Independent Auditor's Report

We have audited the accompanying statements of financial position of the Community Improvement Corporation of Defiance County (a Nonprofit Organization) as of December 31, 2010 and 2009, and the related statements of activities, functional expenses, and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Community Improvement Corporation of Defiance County as of December 31, 2010 and 2009, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated April 7, 2011, on our consideration of the Organization's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

**COMMUNITY IMPROVEMENT CORPORATION
OF DEFIANCE COUNTY
NOTES TO FINANCIAL STATEMENTS
December 31, 2010 and 2009**

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature Of Activities – Community Improvement Corporation of Defiance County is incorporated as a corporation, not for profit, under section 1724.01 of the revised code of the State of Ohio, to advance, encourage and promote the industrial, economic, commercial and civic development of Defiance County.

Basis Of Accounting – The financial statements of Community Improvement Corporation of Defiance County have been prepared on the accrual basis and accordingly reflect all significant receivables, payables and other liabilities.

Basis Of Presentation – Financial statement presentation follows the recommendations of the Financial Accounting Standards Board ASC 958, *Financial Statements of Not-for-Profit Organizations*. Under ASC 958, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The Organization does not have any temporarily restricted or permanently restricted net assets.

Cash And Cash Equivalents – For purposes of the statement of cash flows, the Organization considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents. Cash and cash equivalents for purposes of the statement of cash flows exclude donor restricted cash and cash equivalents.

Accounts Receivable – Accounts receivable are stated at unpaid balances, less an allowance for doubtful accounts. The Organization provides for losses on accounts receivable using the allowance method. The allowance is based on experience and other circumstances. It is the Organization's policy to charge off uncollectible accounts receivable when management determines the receivable will not be collected.

Property And Equipment – Property and equipment are stated at cost. Depreciation for financial reporting is computed using accelerated methods and for federal tax reporting is computed using the modified accelerated cost recovery method. Expenditures for major renewals and betterments that extend the useful lives of property and equipment are capitalized. Maintenance and repairs are charged to expense as incurred.

Management Estimates – Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported amounts of revenue and expenses. Actual results could differ from those estimates.

Income Tax Status – The Organization is a not-for-profit Organization that the Internal Revenue Service has determined to be exempt from income taxes under Section 501(c)(6) of the Internal Revenue Code.

Advertising – Advertising costs are charged to expense as incurred. The Organization's advertising costs totaled \$ 13,363 and \$ 16,146 for the years ended December 31, 2010 and 2009, respectively.

OF DEFIANCE COUNTY
NOTES TO FINANCIAL STATEMENTS
December 31, 2010 and 2009**

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expense Allocation – Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are charged to programs and supporting services on the basis of management estimates. Administrative expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

Restricted And Unrestricted Revenue – Contributions received are recorded as increases in unrestricted, temporarily restricted, or permanently restricted net assets, depending on the existence and/or nature of any donor restrictions.

Unless specifically restricted by the donor, all contributions and grants are considered to be available for unrestricted use in the activities of the Organization.

The Board of Trustees has discretionary control of the unrestricted net assets to use in the activities of the Organization.

NOTE 2 – NOTE RECEIVABLE

Notes Receivable consists of the following:

	12-31-10	12-31-09
Notes receivable from Northwest Ethanol, LLC (a limited liability company), dated October 19, 2001, maturing June 30, 2005, due in 3 annual payments of \$ 10,000 beginning June 30, 2003, including interest at a fixed rate of 2.0%. Unsecured. Northwest Ethanol is delinquent in all of the principal payments and \$ 2103 of interest payments.	\$ 30,000	\$ 30,000
Amount due within one year	30,000	30,000
Amount due after one year	\$ 0	\$ 0

Although Northwest Ethanol still exists, the building of the ethanol plant in Hicksville, Ohio has been taken over by New Energy Corporation. The outcome of Northwest Ethanol's negotiations with New Energy Corporation will determine whether or not Northwest Ethanol will have funds to repay the loan. Because of the uncertainty of the negotiations, the fact the loan is unsecured, and none of the scheduled principal payments have been made, management feels the loan is impaired and that an allowance equal to the loan should be made. Any future interest payments received on this loan will be recognized when received.

NOTE 4 - CONCENTRATION

For the year ended December 31, 2010, the Organization received 47% (53% in 2009) of its revenue from Defiance County, City of Defiance, and the Village of Hicksville.

NOTE 5 - FUNDRAISING

The major revenue of the organization is support from area businesses and local governments. A professional fundraiser was hired in both 2004 and 2009 to conduct a fundraising campaign. Area businesses and local governments are approached and asked for a 5 year pledge. The pledges are not binding since the organization retains the right to modify or cancel the pledge.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH 'GOVERNMENT AUDITING STANDARDS'**

April 7, 2011

Board of Trustees
Community Improvement Corporation of Defiance County

We have audited the financial statements of the Community Improvement Corporation of Defiance County (a Nonprofit Organization) as of and for the year ended December 31, 2010, and have issued our report thereon dated April 7, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the organization's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the organization's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Board of Trustees
Community Improvement Corporation of Defiance County

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws and regulations, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we reported to management of Community Improvement Corporation of Defiance County in a separate letter dated April 7, 2011.

This report is intended solely for the information and use of the Board of Trustees, management, and others within the Organization and is not intended to be used and should not be used by anyone other than these specified parties.
