### INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Ridgmont Public Library  
Hardin County  
124 E. Taylor St.  
P.O. Box 318  
Mt. Victory, OH 43340

We have performed the procedures enumerated below, with which the Board of Trustees and the management of the Ridgmont Public Library, Hardin County (the Library), agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2009 and 2008, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

#### Cash and Investments

1. We tested the mathematical accuracy of the December 31, 2009 and December 31, 2008 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2008 beginning fund balance recorded in the Fund Status Report to the December 31, 2007 balance in the prior year audited statements. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2009 and 2008 fund cash balance reported in the Fund Status Reports. The amounts agreed.
4. We confirmed the December 31, 2009 bank account balances with the Library's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2009 bank reconciliation without exception for the checking account. The certificate of deposit balance on the bank reconciliation was \$12,297 and the amount confirmed with the financial institution was \$12,277. The Library should investigate this difference and make any necessary adjustment to the bank reconciliation.
5. We selected five outstanding checks haphazardly from the December 31, 2009 bank reconciliation:
  - a. We traced each check to the debit appearing in the subsequent January bank statement. We found no exceptions.
  - b. We traced the amounts and date written to the check register, to determine the checks were dated prior to December 31. We noted no exceptions.

1. We selected two State Library and Local Government Support (LLGS) receipts from each participating County's Vendor History report from 2009 and two from 2008.

The October 2009 LLGS receipt in the amount of \$104 from the Logan County Auditor was not receipted by the Library. The Logan County Auditor indicated that this warrant is still outstanding. The Library should ask the Logan County Auditor to reissue this check.

### **Property Taxes and Intergovernmental**

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) from each participating County for 2009 and one from 2008.

**Payroll Cash Disbursements**

1. We haphazardly selected one payroll check for five employees from 2009 and one payroll check for five employees from 2008 from the Employee Detail Adjustment Report and determined whether the following information in the minute record was consistent with the information used to compute gross and net pay related to this check:
  - a. Name

  - c. Department and fund to which the check should be charged.
  - d. Retirement system participation and payroll withholding.

We compared total expenditures to total appropriations for the years ended December 31, 2009 and 2008 for the General Fund, as recorded in the Appropriation Status Report. We noted no expenditures that exceeded appropriations.

**Compliance – Contracts & Expenditures**

1. We inquired of management and scanned the Payment Register Detail report for the years ended December 31, 2009 and 2008 for procurements requiring competitive bidding to construct, demolish, alter, repair, or reconstruct a library or make any improvements or repairs, the cost of which exceeded \$25,000, except in cases of urgent necessity or for the security and protection of library property (Ohio Rev. Code Section 3375.41).

We identified no purchases subject to the aforementioned bidding requirements.

**Officials' Response:** The Clerk/Treasurer will be following up with Logan County Auditor to re-issue the missing check for \$104 and will review postings for the Mt. Victory CD deposits and talk with the bank.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Library's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management and those charged with governance and is not intended to be, and should not be used by anyone other than these specified parties.
