REGULAR AUDIT

FOR THE YEARS ENDED DECEMBER 31, 2007 - 2006

Mary Taylor, CPA Auditor of State

Members of Council Village of Crooksville 98 South Buckeye Street Crooksville, Ohio 43731

We have reviewed the *Independent Accountants' Report* of the Village of Crooksville, Perry County, prepared by Knox & Knox, for the audit period January 1, 2006 through December 31, 2007. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

The financial statements in the attached report are presented in accordance with a regulatory basis of accounting prescribed or permitted by the Auditor of State. Due to a February 2, 2005 interpretation from the American Institute of Certified Public Accountants (AICPA), modifications were required to the *Independent Accountants' Report* on your financial statements. While the Auditor of State does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. The attached report includes an opinion relating to GAAP presentation and measurement requirements, but does not imply the statements are misstated under the non-GAAP regulatory basis. The *Independent Accountants' Report* also includes an opinion on the financial statements using the regulatory format the Auditor of State permits.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Village of Crooksville is responsible for compliance with these laws and regulations.

Mary Taylor, CPA Auditor of State

Independent Accountants' Report

Village of Crooksville Perry County 98 South Buckeye St. Crooksville, Ohio 43731

To the Village Council:

We have audited the accompanying financial statements of the Village of Crooksville, Perry County, Ohio, (the Village) as of and for the years ended December 31, 2007 and 2006. These financial statements are the responsibility of the Village's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates, if any, made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Village has prepared its financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and accounting principles generally accepted in the United States of America, we presume they are material.

Revisions to GAAP would require the Village to reformat its financial statement presentation and make other changes effective for the years ended December 31, 2007 and 2006. In addition to the accompanying financial statements present for 2007 and 2006, the revisions require presenting entity wide statements. While the Village does not follow GAAP, generally accepted auditing standards require us to include the following paragraph if the statements do not substantially conform to the new GAAP presentation requirements. The Auditor of State permits, but does not require governments to reformat their statements. The Village has elected not to follow GAAP statement formatting requirements. The following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above for the years ended December 31, 2007 and 2006 do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Village as of December 31, 2007 and 2006, or its changes in financial position and cash flows for the years then ended.

Village of Crooksville Perry County Report of Independent Accountants Page 2

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the fund cash balances of the Village of Crooksville, Perry County, as of December 31, 2007 and 2006, and its combined cash receipts and disbursements and reserves for encumbrances for the years then ended on the basis of accounting described in Note 1.

The Village has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued our report dated April 29, 2008, on our consideration of the Village's internal control over financial reporting and our tests of its compliance with laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Governmental Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2007 and 2006

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. DESCRIPTION OF THE ENTITY

The Village of Crooksville, Perry County, Ohio, (the Village) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Village is directed by a publicly-elected six-member Council. The Village provides water and sewer utilities, park operations, police and fire services.

The Harrison Township Union Cemetery was established jointly, by the Village of Crooksville and Harrison Township, to manage the Crooksville Cemetery. The Union Cemetery is managed by a three-member Board of Cemetery Trustees appointed jointly by the Crooksville Village Council and Harrison Township Board of Trustees. The latest audited financial report for the Union Cemetery can be obtained by contacting the Harrison Township Union Cemetery Clerk at 11650 Tunnel Hill Road, Crooksville, Ohio 43731.

The Village's management believes these financial statements present all activities for which the Village is financially accountable.

B. BASIS OF ACCOUNTING

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. CASH INVESTMENTS

Investments are included in fund balances. Accordingly, purchases of investments are not recorded as disbursements, and sales of investments are not recorded as receipts. Gains or losses at the time of sale are recorded as receipts or disbursements, respectively.

Money market mutual funds (including STAR Ohio) are recorded at share values reported by the mutual fund.

D. <u>FUND ACCOUNTING</u>

The Village uses fund accounting to segregate cash and investments that are restricted as to use. The Village classifies its funds into the following types:

1. General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2007 and 2006

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (continued)

D. FUND ACCOUNTING (continued)

1. <u>General Fund</u> (continued)

The Village maintains an Income Tax Fund to account for local income tax monies as described in Note 8. The activities of this fund are included in the General Fund for reporting purposes. Funds derived from the Village's income tax are utilized for the general operations of the Village and are not restricted as to use.

