 331,309	\$ 165,596
Capital assets, net	<u>178,901</u>	<u>150,961</u>
Total assets	<u>510,210</u>	<u>316,557</u>
<u>Liabilities</u>		
Liabilities	<u>105,215</u>	<u>28,044</u>
Total liabilities	<u>105,215</u>	<u>28,044</u>
<u>Net Assets</u>		
Invested in capital assets	178,901	150,961
Restricted	12,928	1,898
Unrestricted	<u>213,166</u>	<u>135,654</u>
Total net assets	<u>\$ 404,995</u>	<u>\$ 288,513</u>

Over time, net assets can serve as a useful indicator of a government's financial position. At June 30, 2007, the GDA's net assets totaled \$404,995, a 40.37% increase over fiscal 2006.

At year-end, capital assets represented 35.06% of total assets. Capital assets consisted of furniture and equipment. There is no debt related to these capital assets. Capital assets are used to provide services to the students and are not available for future spending.

The table below provides a summary of the GDA's net assets, liabilities and assets for 2007 and 2006.

MANAGEMENT'S DISCUSSION AND ANALYSIS
 FOR THE FISCAL YEAR ENDED JUNE 30, 2007
 (UNAUDITED)

Capital Assets

At June 30, 2007, the GDA had \$178,901 invested in furniture and equipment. See Note 4 to the basic financial statements for more detail on capital assets.

Current Financial Related Activities

The GDA is a conversion community school sponsored by the Mt. Gilead Exempted Village School District. The sponsorship currently runs through 2007. It is anticipated that this sponsorship will be renewed.

Contrary to most traditional schools the GDA is a less labor-intensive endeavor. Also, unlike traditional schools, a community school cannot levy any taxes and must survive on state revenues and donations. At this time the GDA relies solely on State funding for their resources. There are no immediate financial concerns outside of controlling health insurance premiums and utility costs. That being stated, the GDA's five-year forecast is very healthy and no budgetary cuts, nor additional resources outside of the State, are projected in the upcoming five-years.

The GDA is committed to operating within its financial means, and to working with the local community and agencies it serves to provide the required educational programs for these students.

Contacting the GDA Treasurer

This financial report is designed to provide citizens, taxpayers, investors and creditors with a general overview of the GDA's finances and to show the GDA's accountability for the resources it receives. If you have any questions, or concerns, about this report or need additional financial information, contact Steve Earnest, Treasurer, at GOAL Digital Academy, 890 West Fourth Street, Suite 100, Mansfield, Ohio 44906.

(A Component Unit of Mt. Gilead Exempted Village School District)
MORROW COUNTY, OHIO

NOTES TO BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2007

NOTE 1 - DESCRIPTION OF THE SCHOOL

The GOAL Digital Academy Community School (the "GDA") is a nonprofit corporation established pursuant to Ohio Revised Code Chapters 3314 and 1702. The GDA is an approved tax-exempt organization under Section 501 (c)(3) of the Internal Revenue Code. Management is not aware of any course of action or series of events that have occurred that might adversely affect their tax exempt status. The GDA's objective is to deliver a comprehensive educational program of high quality, tied to state and national standards, which can be delivered to students in the K - 12 population entirely through distance learning technologies. It is to be operated in cooperation with the Mount Gilead Exempted Village School District to provide an innovative and cost-effective solution to the special problems of disabled students, students removed from school for disciplinary reasons, students needing advanced or specialized courses which are not available locally, and other, including home-schooled students who are not currently enrolled in any public school and who are not receiving a meaningful, comprehensive, and standards-based educational program. The GDA, which is part of the state's education program, is nonsectarian in its programs, admissions policies, employment practices, and all other operations. The GDA may acquire facilities as needed and contract for any services necessary for the operation of the school.

The GDA was certified by the State of Ohio Secretary of State as a non-profit organization on April 23, 2002. The GDA was approved for operation under a contract with the Mount Gilead Exempted Village School District (the "Sponsor") for a five year period commencing September 4, 2002. The Sponsor is responsible for evaluating the performance of the GDA and has the authority to deny renewal of the contract at its expiration.

