INDEPENDENT ACCOUNTANTS' REPORT

TRECA Digital Academy
Marion County
2222 Marion Mt. Gilead Road
Marion, Ohio 43302

To the Board of Directors:

We have audited the accompanying basic financial statements of the TRECA Digital Academy, Marion County, Ohio (the Academy), a component unit of Tri-Rivers Educational Computer Association, as of and for the year ended June 30, 2007, as listed in the table of contents. These financial statements are the responsibility of the Academy's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the TRECA Digital Academy, Marion County, Ohio, as of June 30, 2007, and the changes in its financial position and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated March 7, 2008, on our consideration of the Academy's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

Management's Discussion and Analysis is not a required part of the basic financial statements but is supplementary information the Governmental Accounting Standards Board requires. We have applied certain limited procedures, consisting principally of inquiries of management regarding the methods of measuring and presenting the required supplementary information. However, we did not audit the information and express no opinion on it.

We conducted our audit to opine on the financial statements that collectively comprise the Academy's basic financial statements. The federal awards receipts and expenditures schedule is required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is also not a required part of the basic financial statements. We subjected the federal awards receipts and expenditures schedule to the auditing procedures applied in the audit of the basic financial statements. In our opinion, this information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

A handwritten signature in cursive script that reads "Mary Taylor".

**MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED JUNE 30, 2007
UNAUDITED**

The discussion and analysis of TRECA Digital Academy's (TDA) financial performance provides an overall review of TDA's financial activities for the fiscal year ended June 30, 2007. Readers should also review the basic financial statements and notes to enhance their understanding of TDA's financial performance.

Highlights

TRECA Digital Academy (TDA) was established and began its first year of operations in fiscal year 2002. TDA is an online internet school. TDA served 644 students in its first year of operation and has grown to a student enrollment of 1,271 students in fiscal year 2007. TDA continues to contract with Tri-Rivers Educational Computer Association (TRECA), for many of the services it needs to educate the students.

Using the Basic Financial Statements

This annual report consists of a series of financial statements and notes to those statements.

The statement of net assets and the statement of revenues, expenses, and change in net assets reflect how TDA did financially during fiscal year 2007. These statements include all assets and liabilities using the accrual basis of accounting similar to that which is used by most private-sector companies. This basis of accounting considers all of the current fiscal years' revenues and expenses regardless of when cash is received or paid.

These statements report TDA's net assets and change in those assets. This change in net assets is important because it tells the reader whether the financial position of TDA has increased or decreased from the prior fiscal year. Over time, these increases and/or decreases are one indicator of whether the financial position is improving or deteriorating.

Table 1 provides a summary of TDA's net assets for fiscal year 2007 and fiscal year 2006:

	2007	2006	Change
Table 1 Net Assets			
<u>Assets:</u>			
Current and Other Assets	\$419,630	\$343,797	\$75,833
Capital Assets, Net	7,122	11,033	(3,911)
Total Assets	<u>426,752</u>	<u>354,830</u>	<u>71,922</u>
<u>Liabilities:</u>			
Current Liabilities	<u>17,600</u>	<u>169,687</u>	<u>152,087</u>

Unrestricted	<u>402,030</u>	<u>174,110</u>	<u>227,920</u>
Total Net Assets	<u><u>\$409,152</u></u>	<u><u>\$185,143</u></u>	<u><u>\$224,009</u></u>

**TRECA DIGITAL ACADEMY
MARION COUNTY**

**MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED JUNE 30, 2007
UNAUDITED
(Continued)**

A review of the above table demonstrates some significant changes from the prior fiscal year. Current and other assets, in this case intergovernmental receivables, increased from resources to be received from the Dissemination Grant (\$69,849).

In fiscal year 2002 and 2004, TDA received overpayments of State foundation revenues. As a result, TDA was repaying these resources over several years. In fiscal year 2007, TDA completed these repayments, thus the reduction in current liabilities.

Table 2 reflects the change in net assets for fiscal year 2007 and fiscal year 2006.