2. Special Revenue Funds

These funds are used to account for proceeds from specific sources (other than from trusts or for capital projects) that are restricted to expenditure for specific purposes. The Village has the following significant Special Revenue Funds:

Street Construction, Maintenance and Repair Fund - This fund receives gasoline tax money for constructing, maintaining and repairing Village streets.

Pool and Park Fund - This fund receives property tax money to maintain the Village's parks, and charges for services to operate and maintain the Village's swimming pool.

3. Debt Service Fund

This fund is used to accumulate resources for the payment of bonds and note indebtedness. The Village had the following significant debt service fund:

Recreation Center Debt Service Fund - This fund receives transfers from the municipal income tax to retire the general obligation bonds issued for the recreation center renovations.

4. Capital Projects Funds

These fund are used to account for receipts that are restricted for the acquisition or construction of major capital projects (except for those financed through enterprise or trust funds). The Village had the following capital projects fund:

Ohio Public Works Fund - This fund receives proceeds of general obligation bonds. The proceeds were used to construct a new fire station.

5. <u>Enterprise Funds</u>

These funds are used to account for operations that are similar to private business enterprises where management intends that the significant costs of providing certain goods or services will be recovered through user charges. The Village had the following significant enterprise funds:

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2007 and 2006

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (continued)

D. FUND ACCOUNTING (continued)

5. Enterprise Funds (continued

Water Fund - This fund receives charges for services from residents to cover the cost of providing water service.

Sewer Fund - This fund receives charges for services from residents to cover the cost of providing sewer service.

6. Fiduciary Funds (Agency Funds)

Agency Funds are for which the Village is acting in an agency capacity. The Village has the following significant agency fund:

Mayor's Court Fund - This agency fund accounts for and reports the financial activity of the Mayor's Court of the Village.

E. BUDGETARY PROCESS

The Ohio Revised Code requires that each fund be budgeted annually.

1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the department, division or office level of control, and within each, amounts appropriated for personal services. The Village Council must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure.

2. <u>Estimated Resources</u>

Estimated resources include estimates of cash to be received (budgeted receipts) plus cash as of January 1. The County Budget Commission must also approve estimated resources.

3. <u>Encumbrances</u>

The Ohio Revised Code requires the Village to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over and need not be reappropriated in the subsequent year.

A summary of 2007 and 2006 budgetary activity appears in Note 3.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2007 and 2006

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (continued)

E. PROPERTY, PLANT AND EQUIPMENT

Acquisitions of property, plant and equipment are recorded as capital outlay disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

F. ACCUMULATED LEAVE

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. Unpaid leave is not reflected as a liability under the Village's basis of accounting.

2. EQUITY IN POOLED CASH AND INVESTMENTS

The Village maintains a cash and investment pool used by all funds. The Ohio Revised Code prescribes allowable deposits. The carrying amount of cash and investments at December 31 was as follows:

	2007	2006
Demand deposits	\$854,541	\$617,722
STAR Ohio	101,459	185,300
Totals	\$956,000	\$803,022

Deposits: Deposits are either (1) insured by the Federal Depository Insurance Corporation, or (2) by the financial institution's public entity deposit pool or (3) collateralized by securities pledged specifically by the financial institution to the Village.

3. **BUDGETARY ACTIVITY**

Budgetary activity for the years ended December 31, 2007 and 2006, follows:

4. PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by Village Council. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payments for first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Village.

Tangible personal property tax is assessed by the property owner, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Village.

6. RETIREMENT SYSTEM

The Village's full-time law enforcement officer belongs to the Police and Fireman's Disability and Pension Funds (PFDPF). Other full-time employees belong to the Ohio Public Employees Retirement System (OPERS). PFDPF and OPERS are cost-sharing, multiple-employer plans. These plans provide retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contributions rates are also prescribed by the Ohio Revised Code. For 2007 and 2006, PFDPF participants contributed 10% of their wages. The Village contributed an amount equal to 19.5% of police participant wages. OPERS members contributed 9.5% and 9.0% of their gross salaries, respectively. The Village contributed an amount equal to 13.85% (2007) and 13.7% (2006) of participants' gross salaries. The Village has paid all contributions required through December 31, 2007.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2007 and 2006

7. RISK MANAGEMENT

The Village belongs to the Ohio Government Risk Management Plan (the Plan) an unincorporated non-profit association with over 600 governmental entity members providing a formalized, jointly administrative self-insurance risk management program and other administrative services.

