## INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Pleasant View Union Cemetery  
Fulton County  
P.O. Box 31  
Fayette, Ohio 43521-0031

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Pleasant View Union Cemetery, Fulton County (the Cemetery) agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2009 and 2008, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

### Cash and Investments

1. We tested the mathematical accuracy of the December 31, 2009 and December 31, 2008 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2008 beginning balance recorded in the Statement of Accounts Reports to the December 31, 2007 balances in the prior year audited statements. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2009 and 2008 cash balances reported in the Financial Statement and the Total Assets Review Reports. The amounts agreed.
4. We confirmed the December 31, 2009 bank account balances with the Cemetery's financial institution. We found no exceptions. The balances agreed. We also agreed the confirmed balances to the amounts appearing in the December 31, 2009 bank reconciliation without exception.

5. We selected five outstanding checks haphazardly from the December 31, 2009 bank reconciliation:
  - a. We traced each check to the debit appearing in the subsequent January and February bank statements. We found no exceptions.
  - b. We traced the amounts and date written to the check register, to determine the checks were dated prior to December 31. We noted no exceptions.
6. We tested investments held at December 31, 2009 and December 31, 2008 to determine that they:
  - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions.
  - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

### **Intergovernmental and Other Confirmable Cash Receipts**

We agreed amounts paid from Gorham Township during 2009 and 2008, as documented on Uniform Accounting Network (UAN) Payment Register, to the Cemetery Financial Statements. We found no exceptions.

1. We determined whether these receipts were allocated to the proper account code. We found no exceptions.
2. We determined whether the receipts were recorded in the proper year. We found no exceptions.

### **Sales of Lots and Charges for Services**

We haphazardly selected 10 cash receipts for sales of lots or charges for services from the year ended December 31, 2009 and 10 cash receipts for sales of lots or charges for services from the year ended December 31, 2008 recorded in the duplicate cash receipts book and determined whether the:

2. Amount charged complied with rates in force during the period. We found no exceptions.
3. Receipt was posted to the proper account code(s), and was recorded in the proper year. We found no exceptions.

### **Debt**

We inquired of management and scanned the Statement of Accounts Reports for evidence of bonded or note debt issued during 2009 and 2008 or outstanding as of December 31, 2009 or 2008. We noted no new debt issuances, nor any debt payment activity during 2009 or 2008.

### **Payroll Cash Disbursements**

1. We haphazardly selected one payroll check for five employees from 2009 and one payroll check for five employees from 2008 from the Payroll Report and determined whether the following information in the minute record was consistent with the information used to compute gross and net pay related to this check:
  - a. Name
  - b. Authorized salary or pay rate
  - c. Department(s) and fund(s) to which the check should be charged.
  - d. Retirement system participation and payroll withholding.
  - e. Federal, State and Local income tax withholding authorization and withholding.
  - f. Any other deduction authorizations (deferred compensation, etc.)

We found no exceptions related to steps a. – f. above.

2. We tested the checks we selected in step 1, as follows:

  - b. We recomputed gross and net pay and agreed it to the amount recorded in the payroll register. We found no exceptions.
  - c. We determined whether the account code to which the check was posted was reasonable based on the employees' duties as documented in the minute record. We also determined whether the payment was posted to the proper year. We found no exceptions.
3. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2009 to determine whether remittances were timely paid, and that the amounts paid agreed to the amounts withheld during the final withholding period during 2009. We noted the following:

| <b>Withholding</b>                                 | <b>Date Due</b>  | <b>Date Paid</b>  | <b>Amount Withheld</b> | <b>Amount Paid</b> |

3. We haphazardly selected ten disbursements from the Check Register and the Statement of Account reports for the year ended December 31, 2009 and ten from the year ended December 31, 2008 and determined whether:
  - a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Check Stub and Statement of Account reports and to the names and amounts on the supporting invoices. We found no exceptions.
  - c. The payment was posted to a proper account code. We found no exceptions.

**Compliance – Contracts and Expenditures**

We inquired of management and scanned the Statement of Accounts Reports report for the years ended December 31, 2009 and 2008 for projects requiring the contractor to pay prevailing wages to their employees as required by Ohio Rev. Code Sections 4115.04 and 4115.05. We identified no projects subject to the aforementioned prevailing wage requirements.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Cemetery's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management and those charged with governance and is not intended to be, and should not be used by anyone other than these specified parties.
