INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Clark Township
Holmes County
3674 County Road 70
Sugarcreek, Ohio 44681

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Clark Township, Holmes County, Ohio (the Township) agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2011 and 2010, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The Township processes its financial transactions with the Auditor of State's Uniform Accounting Network (UAN). *Government Auditing Standards* considers this service to impair the independence of the Auditor of State to provide attest services to the Township because the Auditor of State designed, developed, implemented, and as requested, operates UAN. However, *Government Auditing Standards* permits the Auditor of State to perform this engagement, because Ohio Revised Code § 117.101 requires the Auditor of State to provide UAN services, and Ohio Revised Code § 117.11(A) mandates the Auditor of State to perform attest services for Ohio governments.

This report only describes exceptions exceeding \$10.

Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the General, Gasoline Tax and Road Levy funds for the years ended December 31, 2011 and 2010. The amounts agreed.
2. We scanned the appropriation measures adopted for 2011 and 2010 to determine whether, for the General, Gasoline Tax and Road Levy funds, the Trustees appropriated separately for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2011 and 2010 for the following funds: General, Gasoline Tax and Road Levy funds. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status Report.
4. Ohio Rev. Code Section 5705.39 prohibits appropriations from exceeding the certified resources. Compliance – Budgetary (continued)

5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2011 and 2010 for the General, Gasoline Tax and Road Levy fund, as recorded in the Appropriation Status Report. We noted no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We scanned the Receipt Register Report for evidence of new restricted receipts requiring a new fund during December 31, 2011 and 2010. We also inquired of management regarding whether the Township received new restricted receipts. We noted no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Township to establish a new fund.
7. We scanned the 2011 and 2010 Revenue Status Reports and Appropriation Status Reports for evidence of inter-fund transfers exceeding \$5,000 which Ohio Rev. Code Sections 5705.14 -- .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.
8. We inquired of management and scanned the Appropriation Status Reports to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. We noted the Township did not establish these reserves.

Compliance – Contracts & Expenditures

1. We inquired of management and scanned the Payment Register Detail report for the years ended December 31, 2011 and 2010 for procurements requiring competitive bidding under the following statutes:

 - h. Maintenance and repair of roads exceeding \$45,000 (Ohio Rev. Code Section 5575.01)
 - i. Construction or reconstruction of a township road exceeding \$15,000/per mile (Ohio Rev. Code Section 5575.01)

Compliance – Contracts & Expenditures (continued)

We identified purchases of materials for the use of maintaining and repairing roads exceeding \$25,000, subject to Ohio Rev. Code Section 5549.21. For these purchases, we noted the Board advertised for material prices in the local newspaper, and selected the best bidders.

We identified road maintenance and repair projects exceeding \$45,000, subject to Ohio Rev. Code Section 5575.01. For these projects, we noted the Board advertised the project in the local newspaper and selected the lowest responsible bidder.

2. We inquired of management and scanned the Payment Register Detail Report for the years ended December 31, 2011 and 2010 to determine if the Township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct Township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.
3. For the road maintenance project described in step 1 above, we reviewed invoices and other supporting documentation and noted they required the contractor to pay prevailing wages to their employees as required by Ohio Revised Code Section 4115.04 and 4115.05. The contract included the Ohio Department of Commerce's schedule of prevailing rates.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, and others within the Township, and is not intended to be, and should not be used by anyone other than these specified parties.
