### Dave Yost · Auditor of State

Liberty Township Putnam County 10846 SR 613 Ottawa, Ohio 45875

#### To the Board of Trustees:

As you are aware, the Auditor of State's Office (AOS) must modify the *Independent Accountants' Report* we provide on your financial statements due to an interpretation from the American Institute of Certified Public Accountants (AICPA). While AOS does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. Our Report includes an adverse opinion relating to GAAP presentation and measurement requirements, but does not imply the amounts the statements present are misstated under the non-GAAP basis you follow. The AOS report also includes an opinion on the financial statements you prepared using the cash basis and financial statement format the AOS permits.

#### INDEPENDENT ACCOUNTANTS' REPORT

Liberty Township Putnam County 10846 SR 613 Ottawa, Ohio 45875

#### To the Board of Trustees:

We have audited the accompanying financial statements of Liberty Township, Putnam County, Ohio (the Township), as of and for the years ended December 31, 2010 and 2009. These financial statements are the responsibility of the Township's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. The Township processes its financial transactions with the Auditor of State's Uniform Accounting Network (UAN). *Government Auditing Standards* considers this service to impair the independence of the Auditor of State to audit the Township because the Auditor of State designed, developed, implemented, and as requested, operates UAN. However, *Government Auditing Standards* permits the Auditor of State to audit and opine on this entity, because Ohio Revised Code § 117.101 requires the Auditor of State to provide UAN services, and Ohio Revised Code § 117.11(A) mandates the Auditor of State to audit Ohio governments. We believe our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Township has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and GAAP, we presume they are material.

Instead of the combined funds the accompanying financial statements present, GAAP require presenting entity wide statements and also presenting the Township's larger (i.e. major) funds separately. While the Township does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statements do not substantially conform to GAAP presentation requirements. The Auditor of State permits, but does not require townships to reformat their statements. The Township has elected not to follow GAAP statement formatting requirements. The following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

Liberty Township Putnam County Independent Accountants' Report Page 2

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above for the years ended December 31, 2010 and 2009 do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Township as of December 31, 2009 and 2010, or its changes in financial position for the years then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances of Liberty Township, Putnam County as of December 31, 2010 and 2009, and its combined cash receipts and disbursements for the years then ended on the accounting basis Note 1 describes.

The Township has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued our report dated September 19, 2011, on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance, and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

#### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2010 AND 2009

#### 1. Summary of Significant Accounting Policies

#### A. Description of the Entity

The constitution and laws of the State of Ohio establish the rights and privileges of Liberty Township, Putnam County, Ohio (the Township), as a body corporate and politic. A publicly-elected three-member Board of Trustees directs the Township. The Township provides road and bridge maintenance. The Township contracts with the Villages of Leipsic and Miller City to provide fire services.

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

#### **B.** Accounting Basis

These financial statements follow the accounting basis the Auditor of State prescribes or permits. This basis is similar to the cash receipts and disbursements accounting basis. The Township recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the Auditor of State prescribes or permits.

#### C. Deposits and Investments

The Township's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

The Township values certificates of deposit at cost,

#### D. Fund Accounting

The Township uses fund accounting to segregate cash and investments that are restricted as to use. The Township classifies its funds into the following types:

#### 1. General Fund

The General Fund reports all financial resources except those required to be accounted for in another fund.

#### 2. Special Revenue Funds

These funds account for proceeds from specific sources (other than from private-purpose trusts or for capital projects) that are restricted to expenditure for specific purposes. The Township had the following significant Special Revenue Funds:

<u>Road and Bridge Fund</u> – This fund receives property tax money for constructing, maintaining, and repairing Township road and bridges.

<u>Gasoline Tax Fund</u> - This fund receives gasoline tax money to pay for constructing, maintaining, and repairing Township roads.

#### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2010 AND 2009 (Continued)

#### 1. Summary of Significant Accounting Policies (Continued)

#### 3. Capital Project Fund

This fund accounts for receipts restricted to acquiring or constructing major capital projects. The Township had the following significant Capital Project Fund:

<u>Issue II Fund</u> - The Township received a grant from the State of Ohio to resurface Township roads.

#### E. Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

#### 1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Appropriations lapse at year end.

#### 2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus cash as of January 1. The County Budget Commission must also approve estimated resources.

#### 3. Encumbrances

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are canceled, and reappropriated in the subsequent year.

A summary of 2010 and 2009 budgetary activity appears in Note 3.

#### F. Property, Plant, and Equipment

The Township records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

#### G. Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

#### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2010 AND 2009 (Continued)

#### 2. Equity in Pooled Deposits

The Township maintains a deposit pool all funds use. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of deposits at December 31 was as follows:

	2010	2009
Demand deposits	\$3,232	\$1,616
Certificates of deposit	327,300	317,900
Total deposits	\$330,532	\$319,516

**Deposits:** Deposits are insured by the Federal Depository Insurance Corporation; or collateralized by securities specifically pledged by the financial institution to the Township; or collateralized by the financial institution's public entity deposit pool.

#### 3. Budgetary Activity

Budgetary activity for the years ending December 31, 2010 and 2009 follows:

2010 Budgeted vs. Actual Receipts

	Budgeted	Actual			
Fund Type	Receipts	Receipts	Variance		
General	\$49,175	\$57,950	\$8,775

Capital Projects	29,435	29,435	
Total	\$555,802	\$289,631	\$266,171

#### 4. Property Tax

Real property taxes become a lien on January 1 preceding the October 1 date for which the Trustees adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. The financial statements include homestead and rollback amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Township.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

#### 5. Retirement Systems

A. The Township's employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plans' benefits, which include postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2010 and 2009, OPERS members contributed 10%, respectively, of their gross salaries and the Township contributed an amount equaling 14%, respectively, of participants' gross salaries. The Township has paid all contributions required through December 31, 2010.

