Hubbard Public Library  
Trumbull County  
436 West Liberty Street  
Hubbard, Ohio 44425

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Hubbard Public Library (the Library) agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2009 and 2008, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

  - a. We traced each check to the debit appearing in the subsequent January bank statement. We found no exceptions.
  - b. We traced the amounts and date written to the check register, to determine the checks were dated prior to December 31. We noted no exceptions.

### **Payroll Cash Disbursements**

1. We haphazardly selected one payroll check for five employees from 2009 and one payroll check for five employees from 2008 from the Payment Register and determined whether the following information in the minute record and salary schedule was consistent with the information used to compute gross and net pay related to this check:
  - a. Name

  - c. Department and fund to which the check should be charged.

  - a. We compared the hours and pay rate, or salary amount used in computing gross pay to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
  - b. We determined whether the fund and account code to which the check was posted was reasonable based on the employees' duties as documented in the salary schedule. We also determined whether the payment was posted to the proper year. We found no exceptions.

**Payroll Cash Disbursements – (Continued)**

3. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2009 to determine whether remittances were timely paid, and that the amounts paid agreed to the amounts withheld during the final withholding period during 2009. We noted the following:

<b>Withholding</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Withheld</b>	<b>Amount Paid</b>
Federal income taxes	January 31, 2010	December 31, 2009	\$2,564.44	\$2,564.44

OPERS retirement (withholding plus employee share)	January 30, 2010	December 31, 2009	6,246.26	6,246.26

4. We haphazardly selected and recomputed one termination payment (unused vacation, etc.) using the following information, and agreed the computation to the amount paid as recorded in the payment register:
  - a. Accumulated leave records
  - b. The employee's pay rate in effect as of the termination date
  - c. The Library's payout policy.

The amount paid was consistent with the information recorded in a. through c. above.

**Non-Payroll Cash Disbursements**

1. We haphazardly selected ten disbursements from the Payment Register Report for the year ended December 31, 2009 and ten from the year ended 2008 and determined whether:
  - a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Report and to the names and amounts on the supporting invoices. We found no exceptions.
  - c. The payment was posted to the Library's general fund consistent with the purpose for which the fund's cash can be used. We found no exceptions.

1. We compared total appropriations required by Ohio Admin. Code Section 117-8-02, to the amounts recorded in the Appropriation Status Report for 2009 and 2008 for the following funds: General Fund and the Capital Projects Technology Fund. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status report.
2. Ohio Admin. Code Section 117-8-02 prohibits spending in excess of budgeted amounts. We compared total expenditures to total appropriations for the years ended December 31, 2009 and 2008 for the General and Technology Fund, as recorded in the Appropriation Status Report. We noted no funds for which expenditures exceeded appropriations.

### **Compliance – Contracts & Expenditures**

1. We inquired of management and scanned the Payment Register Detail report for the years ended December 31, 2009 and 2008 for procurements requiring competitive bidding to construct, demolish, alter, repair, or reconstruct a library or make any improvements or repairs, the cost of which exceeded \$25,000, except in cases of urgent necessity or for the security and protection of library property (Ohio Rev. Code Section 3375.41).

We identified no purchases subject to the aforementioned bidding requirements.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Library's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management and those charged with governance and is not intended to be, and should not be used by anyone other than these specified parties.