Table 2
Change in Net Assets

	2007	2006	Change
<u>Operating Revenues:</u>			
Foundation	\$8,228,813	\$6,881,868	\$1,346,945
Other	3,000	0	3,000
<u>Non-Operating Revenues:</u>			
Operating Grants	807,675	540,209	267,466
Interest Revenue	2,194	1,680	514
Total Revenues	<u>9,041,682</u>	<u>7,423,757</u>	<u>1,617,925</u>
<u>Operating Expenses:</u>			
Purchased Services	8,813,762	7,501,723	(1,312,039)
Depreciation	3,911	4,791	880
Total Expenses	<u>8,817,673</u>	<u>7,506,514</u>	<u>(1,311,159)</u>
Total Increase (Decrease) in Net Assets	224,009	(82,757)	306,766
Net Assets at Beginning of Year	<u>185,143</u>	<u>267,900</u>	<u>(82,757)</u>
Net Assets at End of Year	<u><u>\$409,152</u></u>	<u><u>\$185,143</u></u>	<u><u>\$224,009</u></u>

Fiscal year 2007 is similar to fiscal year 2006, in that approximately 91 percent of the revenue TDA received was State foundation monies (93 percent in fiscal year 2006). There was an increase in State foundation revenues in fiscal year 2007 due to an increase in enrollment of 183 students. Operating grants increased due to increases in Title I and Drug Free School funding as well as the addition of the Dissemination Grant.

Because there was an increase in State foundation funding and operating grants, there was a similar increase in purchased services. TDA's contract with TRECA provides for the payment of 100 percent of base formula funds and additional funds, including operating grants, received to be paid to TRECA.

Budgeting

TDA is not required to follow the budgetary provisions set forth in Ohio Revised Code Chapter 5705.

**TRECA DIGITAL ACADEMY
MARION COUNTY**

**MANAGEMENT'S DISCUSSION AND ANALYSIS

UNAUDITED
(Continued)**

Capital Assets

At the end of fiscal year 2007, TDA had \$7,122 invested in capital assets (net of accumulated depreciation). For further information regarding TDA's capital assets, refer to Note 5 to the basic financial statements.

Current Issues

TRECA Digital Academy continues to be a great educational alternative for students throughout the State of Ohio. Our education opportunities are continually expanding. We are also continuing to expand our partnerships with public school districts throughout the State. The use of technology, such as the I-Pod, has had, and will continue to have, a great impact on the education of students at TDA.

Contacting TDA's Financial Management

This financial report is designed to provide citizens, taxpayers, investors, and creditors with a general overview of TDA's finances and to reflect TDA's accountability for the monies it receives. Questions concerning any of the information in this report or requests for additional information should be directed to Scott Armstrong, Treasurer, TRECA Digital Academy, 2222 Marion-Mt. Gilead Road, Marion, Ohio 43302.

**TRECA DIGITAL ACADEMY
MARION COUNTY**

**NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2007**

Note 1 - Description of the School

TRECA Digital Academy (TDA) is a nonprofit corporation established pursuant to Ohio Revised Code Chapters 3314 and 1702. TDA is an approved tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. Management is not aware of any course of action or series of events that have occurred that might adversely affect TDA's tax exempt status. TDA's objective is to deliver a comprehensive educational program of high quality, tied to state and national standards, which can be delivered to students in the K-12 population entirely through distance learning technologies. It is to be operated in cooperation with the public schools to provide an innovative and cost-effective solution to the special problems of disabled students, students removed from school for disciplinary reasons, students needing advanced or specialized courses which are not available locally, and others, including home-schooled students who are not currently enrolled in any public school and who are not receiving a meaningful, comprehensive, and standards-based educational program. TDA, which is part of the State's education program, is nonsectarian in its programs, admissions policies, employment practices, and all other operations. TDA may acquire facilities as needed and contract for any services necessary for the operation of the school.

TDA was approved for operation under a contract with the Tri-Rivers Joint Vocational School (the Sponsor), with Tri-Rivers Educational Computer Association (TRECA) as the Governing Authority for a five year period commencing July 30, 2001. A successor contract was entered into on October 19, 2005, effective through fiscal year 2010. The Sponsor is responsible for evaluating the performance of TDA and has the authority to deny renewal of the contract at its expiration. The Governing Authority is responsible for the operations of TDA.