The GDA operates under the direction of a seven-member Board of Directors made up of members appointed by the Mount Gilead Exempted Village School District Board of Education; therefore, GDA is a component of Mount Gilead Exempted Village School District. The Board of Directors consists of the Mount Gilead Exempted Village School District superintendent and treasurer, the Director of the Tomorrow Center, the technology director, a teacher/director, and two board members appointed by the Mount Gilead Exempted Village School District's Board of Education. The treasurer and any members of the Mount Gilead Exempted Village School District's Board of Education that may be appointed shall be a non-voting ex officio member of GDA's Board of Directors. The Board of Directors is responsible for carrying out the provisions of the contract which include, but are not limited to, state-mandated provisions regarding student population, curriculum, academic goals, performance standards, admission standards, and qualifications of teachers. The Superintendent of Mount Gilead Exempted Village School District is the Chief Administrative Officer of GDA and the Treasurer of the Mid-Ohio Educational Service Center is the Chief Financial Officer.

The GDA has developed a cooperative arrangement with the Sponsor.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The basic financial statements (BFS) of the GDA have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The GDA also applies Financial Accounting Standards Board (FASB) Statements and Interpretations issued prior to November 30, 1989, provided those pronouncements do not conflict with or contradict GASB pronouncements. The GDA has elected not to apply FASB Statements and Interpretations issued after November 30, 1989. The GDA's significant accounting policies are described below.

GOAL DIGITAL ACADEMY COMMUNITY SCHOOL
(A Component Unit of Mt. Gilead Exempted Village School District)
MORROW COUNTY, OHIO

NOTES TO BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2007

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

A. Basis of Presentation

Enterprise accounting is used to account for operations that are financed and operated in a manner similar to private business enterprises and focuses in the determination of operating income, changes in net assets, financial position, and cash flows. Enterprise accounting may be used to account for any activity for which a fee is charged to external users for goods or services.

B. Measurement Focus and Basis of Accounting

Enterprise accounting uses a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities are included on the balance sheet. Operating statements present increases (i.e., revenues) and decreases (i.e., expenses) in net total assets. Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made. The accrual basis of accounting is utilized for reporting purposes. Revenues are recognized when they are earned, and expenses are recognized when they are incurred.

C. Budgetary Process

Unlike other public schools located in the State of Ohio, community schools are not required to follow budgetary provisions set forth in Ohio Revised Code Section 5705, unless specifically provided in the School's contract with its Sponsor. The contract between the GDA and its Sponsor requires a detailed school budget for each year of the contract; however, the budget does not have to follow the provisions of Ohio Revised Code Section 5705.

D. Cash

All monies received by the GDA are deposited in a demand deposit account.

E. Capital Assets and Depreciation

All capital assets are capitalized at cost and updated for additions and reductions during the year. Donated capital assets are recorded at their fair market value on the date donated. The GDA maintains a capitalization threshold of \$500 for nontechnical and nonaudiovisual equipment and \$200 for technical and audiovisual equipment. The GDA does not have any infrastructure. Improvements are capitalized. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset's life are not capitalized.

All capital assets are depreciated. Improvements are depreciated over the remaining useful lives of the related capital assets. Depreciation is computed using the straight-line method. Equipment is depreciated over five to fifteen years.

F. Operating Revenues and Expenses

Operating revenues are those revenues that are generated directly from the primary activity of the GDA. Operating expenses are necessary costs incurred to provide the service that is the primary activity of the GDA. All revenues and expenses not meeting this definition are reported as non-operating.

GOAL DIGITAL ACADEMY COMMUNITY SCHOOL
(A Component Unit of Mt. Gilead Exempted Village School District)
MORROW COUNTY, OHIO

NOTES TO BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2007

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

G. Net Assets

Net assets represent the difference between assets and liabilities. Net assets invested in capital assets, consists of capital assets, net of accumulated depreciation. Net assets are reported as restricted when there are limitations imposed on their use through external restrictions imposed by creditors, grantors or laws or regulations of other governments.

The GDA applies restricted resources first when an expense is incurred for purposes for which both restricted and unrestricted net assets are available.

H. Intergovernmental Revenue

The GDA currently participates in the State Foundation Program, the Federal Charter School Grant Program through the Ohio Department of Education, the State Community School Grant, and the State Disadvantaged Pupil Impact Aid (DPIA) Program. Revenues received from these programs are recognized as operating revenues in the accompanying financial statements. Grants and entitlements are recognized as non-operating revenues in the accounting period in which all eligibility requirements have been met. Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the fiscal year when use is permitted, matching requirements, in which the School must provide local resources to be used for a specified purpose, and expenditure requirements, in which the resources are provided to the School on a reimbursement basis.

I. Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

NOTE 3 - DEPOSITS AND INVESTMENTS

Deposits with Financial Institutions

At June 30, 2007, the carrying amount of all GDA deposits was \$331,309. Based on the criteria described in GASB Statement No. 40, "Deposits and Investment Risk Disclosures", as of June 30, 2007, \$100,000 of the School's bank balance of \$564,439 was covered by Federal Deposit Insurance Corporation, while \$464,439 was exposed to custodial risk as discussed below.

Custodial credit risk is the risk that, in the event of bank failure, the GDA's deposits may not be returned. All deposits are collateralized with eligible securities in amounts equal to at least 105% of the carrying value of the deposits. Such collateral, as permitted by the Ohio Revised Code, is held in single financial institution collateral pools at Federal Reserve Banks, or at member banks of the federal reserve system, in the name of the respective depository bank and pledged as a pool of collateral against all of the public deposits it holds or as specific collateral held at the Federal Reserve Bank in the name of the GDA.

GOAL DIGITAL ACADEMY COMMUNITY SCHOOL
(A Component Unit of Mt. Gilead Exempted Village School District)
MORROW COUNTY, OHIO

NOTES TO BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2007

NOTE 4 - CAPITAL ASSETS

A summary of capital assets at June 30, 2007 follows:

	Balance <u>6/30/06</u>	<u>Additions</u>	<u>Disposals</u>	Balance <u>6/30/07</u>
Furniture and equipment	\$ 208,012	\$ 75,599	\$ -	\$ 283,611
Less: accumulated depreciation	<u>(57,051)</u>	<u>(47,659)</u>	<u>-</u>	<u>(104,710)</u>
Net fixed assets	<u>\$ 150,961</u>	<u>\$ 27,940</u>	<u>\$ -</u>	<u>\$ 178,901</u>

NOTE 5 - RISK MANAGEMENT

The GDA is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. On February 1, 2003, the GDA was named as an additional insured party on Mt. Gilead Exempted Village School District's, the Sponsor, insurance policy with Indiana Insurance for general liability insurance and property insurance. The entire risk of loss; less any deductibles, transfers to the commercial carrier. The following limits and deductibles are in aggregate for both GDA and the Sponsor. Indiana Insurance provides general liability coverage. The general liability coverage insures up to \$1,000,000 each occurrence and \$2,000,000 aggregate.

Settled claims have not exceeded commercial insurance coverage for fiscal year 2007 and there has been no reduction in insurance coverage from the previous year.

Indiana Insurance provides property, crime, and equipment breakdown insurance coverage. The property coverage insures up to a blanket limit of \$28,647,325 with a \$2,500 deductible, commercial crime covers up to \$25,000. The limits and deductibles stated above are in aggregate for both GDA and the sponsor.

NOTE 6 - CONTINGENCIES

A. Grants

The GDA received financial assistance from federal and state agencies in the form of grants. The expenditure of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and are subject to audit by the grantor agencies. Any disallowed claims resulting from such audits could become a liability. However in the opinion of management, any such disallowed claims will not have a material adverse effect on the overall financial position of the GDA at June 30, 2007.

B. State Foundation Funding

The Ohio Department of Education conducts review of enrollment data and full-time equivalency (FTE) calculations made by the schools. These reviews are conducted to ensure the schools are reporting accurate student enrollment data to the state, upon which state foundation funding is calculated. The GDA did not have any significant adjustments to state funding for fiscal year 2007, as a result of the reviews which have been completed. The GDA anticipates no adjustments to state funding for fiscal year 2008.

GOAL DIGITAL ACADEMY COMMUNITY SCHOOL
(A Component Unit of Mt. Gilead Exempted Village School District)
MORROW COUNTY, OHIO

NOTES TO BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2007

NOTE 6 - CONTINGENCIES - (Continued)

C. Litigation

A lawsuit entitled *Beverly Blount-Hill, et al. v. State of Ohio, et al.*, Case #: 3:04CV197 was filed in the U.S. District Court, Southern District of Ohio, Western Division in October 2004. The suit alleges that the funding provisions of the Ohio Community Schools Act, O.R.C. Section 3314, violate both the Ohio and Federal constitutions. If the funding scheme is determined to be unconstitutional, it could have financial ramifications for all community/charter schools. The case is currently pending, and the effect of this suit, if any, on the GDA cannot presently be determined.