#### B. Social Security System

Effective July 1, 1991, all employees not otherwise covered by the Ohio Public Employees Retirement System have an option to choose Social Security or the Ohio Public Employees Retirement System. As of December 31, 2010, the Fiscal Officer and a Trustee have elected Social Security. The Township's liability is 6.2 percent of wages paid.

#### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2010 AND 2009 (Continued)

#### 6. Risk Pool Membership

Prior to 2009, the Township belonged to the Ohio Government Risk Management Plan (the "Plan"), a non-assessable, unincorporated non-profit association providing a formalized, jointly administered self-insurance risk management program and other administrative services to Ohio governments ("Members"). The Plan was legally separate from its member governments.

On January 1, 2009, through an internal reorganization, the Plan created three separate non-profit corporations including:

- Ohio Plan Risk Management, Inc. (OPRM) formerly known as the Ohio Risk Management Plan;
- Ohio Plan Healthcare Consortium, Inc. (OPHC) formerly known as the Ohio Healthcare Consortium; and
- Ohio Plan, Inc. mirrors the oversight function previously performed by the Board of Directors.
   The Board of Trustees consists of eleven (11) members that include appointed and elected officials from member organizations.

Pursuant to Section 2744.081 of the Ohio Revised Code, the plan provides property, liability, errors and omissions, law enforcement, automobile, excess liability, crime, surety and bond, inland marine and other coverages to its members sold through fourteen appointed independent agents in the State of Ohio. These coverage programs, referred to as Ohio Plan Risk management ("OPRM"), are developed specific to each member's risk management needs and the related premiums for coverage are determined through the application of uniform underwriting criteria addressing the member's exposure to loss, except OPRM retains 40% (17.5% through October 31, 2010 and 15% through October 31, 2009) of the premium and losses on the first \$250,000 casualty treaty and 10% of the first \$1,000,000 property treaty. Members are only responsible for their self-retention (deductible) amounts, which vary from member to member. OPRM had 761 and 725 members as of December 31, 2010 and 2009 respectively. The Government participates in this coverage.

The Plan formed the Ohio Plan Healthcare Consortium ("OPHC"), as authorized by Section 9.833 of the Ohio Revised Code. The OPHC was established to provide cost effective employee benefit programs for Ohio political sub-divisions and is a self-funded, group purchasing consortium that offers medical, dental, vision and prescription drug coverage as well as life insurance for its members. The OPHC is sold through seventeen appointed independent agents in the State of Ohio. Coverage programs are developed specific to each member's healthcare needs and the related premiums for coverage are determined through the application of uniform underwriting criteria. Variable plan options are available to members. These plans vary primarily by deductibles, coinsurance levels, office visit co-pays and out-of pocket maximums. OPHC had 65 and 60 members as of December 31, 2010 and 2009 respectively. The Government does not participate in this coverage.

Plan members are responsible to notify the Plan of their intent to renew coverage by their renewal date. If a member chooses not to renew with the Plan, they have no other financial obligation to the Plan, but still need to promptly notify the Plan of any potential claims occurring during their membership period. The former member's covered claims, which occurred during their membership period, remain the responsibility of the Plan.

Settlement amounts did not exceed insurance coverage for the past three fiscal years.

#### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2010 AND 2009 (Continued)

#### 6. Risk Pool Membership (Continued)

The Pool's audited financial statements conform with generally accepted accounting principles, and reported the following assets, liabilities and retained earnings at December 31: 2010 and 2009.

	20	10	20	009
	OPRM	OPHC	OPRM	OPHC
Assets	\$12,036,541	\$1,355,131	\$11,176,186	\$1,358,802
Liabilities	(4,845,056)	(1,055,096)	(4,852,485)	(1,253,617)
Members <sup>'</sup> Equity	\$7,191,485	\$300,035	\$6,323,701	\$105,185

You can read the complete audited financial statements for OPRM and OPHC at the Plan's website, www.ohioplan.org.

## INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Liberty Township Putnam County 10846 SR 613 Ottawa, Ohio 45875

#### To the Board of Trustees:

We have audited the financial statements of Liberty Township, Putnam County, Ohio (the Township), as of and for the years ended December 31, 2010 and 2009, and have issued our report thereon dated September 19, 2011 wherein we noted the Township followed accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. We also noted the Township processes its financial transactions with the Auditor of State's Uniform Accounting Network (UAN). Government Auditing Standards considers this service to impair the independence of the Auditor of State to audit the Village because the Auditor of State designed, developed, implemented, and as requested, operates UAN. However, Government Auditing Standards permits the Auditor of State to audit and opine on this entity, because Ohio Revised Code § 117.101 requires the Auditor of State to provide UAN services, and Ohio Revised Code § 117.11(A) mandates the Auditor of State to audit Ohio governments. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' Government Auditing Standards.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Township's internal control over financial reporting as a basis for designing our audit procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of opining on the effectiveness of the Township's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Township's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A material weakness is a deficiency, or combination of internal control deficiencies resulting in more than a reasonable possibility that a material misstatement of the Township's financial statements will not be prevented, or detected and timely corrected.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider material weaknesses, as defined above.

Financial Reporting and on Compliance and Other Matters

#### **Compliance and Other Matters**

As part of reasonably assuring whether the Township's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

We intend this report solely for the information and use of management, the audit committee, Board of Trustees, and others within the Township. We intend it for no one other than these specified parties