TDA operates under the direction of a nine-member Board of Directors made up of area school district superintendents. The Board of Directors is comprised of TRECA board members and TRECA has the ability to impose its will upon TDA; therefore, TDA is a component unit of TRECA. The Board of Directors is responsible for carrying out the provisions of the contract which include, but are not limited to, State-mandated provisions regarding student population, curriculum, academic goals, performance standards, admission standards, and qualifications of teachers. TRECA, under a contractual agreement, provides instructional staff and support faculty to TDA. TDA provides services to 1,271 students.

TRECA is an association of public school districts within the boundaries of Clark, Cuyahoga, Crawford, Delaware, Franklin, Hamilton, Knox, Lucas, Mahoning, Marion, Morrow, Muskingum, Summit, Trumbull, Union, and Wyandot Counties. The organization was formed for the purpose of applying modern technology with the aid of computers and other electronic equipment to administrative and instructional functions among member school districts. The governing board of TRECA consists of six representatives from the participating school districts and the superintendent from Tri-Rivers Joint Vocational School.

Note 2 - Summary of Significant Accounting Policies

The basic financial statements of TDA have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. TDA also applies Financial Accounting Standards Board (FASB) statements and interpretations issued on or before November 30, 1989, provided they do not conflict with or contradict GASB pronouncements. TDA does not apply Financial Accounting Standards Board (FASB) statements and interpretations issued after November 30, 1989. Following are the more significant of the TDA's accounting policies.

**TRECA DIGITAL ACADEMY
MARION COUNTY**

**NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2007
(Continued)**

Note 2 - Summary of Significant Accounting Policies (Continued)

A. Basis of Presentation

TDA's basic financial statements consist of a statement of net assets; a statement of revenues, expenses, and change in net assets; and a statement of cash flows.

TDA uses enterprise accounting to maintain its financial records during the fiscal year. Enterprise accounting focuses on the determination of operating income, change in net assets, financial position, and cash flows. Enterprise accounting may be used to account for any activity for which a fee is charged to external users for goods or services.

B. Measurement Focus

TDA is accounted for using a flow of economic resources measurement focus. All assets and liabilities associated with the operation of TDA are included on the statement of net assets. The statement of revenues, expenses, and change in net assets presents increases (e.g., revenues) and decreases (e.g., expenses) in total net assets. The statement of cash flows reflects how TDA finances and meets its cash flow needs.

C. Basis of Accounting

Basis of accounting determines when transactions are recorded in the financial records and reported on the financial statements. TDA's financial statements are prepared using the accrual basis of accounting. Revenues resulting from exchange transactions, in which each party gives and receives essentially equal value, are recorded when the exchange takes place. Revenues resulting from nonexchange transactions, in which TDA receives value without directly giving equal value in return, such as grants and entitlements, are recognized in the fiscal year in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the fiscal year when the resources are required to be used or the fiscal year when use is first permitted; matching requirements, in which TDA must provide local resources to be used for a specified purpose; and expenditure requirements, in which the resources are provided to TDA on a reimbursement basis. Expenses are recognized at the time they are incurred.

D. Budgetary Process

Unlike other public schools located in the State of Ohio, community schools are not required to follow the budgetary provisions set forth in Ohio Revised Code Chapter 5705, unless specifically provided by TDA's contract with its Sponsor. The contract between TDA and its Sponsor does prescribe an annual budget requirement in addition to preparing a 5-year forecast, which is updated on an annual basis.

E. Cash and Cash Equivalents

Cash held by TDA is reflected as "Cash and Cash Equivalents" on the statement of net assets. Investments with an original maturity of three months or less at the time they are purchased are presented on the financial statements as cash equivalents. Investments with an initial maturity of more than three months are reported as investments. During fiscal year 2007, TDA had no investments.