NOTE 7 - SERVICE CONTRACT

The Mount Gilead Exempted Village School District and GDA entered into a service contract agreement. This agreement states that GDA will contract for educational services from the Mount Gilead Exempted Village School District Board of Education and reimburse the Board of Education for these services. The Mount Gilead Exempted Village School District agreed to provide the requested services and receive reimbursement from the GDA pursuant to Ohio Revised Code Section 3317.11.

Mount Gilead Exempted Village School District's Board of Education agreed to provide the following services for GDA:

1. Instructional services for all grade levels.
2. Collaboration for staff development programs for certified and non-certified staff.
3. Planning and consultative services for curriculum development.
4. Psychological services as needed for re-evaluations and initial multi-factored evaluations.
5. Fiscal services including payroll, retirement, and insurance.
6. Student services including E.M.I.S., Nursing, Speech, Guidance, and Therapy.
7. Classroom space and administrative services.
8. Custodial services.
9. Supervision/Director services.
10. Technology support.

The Mount Gilead Board of Education acts as the fiscal agent for the service agreement described above. As fiscal agent, the Board of Education shall enter into employment contracts with each certified teacher/administrator/aid whose services are to be shared with Mount Gilead Exempted Village School District. Other services may be provided based on mutual consent of both GDA and the Mount Gilead Exempted Village School District.

GOAL DIGITAL ACADEMY COMMUNITY SCHOOL
(A Component Unit of Mt. Gilead Exempted Village School District)
MORROW COUNTY, OHIO

NOTES TO BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2007

NOTE 8 - CONTRACT SERVICES

For fiscal year ended June 30, 2007, contract services expenses were as follows:

Purchased services/adminstrative services	\$ 600,121
Utility expenses	38,062
Travel and meetings	10,001
Other purchased services	<u>128,738</u>
Total contract services	<u>\$ 776,922</u>

The above transactions are related party transactions since these services are purchased through the Sponsor, Mount Gilead Exempted Village School District as described in Note 7.

NOTE 9 - PENSION PLANS

The GDA has contracted with its Sponsor to provide employee services and pay those employees. However, these contract services do not relieve the GDA of the obligation for remitting pension contributions. The retirement systems consider the GDA as the Employer-of-Record and the GDA ultimately responsible for remitting contributions to each of the systems noted below:

A. School Employees Retirement System

The GDA contributes to the School Employees Retirement System (SERS), a cost-sharing multiple employer defined benefit pension plan. SERS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Authority to establish and amend benefits is provided by Chapter 3309 of the Ohio Revised Code. SERS issues a publicly available, stand-alone financial report that includes financial statements and required supplementary information. That report may be obtained by writing to the School Employees Retirement System, 300 East Broad Street, Suite 100, Columbus, Ohio 43215-3746 or by calling (800) 878-5853. It is also posted on SERS' website, www.ohsers.org, under Forms and Publications.

Plan members are required to contribute 10 percent of their annual covered salary and the GDA is required to contribute at an actuarially determined rate. The current GDA rate is 14 percent of annual covered payroll. A portion of the GDA's contribution is used to fund pension obligations with the remainder being used to fund health care benefits; for fiscal year 2007, 10.68 percent of annual covered salary was the portion used to fund pension obligations. For fiscal year 2006, 10.58 percent of annual covered salary was the portion used to fund pension obligations. For fiscal year 2005, 10.57 percent of annual covered salary was the portion used to fund pension obligations. The contribution requirements of plan members and employers are established and may be amended, up to statutory maximum amounts, by the SERS' Retirement Board. The GDA's required contribution for pension obligations to SERS for fiscal year ended 2007 were paid by the GDA's Sponsor.

B. State Teachers Retirement System

The District participates in the State Teachers Retirement System of Ohio (STRS Ohio), a cost-sharing, multiple-employer public employee retirement system. STRS Ohio provides retirement and disability benefits to members and death and survivor benefits to beneficiaries. STRS Ohio issues a stand-alone financial report that may be obtained by writing to STRS Ohio, 275 E. Broad St., Columbus, OH 43215-3371, or by calling (614) 227-4090, or by visiting the STRS Ohio website at www.strsoh.org.