Pursuant to Section 2744.081 of the Ohio Revised Code, the Plan is deemed a separate legal entity. The plan provides property, liability, errors and omissions, law enforcement, automobile, excess liability, crime, surety and bond, inland marine and other coverages, modified for each member's needs. The Plan pays judgments, settlements, and other expenses resulting from covered claims that exceed the member's deductible.

The Plan uses conventional insurance coverages and reinsures these coverages 100%, rather than using a risk pool of member funds to pay individual and collective losses. Therefore, the individual members are only responsible for their self-retention (deductible) amounts which vary from member to member.

The Village also provides health insurance to full-time employees through a private carrier.

8. LOCAL INCOME TAX

The Village levies a municipal income tax of one and a half percent on substantially all earned income arising from employment, residency, or business activities within the Village as well as certain income of residents earned outside of the Village.

Employers within the Village withhold income tax on employee compensation and remit the tax to the Village either monthly or quarterly, as required, Corporations and other individual taxpayers pay estimated taxes quarterly and file a declaration annually.

9. CONTINGENT LIABILITIES

Claims and lawsuits are pending against the Village. Based on information provided by the Village's legal council, any potential liability and the effect on the financial statements, if any, is not determinable at this time.

10. COMMITMENTS

The Village is obligated for payment to Perry County as the result of charges made by the Village for wastewater collection. The resultant unpaid balance owed by the Village to Perry County is approximately \$12,500 as of December 31, 2007

INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Village of Crooksville Perry County 98 South Buckeye St. Crooksville, Ohio 43731

To the Village Council:

We have audited the accompanying financial statements of the Village of Crooksville, Perry County, Ohio, (the Village) as of and for the years ended December 31, 2007 and 2006, and have issued our report thereon dated April 29, 2008, wherein we noted the Village followed accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit, we considered the Village's internal control over financial reporting as basis for designing our audit procedures in order to express our opinions on the financial statements, but not to opine on the effectiveness of the Village's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Village's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Village's ability to initiate, authorize, record, process, or report financial data reliably in accordance with its applicable accounting basis, such that there is more than a remote likelihood that the Village's internal control will not prevent or detect a more-than-inconsequential financial statement misstatement.

A material weakness is a significant deficiency, or combination of significant deficiencies resulting in more than a remote likelihood that the Village's internal control will not prevent or detect a material financial statement misstatement.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all internal control deficiencies that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider material weaknesses, as defined above. However, we noted other matters that we reported to the Village's management in a separate letter dated April 29, 2008.

COMPLIANCE AND OTHER MATTERS

As part of reasonably assuring whether the Village's basic financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express an opinion. The results of our tests disclosed three instances of noncompliance we must report under *Government Auditing Standards* which are reported as Findings 2007-01, 2007-02, and 2007-03.

We intend this report solely for the information and use of the audit committee, management, and Village Council. We intend it for no one other than these specified parties.

Prior to the Village Council authorizing the original appropriations or approving any amendments, we recommend the Village Council compare proposed appropriations with the amounts reflected on the (Amended) Certificate of Estimated resources to ensure that appropriations will not exceed the Village's estimated resources. Since appropriation measures do not become effective until the County Auditor files a certificate that appropriations do not exceed estimated resources, Village management should not order any expenditure of money until the County Auditor issues such certificate.

Monitoring of Village Activity

Procedures for reviewing and monitoring budgetary activity were not established. As a result, we noted material noncompliance with budgetary laws.

We recommend that management of the Village become more actively involved in establishing controls necessary to prevent noncompliance with budgetary laws. Once budgetary control is established, Village Council should review and monitor activity as reflected on the monthly reports comparing budgeted to actual revenues and expenditures.