**TRECA DIGITAL ACADEMY
MARION COUNTY**

**NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2007
(Continued)**

Note 2 - Summary of Significant Accounting Policies (Continued)

F. Capital Assets

All capital assets are capitalized at cost and updated for additions and reductions during the fiscal year. Donated capital assets are recorded at their fair market value on the date donated. TDA maintains a capitalization threshold of five hundred dollars. TDA does not have any infrastructure. Improvements are capitalized. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset's life are not capitalized.

All capital assets are depreciated. Improvements are depreciated over the remaining useful lives of the related capital assets. Depreciation is computed using the straight-line method. Furniture is depreciated over ten years and computers are depreciated over three to ten years.

G. Net Assets

Net assets represent the difference between assets and liabilities. Net assets invested in capital assets consists of capital assets, net of accumulated depreciation. Net assets are reported as restricted when there are limitations imposed on their use either through the enabling legislation adopted by TDA or through external restrictions imposed by creditors, grantors, or laws or regulations of other governments. TDA first applies restricted resources when an expense is incurred for which both restricted and unrestricted net assets are available. TDA did not have any restricted net assets at fiscal year end.

H. Operating Revenues and Expenses

Operating revenues are those revenues that are generated directly from the primary activity of TDA. For TDA, these revenues are foundation payments from the State. Operating expenses are necessary costs incurred to provide the service that is the primary activity of TDA. All revenues and expenses not meeting this definition are reported as non-operating.

I. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Note 3 - Deposits

At fiscal year end, the carrying amount of TDA's deposits was \$49,495 and the bank balance was \$49,495. The entire bank balance was covered by federal depository insurance.

**TRECA DIGITAL ACADEMY
MARION COUNTY**

**NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2007
(Continued)**

Note 4 - Receivables

At June 30, 2007, TDA had intergovernmental receivables, in the amount of \$370,135. The receivables are expected to be collected within one year.

	Amount
Idea Part - B	\$124,731
Title I	133,869
Title V	1,231
Safe and Drug Free Schools	8,455
Title II-A	28,710
Title II-D Tech	3,290
Dissemination Grant	69,849
Total Intergovernmental Receivables	\$370,135

Note 5 - Capital Assets

Capital asset activity for the fiscal year ended June 30, 2007, was as follows:

	Balance at 6/30/06	Additions	Reductions	Balance at 6/30/07
Depreciable Capital Assets				
Furniture and Equipment	\$123,687	\$0	(\$3,572)	\$120,115
Less Accumulated Depreciation	(112,654)	(3,911)	3,572	(112,993)
Capital Assets, Net	\$11,033	(\$3,911)	\$0	\$7,122

Note 6 - Fiscal Agent

The Comprehensive Service Agreement between TDA and TRECA, adopted September 1, 2001, establishes the services of the Treasurer to be included in those supplied by TRECA to TDA. Furthermore, the sponsorship agreement states the Treasurer of the Governing Authority shall serve as the Treasurer of TDA.

The Treasurer of the Governing Authority shall perform the following functions while serving as the Treasurer of TDA:

- A. Maintain the financial records of TDA in the same manner as are financial records of school districts, pursuant to rules of the Auditor of State;
- B. Comply with the policies and procedures regarding internal financial control of TDA; and
- C. Comply with the requirements and procedures for financial audits by the Auditor of the State.

**TRECA DIGITAL ACADEMY
MARION COUNTY**

**NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2007
(Continued)**

Note 7 - Contract with TRECA

On February 24, 2004, TDA entered into a contract with TRECA for management consulting services. Under the contract, the following terms were agreed upon:

1. TRECA shall provide instructional, supervisory/administrative, and technical services sufficient to effectively implement TDA's educational plan and TDA's assessment and accountability plan.
2. All personnel providing services to TDA on behalf of TRECA under the agreement shall be employees of TRECA and TRECA shall be solely responsible for all payroll functions, including retirement system contributions, and all other legal withholding and/or payroll taxes with respect to such personnel. All shall possess any certification or licensure which may be required by law.
3. The technical services provided by TRECA to TDA shall include access to, and the use of, computer software, computer hardware, networking hardware, network services, and the services of technical support personnel necessary to implement the plan of operation.