FOR THE FISCAL YEAR ENDED JUNE 30, 2007

NOTE 9 - PENSION PLANS - (Continued)

New members have a choice of three retirement plans, a Defined Benefit (DB) Plan, a Defined Contribution (DC) Plan and a Combined Plan. The DB plan offers an annual retirement allowance based on final average salary times a percentage that varies based on years of service, or an allowance based on member contributions and earned interest matched by STRS Ohio funds times an actuarially determined annuity factor. The DC Plan allows members to place all their member contributions and employer contributions equal to 10.5 percent of earned compensation into an investment account. Investment decisions are made by the member. A member is eligible to receive a retirement benefit at age 50 and termination of employment. The Combined Plan offers features of both the DC Plan and the DB Plan. In the Combined Plan, member contributions are invested by the member, and employer contributions are used to fund the defined benefit payment at a reduced level from the regular DB Plan. DC and Combined Plan members will transfer to the Defined Benefit Plan during their fifth year of membership unless they permanently select the DC or Combined Plan. Existing members with less than five years of service credit as of June 30, 2001, were given the option of making a one time irrevocable decision to transfer their account balances from the existing DB Plan into the DC Plan or the Combined Plan. This option expired on December 31, 2001. Benefits are established by Chapter 3307 of the Ohio Revised Code.

A DB or Combined Plan member with five or more years credited service who becomes disabled may qualify for a disability benefit. Eligible spouses and dependents of these active members who die before retirement may qualify for survivor benefits. Members in the DC Plan who become disabled are entitled only to their account balance. If a member dies before retirement benefits begin, the member's designated beneficiary is entitled to receive the member's account balance.

For the fiscal year ended June 30, 2007, plan members were required to contribute 10 percent of their annual covered salaries. The GDA was required to contribute 14 percent; 13 percent was the portion used to fund pension obligations. Contribution rates are established by the State Teachers Retirement Board, upon recommendation of its consulting actuary, not to exceed statutory maximum rates of 10 percent for members and 14 percent for employers. Chapter 3307 of the Ohio Revised Code provides statutory authority for member and employer contributions. The GDA's required contributions for fund pension obligations to STRS Ohio for the fiscal year ended June 30, 2007 were paid by the GDA's Sponsor.

NOTE 10 - POSTEMPLOYMENT BENEFITS

The GDA provides comprehensive health care benefits to retired teachers and their dependents through the State Teachers Retirement System of Ohio (STRS Ohio), and to retired non-certified employees and their dependents through the School Employees Retirement System (SERS). Benefits include hospitalization, physicians' fees, prescription drugs and reimbursement of monthly Medicare premiums. Benefit provisions and the obligations to contribute are established by the Systems based on authority granted by State statute. Both systems are funded on a pay-as-you-go basis.

MORROW COUNTY, OHIO

NOTES TO BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2007

NOTE 10 - POSTEMPLOYMENT BENEFITS - (Continued)

All STRS Ohio retirees who participated in the DB or combined plans and their dependents are eligible for health care coverage. The STRS Ohio Board has statutory authority over how much, if any, of the health care costs will be absorbed by STRS Ohio. All benefit recipients pay a portion of health care cost in the form of a monthly premium. By law, the cost of coverage paid from STRS Ohio funds is included in the employer contribution rate, currently 14 percent of covered payroll. For the fiscal year ended June 30, 2007, the STRS Ohio Board allocated employer contributions equal to 1 percent of covered payroll to the Health Care Reserve Fund.

STRS Ohio pays health care benefits from the Health Care Stabilization Fund. At June 30, 2006 (the latest information available), the balance in the Health Care Stabilization Fund was \$3.5 billion. For the fiscal year ended June 30, 2006 (the latest information available), net health care costs paid by STRS Ohio were \$282.743 million and STRS Ohio had 119,184 eligible benefit recipients.

For SERS, coverage is made available to service retirees with ten or more fiscal years of qualifying service credit, and to disability and survivor benefit recipients. All retirees and beneficiaries are required to pay a portion of their premium for health care. The portion is based on years of service, Medicare eligibility, and retirement status.

After the allocation for basic benefits, the remainder of the employer's 14 percent contribution is allocated to providing health care benefits. For the fiscal year ended June 30, 2007, employer contributions to fund health care benefits were 3.32 percent of covered payroll, a decrease of .10 percent from fiscal year 2006. In addition, SERS levies a surcharge to fund health care benefits equal to 14 percent of the difference between a minimum pay and the member's pay, pro-rated for partial service credit. For fiscal year 2007, the minimum pay was established at \$35,800. Total surcharge is capped at 2 percent of each employer's SERS salaries.

