Mary Taylor, CPA
Auditor of State

Stark County Regional Planning Commission
Stark County
201 3rd Street N.E., Suite 201
Canton, Ohio 44702

To the Regional Planning Commission:

As you are aware, the Auditor of State's Office (AOS) must modify the *Independent Accountants' Report* we provide on your financial statements due to an interpretation from the American Institute of Certified Public Accountants (AICPA). While AOS does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. Our Report includes an adverse opinion relating to GAAP presentation and measurement requirements, but does not imply the amounts the statements present are misstated under the non-GAAP basis you follow. The AOS report also includes an opinion on the financial statements you prepared using the cash basis and financial statement format the AOS permits.

INDEPENDENT ACCOUNTANTS' REPORT

Stark County Regional Planning Commission
Stark County
201 3rd Street N.E., Suite 201
Canton, Ohio 44702

To the Regional Planning Commission:

We have audited the accompanying financial statements of the Stark County Regional Planning Commission, Stark County, Ohio, (the Commission) as of and for the year ended December 31, 2007. These financial statements are the responsibility of the Commission's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Commission has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and GAAP, we presume they are material.

Instead of the combined funds the accompanying financial statements present, GAAP require presenting entity wide statements and also presenting the Commission's larger (i.e. major) funds separately. While the Commission does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statements do not substantially conform to GAAP presentation requirements. The Auditor of State permits, but does not require Commissions to reformat their statements. The Commission has elected not to follow GAAP statement formatting requirements. The following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

Stark County Regional Planning Commission
Stark County
Independent Accountants' Report on Internal Control Over
Financial Reporting and on Compliance and Other Matters
Required by *Government Auditing Standards*
Page 2

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above for the year ended December 31, 2007 do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Commission as of December 31, 2007, or its changes in financial position for the years then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances of the Stark County Regional Planning Commission, Stark County, as of December 31, 2007, and its combined cash receipts and disbursements for the year then ended on the accounting basis Note 1 describes.

The Commission has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued our report dated August 5, 2008, on our consideration of the Commission's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance, and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

STARK COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2007**

1. Summary of Significant Accounting Policies

A. Description of the Entity

The constitution and laws of the State of Ohio establish the rights and privileges for the Stark County Regional Planning Commission, Stark County, (the Commission) as a body corporate and politic. An eighty-eight (88) member, including alternates, Board governs the Commission. The Board consists of representatives from participating political subdivisions, the county commissioners, and appointed citizens. The Commission formulates and reviews plans affecting long and short term social, economic, and governmental development within the region. The participating subdivisions are:

City of Alliance	City of Canton	City of Canal Fulton
City of Louisville	City of Massillon	City of North Canton
Stark County	Canton Township	Jackson Township
Lake Township	Lexington Township	Marlboro Township
Nimishillen Township	Osnaburg Township	Pike Township
Plain Township	Sandy Township	Washington Township
Village of Beach City	Village of Brewster	Village of East Canton
Village of East Sparta	Village of Hartville	Village of Hills and Dales
Village of Limaville	Village of Magnolia	Village of Meyers Lake
Village of Minerva	Village of Navarre	Village of Waynesburg
	Village of Wilmot	

The Commission's management believes these financial statements present all activities for which the Commission is financially accountable.

B. Accounting Basis

These financial statements follow the accounting basis the Auditor of State prescribes or permits. This basis is similar to the cash receipts and disbursements accounting basis. The Commission recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the Auditor of State prescribes or permits.

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2007
(Continued)**

1. Summary of Significant Accounting Policies (Continued)

C. Cash and Investments

As the Ohio Revised Code permits, the Stark County Treasurer holds the Commission's cash as the Commission's custodian. The County holds the Commission's assets in its investment pool, valued at the Treasurer's reported carrying amount.

D. Fund Accounting

The Commission uses fund accounting to segregate cash and investments that are restricted as to use. The Commission classifies its funds into the following types:

1. General Fund

The General Fund reports all financial resources except those required to be accounted for in another fund.

2. Special Revenue Fund

This fund accounts for proceeds from specific sources (other than from private-purpose trusts or for capital projects) that are restricted to expenditure for specific purposes. The Commission had the following significant Special Revenue Fund:

Geographic Information System Fund – This fund received monies from the Stark County Auditor, Stark County Sanitary Engineer and Stark County Area Transportation Study which is used for preparation work, digital photography and flying aerials.

E. Property, Plant, and Equipment

The Commission records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

F. Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

2. Retirement System

The Commission's employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2007, OPERS members contributed 9.5% of their gross salaries and the Commission contributed an amount equaling 13.85% of participants' gross salaries. The Commission has paid all contributions required through December 31, 2007.

**STARK COUNTY REGIONAL PLANNING COMMISSION
STARK COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2007
(Continued)**

3. Risk Management

Commercial Insurance

The Commission has obtained commercial insurance for the following risks:

- Comprehensive property and general liability;
- Vehicles;
- Inland Marine; and
- Commercial Crime.

Health Insurance

The Commission is also insured for employee health insurance through Stark County. The County has elected to provide benefits through a self-insured program. The maintenance of these benefits is accounted for in the County's self-insurance internal service fund. An excess coverage insurance (stop loss) policy covers annual claims in excess of \$150,000 per individual and \$15,706,278 for the County as a whole. Incurred but not reported claims of \$679,805 have been accrued as a liability on the County's December 31, 2007 financial statements.

4. Contingent Liabilities

Amounts grantor agencies pay to the Commission are subject to audit and adjustment by the grantor, principally the federal government. The grantor may require refunding any disallowed costs. Management cannot presently determine amounts grantors may disallow. However, based on prior experience, management believes any refunds would be immaterial.

Auditor of State

INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

Stark County Regional Planning Commission
Stark County
201 3rd Street N.E., Suite 201
Canton, Ohio 44702

To the Regional Planning Commission:

We have audited the financial statements of the Stark County Regional Planning Commission, Stark County, Ohio, (the Commission) as of and for the year ended December 31, 2007, and have issued our report thereon dated August 5, 2008, wherein we noted the Commission followed accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Commission's internal control over financial reporting as a basis for designing our audit procedures for expressing our opinion on the financial statements, but not to opine on the effectiveness of the Commission's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Commission's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Commission's ability to initiate, authorize, record, process, or report financial data reliably in accordance with its applicable accounting basis, such that there is more than a remote likelihood that the Commission's internal control will not prevent or detect a more-than-inconsequential financial statement misstatement.

A material weakness is a significant deficiency, or combination of significant deficiencies resulting in more than a remote likelihood that the Commission's internal control will not prevent or detect a material financial statement misstatement.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all internal control deficiencies that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider material weaknesses, as defined above.

We noted a certain matter that we reported to the Commission's management in a separate letter dated August 5, 2008.

Compliance and Other Matters

As part of reasonably assuring whether the Commission's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

We did note a certain noncompliance or other matter that we reported to the Commission's management in a separate letter dated August 5, 2008.

We intend this report solely for the information and use of the audit committee, management, and the Commission Board Members. We intend it for no one other than these specified parties.