To obtain TRECA's June 30, 2007 audited financial statements, please contact Scott Armstrong, Treasurer, at scott@treca.org.

Note 8 - Related Party Transactions

The nine-member board of TDA consists of employees of TRECA and TRECA has the ability to impose its will upon TDA. This makes TDA a component unit of TRECA. As part of TDA's contractual agreement dated February 24, 2004, with TRECA for fiscal year 2007, TDA is required to pay TRECA the following fees:

1. Ongoing Fees - On an ongoing basis, TDA shall pay TRECA 100 percent of the base formula funds and additional funds (including, but not limited to, funds for special education and related services) received by TDA from the Ohio Department of Education pursuant to Section 3314.08 of the Ohio Revised Code. These percentages may be adjusted at any time by agreement of the parties. For fiscal year 2007, the percentage was 100 percent.
2. Other Payments - If and as agreed by the parties, TDA may additionally pay TRECA funds received by TDA from grants or other sources for services provided by TRECA that are consistent with the purpose of such funds.

Payments made by TDA to TRECA in fiscal year 2007 were \$8,813,762. This consists of the \$8,076,726 in base formula funds and \$734,036 in fees for which TDA obtained grant monies, and \$3,000 in proceeds from the sale of computers.

TRECA DIGITAL ACADEMY
MARION COUNTY

NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2007
(Continued)

Note 9 - Contingencies

A. Grants

TDA received financial assistance from federal and state agencies in the form of grants. The expenditure of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and is subject to audit by the grantor agencies. Any disallowed claims resulting from such audits could become a liability. However, in the opinion of management, any such disallowed claims will not have a material adverse effect on the overall financial position of TDA at June 30, 2007.

B. Litigation

A lawsuit entitled "*Beverly Blount-Hill, et. Al v. State of Ohio, et al., Case #3:04CV197*" was filed in the U.S. District Court, Southern District of Ohio, Western Division in October 2004. The suit alleges that the funding provisions of the Ohio Community Schools Act, O.R.C. Section 3314, violate both the Ohio and Federal constitutions. If the funding scheme is determined to be unconstitutional, it could have financial ramifications for all community/charter schools. The case is still currently pending, and the effect of this suit, if any, on TDA cannot presently be determined.

C. Full Time Equivalency

The Ohio Department of Education conducts reviews of enrollment data and full-time equivalency (FTE) calculations made by community schools. These reviews are conducted to ensure the schools are reporting accurate student enrollment data to the State, upon which State foundation funding is calculated. The conclusions of this review could result in State funding being adjusted. As a result of this review, the adjustment for fiscal year 2007 for TDA is a liability for \$17,600. This amount has been recorded as due to other governments on the statement of net assets. This amount will be deducted from foundation payments in fiscal year 2008.

D. Risk Management

TDA is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. TDA does not purchase its own liability insurance. TRECA contracted with Ohio School Plan to provide property and general liability insurance for TDA.

**NOTES TO THE FEDERAL AWARDS RECEIPTS AND EXPENDITURES SCHEDULE
FOR THE YEAR ENDED JUNE 30, 2007**

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES

The accompanying Federal Awards Receipts and Expenditures Schedule (the Schedule) summarizes activity of the Academy's federal award programs. The Schedule has been prepared on the cash basis of accounting.

Mary Taylor, CPA

Auditor of State

INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

TRECA Digital Academy
Marion County
2222 Marion Mt. Gilead Road
Marion, Ohio 43302

To the Board of Directors:

We have audited the basic financial statements of the TRECA Digital Academy, Marion County, Ohio (the Academy), a component unit of the Tri-Rivers Educational Computer Association, as of and for the year ended June 30, 2007, and have issued our report thereon dated March 7, 2008. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Academy's internal control over financial reporting as a basis for designing our audit procedures for expressing our opinion on the financial statements, but not to opine on the effectiveness of the Academy's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Academy's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. However, as discussed below, we identified a certain deficiency in internal control over financial reporting that we consider a significant deficiency.