The surcharge, added to the unallocated portion of the 14 percent employer contribution rate, provides for maintenance of the asset target level for the health care fund. The target level for the health care reserve is 150 percent of the projected claims less premium contributions for the next year. Expenses for health care for the fiscal year ended June 30, 2006 (the latest information available) were \$158.751 million. At June 30, 2006 (the latest information available), SERS had net assets available for payment of health care benefits of \$295.6 million. At June 30, 2006 (the latest information available), SERS had 59,492 participants currently receiving health care benefits.

NOTE 11 - RELATED PARTY TRANSACTIONS

The GDA is a component unit of the Sponsor (Mt. Gilead Exempted Village School District). The GDA and the Sponsor entered into a five-year sponsorship agreement on September 4, 2002, whereby terms of the sponsorship agreement were established.

In the fiscal year 2007, payments were made by the GDA to the Sponsor totaling \$202,587. These represent payments for reimbursements for services provided by the Sponsor to the GDA. Also, at fiscal year end, the GDA had an outstanding payable to the Sponsor, in the amount of \$76,032, reported in the statement of net assets as "due to primary government".

NOTE 12 - SUBSEQUENT EVENT

Effective July 31, 2007, Steve Earnest was appointed Treasurer.

**Report on Internal Control Over Financial Reporting and on Compliance
and Other Matters Based on an Audit of Financial Statements
Performed in Accordance With *Government Auditing Standards***

Board of Directors
GOAL Digital Academy Community School
145 ½ N. Cherry Street
Mount Gilead, Ohio 43338

We have audited the financial statements of the GOAL Digital Academy Community School, Morrow County, Ohio, (a component unit of Mt. Gilead Exempted Village School District), as of and for the fiscal year ended June 30, 2007, which collectively comprise GOAL Digital Academy Community School's basic financial statements and have issued our report thereon dated December 3, 2007. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered GOAL Digital Academy Community School's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of GOAL Digital Academy Community School's internal control over financial reporting. Accordingly we do not express an opinion on the effectiveness of GOAL Digital Academy Community School's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. However, as discussed below, we identified a certain deficiency in internal control over financial reporting that we consider to be a significant deficiency.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects GOAL Digital Academy Community School's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of GOAL Digital Academy Community School's financial statements that is more than inconsequential will not be prevented or detected by GOAL Digital Academy Community School's internal control. We consider the deficiency described in the accompanying schedule of findings and responses as 2007-GDA-001 to be a significant deficiency in internal control over financial reporting.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by GOAL Digital Academy Community School's internal control.

Board of Directors
GOAL Digital Academy Community School

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. However, we believe that the significant deficiency described above is a material weakness.

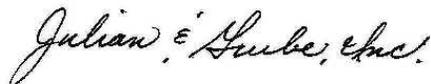

Compliance and Other Matters

As part of obtaining reasonable assurance about whether GOAL Digital Academy Community School's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted a certain matter that we reported to the management of GOAL Digital Academy Community School in a separate letter dated December 3, 2007.

Goal Digital Academy Community School's response to the finding identified in our audit is described in the accompanying schedule of findings and responses. We did not audit Goal Digital Academy Community School's response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of the management and Board of Directors of GOAL Digital Academy Community School and is not intended to be and should not be used by anyone other than these specified parties.

MORROW COUNTY, OHIO

SCHEDULE OF FINDINGS & RESPONSES
JUNE 30, 2007

FINDING RELATED TO THE BASIC FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS	
Finding Number	2007-GDA-001

Significant Deficiency/Material Weakness - General Fund and Due to Other Governments

During the course of our audit, we identified a material misstatement in the financial statements for the fiscal year under audit that were not initially identified by the GDA's internal control. An audit adjustment was necessary to correct an error on the GDA's financial statements. A description of the material adjustment follows:

Adjustment Due to Other Governments - An audit adjustment was necessary to properly record a payable. Expenditures and Due to Other Governments were understated in the financial statements by \$29,183.

Client Response: Management concurs with the finding/adjustment and will attempt to record and identify transactions properly in accordance with accounting principles generally accepted in the United States of America.
