8221 Auburn Road
Concord Township, Ohio 44077

To the Executive Committee:

As you are aware, the Auditor of State's Office (AOS) must modify the *Independent Accountants' Report* we provide on your financial statements due to an interpretation from the American Institute of Certified Public Accountants (AICPA). While AOS does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. Our Report includes an adverse opinion relating to GAAP presentation and measurement requirements, but does not imply the amounts the statements present are misstated under the non-GAAP basis you follow. The AOS report also includes an opinion on the financial statements you prepared using the cash basis and financial statement format the AOS permits.

INDEPENDENT ACCOUNTANTS' REPORT

Lake Geauga Computer Association
Lake County
8221 Auburn Road
Concord Township, Ohio 44077

To the Executive Committee:

We have audited the accompanying financial statements of Lake Geauga Computer Association, Lake County, Ohio (the Association) as of and for the years ended June 30, 2008 and 2007. These financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Association has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and GAAP, we presume they are material.

Instead of the combined funds the accompanying financial statements present, GAAP require presenting entity wide statements and also presenting the Association's larger (i.e. major) funds separately. While the Association does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statements do not substantially conform to GAAP presentation requirements. The Auditor of State permits, but does not require Governments to reformat their statements. The Association has elected not to follow GAAP statement formatting requirements. The following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

Lausche Building / 615 Superior Ave., NW / Twelfth Floor / Cleveland, OH 44113-1801
Telephone: (216) 787-3665 (800) 626-2297 Fax: (216) 787-3361
www.auditor.state.oh.us

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above for the years ended June 30, 2008 and 2007 do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Association as of June 30, 2008 and 2007, or its changes in financial position or cash flows of its proprietary funds for the years then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances and reserves for encumbrances of the Lake Geauga Computer Association, Lake County, Ohio, as of June 30, 2008 and 2007, and its combined cash receipts and disbursements for the years then ended on the accounting basis Note 1 describes.

The Association has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued our report dated March 16, 2009, on our consideration of the Association's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance, and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

**LAKE GEauga COMPUTER ASSOCIATION
LAKE COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2008 AND 2007**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

Empowered by Section 3313.92, Ohio Revised Code, the Lake Geauga Computer Association, Lake County, Ohio, (the Association) is a cooperative computer consortium open to any public school district within the geographic area determined by the State Department of Education. The geographic area includes Lake, Geauga and Cuyahoga counties. The mission of the Association is to provide quality, cost effective services that enable member school districts, individually and interactively, to manage data and to utilize technology effectively for educational and administrative purposes. The Geauga County Educational Service Center Treasurer is the fiscal agent for the Association.

The Association presently has eighteen member school districts. The Association's Assembly consists of the Superintendent and Treasurer of each member school district. The Assembly elects the Executive Committee which consists of six Superintendents of the member school districts, which must include the Superintendent of the fiscal agent, and a minimum of one Superintendent from each county, and five Treasurers selected by a vote of a majority of all Treasurers in the Assembly. The Association also serves on the Executive Committee.

The Association's management believes these financial statements present all activities for which the Association is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred.

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. Cash and Investments

Section 3313.92, Ohio Revised Code, requires the Geauga County Educational Service Center to act as the fiscal agent of the Association. The Association's cash pool is deposited with the Geauga County Educational Service Center Treasurer. The cash is commingled with the Educational Service Center's cash and investment pool and is not identifiable as to demand deposits or investments. All collections are remitted to the Educational Service Center Treasurer for deposit and all disbursements are made by warrants prepared by the Educational Service Center Treasurer drawn on deposits held in the name of the Geauga County Educational Service Center. GASB 3 requirements for the Geauga County Educational Service Center are presented in its June 30, 2008 and June 30, 2007 Financial Statements. The fund balances are expressed in cash equivalents. Cash equivalents are available for immediate expenditure or liquid investments which are immediately marketable, have negligible credit risk, and mature within three months. The carrying amount of cash on deposit with the Geauga County Educational Service Center Treasurer as of June 30, 2008 totaled \$1,422,679 and as of June 30, 2007 it totaled \$1,522,372.

**NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2008 AND 2007
(Continued)**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Fund Accounting

The Association uses fund accounting to segregate cash and investments that are restricted as to use, if applicable. The Association classifies its funds as an Enterprise Fund.

This fund accounts for operations that are similar to private business enterprises where management intends that the significant costs of providing certain goods or services will be recovered through user charges.

E. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

F. Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. Unpaid leave is not reflected as a liability under the Association's basis of accounting.

G. Budgetary Process

The Association is not bound by the budgetary laws prescribed by the Ohio Revised Code. The Association does pass an annual budget. Appropriation amendments and transfers are approved by the Executive Committee during the year as required.

2. RELATED PARTY TRANSACTIONS

During the fiscal years ended June 30, 2008 and June 30, 2007, the Association rented office space from the Auburn Vocational School District. The District provides certain administrative services, as well as custodial and maintenance services.

The Association received service fee contributions of \$1,595,810 for 2008 from the member school districts and \$1,696,333 for 2007.

3. RETIREMENT SYSTEMS

The Association's employees are covered by the School Employees Retirement System (SERS). SERS is a cost-sharing, multiple-employer plan. This plan provides retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For fiscal years 2008 and 2007, members of SERS contributed 10 percent of their wages to SERS and the Association contributed an amount equal to 14 percent of participants' wages. The Association has paid all contributions required through June 30, 2008 and June 30, 2007.

LAKE COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2008 AND 2007
(Continued)**

4. RISK MANAGEMENT

The Association has obtained commercial insurance for the following risks:

- Comprehensive property and general liability;
- Errors and omissions; and
- Fire and theft.

5. CAPITAL LEASES

On December 10, 2005, the Association entered into a capital leases for a copier with payments which began in February 2006. As of June 30, 2008, the remaining balance due is \$26,319.

INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

Lake Geauga Computer Association
Lake County
8221 Auburn Road
Concord Township, Ohio 44077

To the Executive Committee:

We have audited the financial statements of the Lake Geauga Computer Association, Lake County, Ohio (the Association) as of and for the years ended June 30, 2008 and June 30, 2007, and have issued our report thereon dated March 16, 2009, wherein we noted the Association followed accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Association's internal control over financial reporting as a basis for designing our audit procedures for expressing our opinion on the financial statements, but not to opine on the effectiveness of the Association's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Association's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Association's ability to initiate, authorize, record, process, or report financial data reliably in accordance with its applicable accounting basis, such that there is more than a remote likelihood that the Association's internal control will not prevent or detect a more-than-inconsequential financial statement misstatement.

A material weakness is a significant deficiency, or combination of significant deficiencies resulting in more than a remote likelihood that the Association's internal control will not prevent or detect a material financial statement misstatement.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all internal control deficiencies that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider material weaknesses, as defined above.

Compliance and Other Matters

As part of reasonably assuring whether the Association's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

We intend this report solely for the information and use of the management and the Executive Committee. We intend it for no one other than these specified parties.

A handwritten signature in cursive script that reads "Mary Taylor".