A control deficiency exists when the design or operation of a control does not allow management or employees, in performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Academy's ability to initiate, authorize, record, process, or report financial data reliably in accordance with its applicable accounting basis, such that there is more than a remote likelihood that the Academy's internal control will not prevent or detect a more-than-inconsequential financial statement misstatement.

We consider the following deficiency described in the accompanying schedule of findings to be a significant deficiency in internal control over financial reporting: 2007-001.

A material weakness is a significant deficiency, or combination of significant deficiencies resulting in more than a remote likelihood that the Academy's internal control will not prevent or detect a material financial statement misstatement.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies and accordingly, would not necessarily disclose all significant deficiencies that are also material weaknesses. We believe the significant deficiency described above is not a material weakness.

Compliance and Other Matters

As part of reasonably assuring whether the Academy's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

The Academy's response to the finding identified in our audit is described in the accompanying schedule of findings. We did not audit the Academy's response and, accordingly, we express no opinion on it.

We intend this report solely for the information and use of the audit committee, management, the Board of Directors, the Academy's sponsor, federal awarding agencies, and pass-through entities. We intend it for no one other than these specified parties.

INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

TRECA Digital Academy
Marion County
2222 Marion Mt. Gilead Road
Marion, Ohio 43302

To the Board of Directors:

Compliance

We have audited the compliance of the TRECA Digital Academy, Marion County, Ohio (the Academy), a component unit of the Tri-Rivers Educational Computer Association, with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Circular A-133, Compliance Supplement* that apply to each of its major federal programs for the year ended June 30, 2007. The summary of auditor's results section of the accompanying schedule of findings identifies the Academy's major federal programs. The Academy's management is responsible for complying with the requirements of laws, regulations, contracts, and grants applicable to each major federal program. Our responsibility is to express an opinion on the Academy's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to reasonably assure whether noncompliance occurred with the types of compliance requirements referred to above that could directly and materially affect a major federal program. An audit includes examining, on a test basis, evidence about the Academy's compliance with those requirements and performing other procedures we considered necessary in the circumstances. We believe our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Academy's compliance with those requirements.

In our opinion, TRECA Digital Academy, Marion County, Ohio, complied, in all material respects, with the requirements referred to above that apply to each of its major federal programs for the year ended June 30, 2007.

Internal Control Over Compliance

The Academy's management is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the Academy's internal control over compliance with requirements that could directly and materially affect a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Academy's internal control over compliance.

A *control deficiency* in internal control over compliance exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent or detect noncompliance with a federal program compliance requirement on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the Academy's ability to administer a federal program such that there is more than a remote likelihood that the Academy's internal control will not prevent or detect more-than-inconsequential noncompliance with a federal program compliance requirement.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that the Academy's internal control will not prevent or detect material noncompliance with a federal program's compliance requirements.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

We intend this report solely for the information and use of the audit committee, management, the Board of Directors, federal awarding agencies, and pass-through entities. It is not intended for anyone other than these specified parties.

SCHEDULE OF FINDINGS
JUNE 30, 2007
(Continued)

**2. FINDINGS RELATED TO THE FINANCIAL STATEMENTS
REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS**

Finding Number

2007-001

Board Monitoring – Significant Deficiency

During fiscal year 2007, the Board of Directors did not monitor the financial activity of the Academy.

Monitoring comprises regular management activities established to oversee whether management's financial objectives are being achieved. The Board should review detailed financial reports and bank reconciliations on a regular basis. Data from such reports may directly provide assurance as to the reliability of financial reporting information if it conforms with the users' expectations. Lack of regular monitoring may lead to errors or irregularities going undetected without the knowledge of the Board.

We recommend the Board review the financial activity of the Academy on a regular basis. Detailed financial reports and bank reconciliations should be reviewed in order to detect and follow up on possible unusual balances or transactions in a timely manner.

Officials' Response

The Academy's administration acknowledges the above comment concerning Board monitoring of financial reports, and would like to inform the Auditor of State that monitoring will begin at the next Board of Director's meeting.

3. FINDINGS AND QUESTIONED COSTS FOR FEDERAL AWARDS

None.
