INDEPENDENT ACCOUNTANTS' REPORT

Imagine Akron Academy
Summit County
388 South Main Street
Akron, Ohio 44311

To the Board of Directors:

We have audited the accompanying financial statements of the Imagine Akron Academy, Summit County, Ohio (the Academy), as of and for the year ended June 30, 2012, as listed in the table of contents. These financial statements are the responsibility of the Academy's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Imagine Akron Academy, Summit County, Ohio, as of June 30, 2012, and the changes in financial position and where applicable, cash flows, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated March 11, 2013, on our consideration of the Academy's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

Accounting principles generally accepted in the United States of America require this presentation to include *Management's discussion and analysis*, as listed in the table of contents, to supplement the basic financial statements. Although this information is not part of the basic financial statements, the Governmental Accounting Standards Board considers it essential for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any other assurance.

MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED JUNE 30, 2012
UNAUDITED

The discussion and analysis of the Imagine Akron Academy (the "Academy") financial performance provides an overall review of the Academy's financial activities for the fiscal year ended June 30, 2012. The intent of this discussion and analysis is to look at the Academy's financial performance as a whole; readers should also review the notes to the basic financial statements and financial statements to enhance their understanding of the Academy's financial performance.

Financial Highlights

Key financial highlights for 2012 are as follows:

- In total, net assets were deficit \$119,562 at June 30, 2012.
- The Academy had operating revenues of \$1,051,254, operating expenses of \$1,616,880 and non-operating revenues of \$441,763 for fiscal year 2012. The operating loss was \$565,626 and the change in net assets was a decrease of \$123,863 in the Academy's second year of operations.

Using these Basic Financial Statements

This annual report consists of a series of financial statements and notes to those statements. These statements are organized so the reader can understand the Academy's financial activities. The *statement of net assets* and *statement of revenues, expenses and changes in net assets* provide information about the activities of the Academy, including all short-term and long-term financial resources and obligations.

Reporting the Academy's Financial Activities

Statement of Net Assets, Statement of Revenues, Expenses, and Changes in Net Assets and the Statement of Cash Flows

These documents look at all financial transactions and ask the question, "How did we do financially during 2012?" The statement of net assets and the statement of revenues, expenses and changes in net assets answer this question. These statements include *all assets, liabilities, revenues and expenses* using the *accrual basis of accounting* similar to the accounting used by most private-sector companies. This basis of accounting will take into account all of the current year's revenues and expenses regardless of when cash is received or paid.

These two statements report the Academy's *net assets* and changes in those assets. This change in net assets is important because it tells the reader that, for the Academy as a whole, the *financial position* of the Academy has improved or diminished. The causes of this change may be the result of many factors, some financial, some not. These statements can be found on pages 7 and 8 of this report.

The statement of cash flows provides information about how the Academy finances and meets the cash flow needs of its operations. The statement of cash flows can be found on page 9 of this report.

MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED JUNE 30, 2012
UNAUDITED

The table below provides a comparative analysis of fiscal years 2012 and 2011:

	Net Assets		
	<u>2012</u>	<u>2011</u>	<u>Variance</u>
<u>Assets</u>			
Current assets	\$ 51,273	\$ 55,394	\$ (4,121)

Total net assets (deficit)	<u>\$ (119,562)</u>	<u>\$ 4,301</u>	<u>\$ (123,863)</u>

Over time, net assets can serve as a useful indicator of a government's financial position. At June 30, 2012 and 2011, the Academy's net assets totaled deficit \$119,562 and \$4,301, respectively.

Current assets represent cash, accounts and intergovernmental receivables. The Academy reported an intergovernmental receivable for grants at June 30, 2012 and 2011 in the amount of \$35,093 and \$44,750, respectively. As a result of the full-time equivalency review by the Ohio Department of Education at June 30, 2012 and 2011, an intergovernmental receivable in the amount of \$15,941 and \$5,410 was reported (see Note 15.B to the notes to the basic financial statements for detail).

Current liabilities of \$50,835 and \$51,093 at June 30, 2012 and 2011, respectively, represent accounts and intergovernmental payables for professional services. Additional current liabilities of \$120,000 at June 30, 2012, represent advances payable to the Academy's operating company for covering operating expenses (see Note 10 for detail). The advances payable to operating company contributed to the deficit net assets at June 30, 2012 (see Note 16 for detail).

The Academy began operations in fiscal year 2011 as a kindergarten through sixth grade school with 30 students. Effective for fiscal year 2012 the Academy became kindergarten only, providing services to 145 students. The increase in State foundation revenue and overall expenses is attributed to the increase in student enrollment. The Academy relies on State foundation revenues for operations, with 69.93 percent of total revenues coming from State foundation for fiscal year 2012. Federal and state grants include monies received from the Federal breakfast and lunch, Federal Start-Up, Title VI-B, Title I, and Education Jobs programs. The Academy contracted with Imagine Schools, Inc. for management services for the entire fiscal year for 2012 (see Note 9.B to the notes to the financial statements), and as a result there were no expenses for salaries and wages and materials and supplies.

Debt

The Academy had no debt obligations outstanding at June 30, 2012 or June 30, 2011.

Capital Assets

The Academy had no capital assets to report at June 30, 2012 or June 30, 2011.

Restrictions and Other Limitations

The future stability of the Academy is not without challenges. The Academy does not receive any funds from taxes. The primary source of funding is the State foundation program. An economic slowdown in the State could result in budgetary cuts to education, which would have a negative impact on the Academy.

Current Financial Related Activities

The Academy is sponsored by Portage County Educational Service Center. The Academy is reliant upon State foundation monies and Federal Grants to offer quality, educational services to students.

In order to continually provide learning opportunities to the Academy's students, the Academy will apply resources to best meet the needs of its students. It is the intent of the Academy to apply for other State and Federal funds that are made available to finance its operations.

**NOTES TO BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2012**

NOTE 1 - DESCRIPTION OF THE ACADEMY

The Imagine Akron Academy (the "Academy") is a nonprofit corporation established pursuant to Ohio Revised Code Chapters 3314 and 1702. The Academy's objective is to address the needs of students through a core subject focus educational approach for grades kindergarten through sixth grade for fiscal year 2011 and kindergarten only beginning in fiscal year 2012. The Academy, which is part of the State's education program, is independent of any school district and is nonsectarian in its programs, admission policies, employment practices, and all other operations. The Academy may sue and be sued, acquire facilities as needed, and contract for any services necessary for the operation of the Academy.

On May 12, 2010, the Academy, originally named the Pathways to Success Akron Community School, was approved under contract with the Portage County Educational Service Center (the "Sponsor") commencing on July 1, 2010 and ending on June 30, 2015. The Sponsor is responsible for evaluating the performance of the Academy and has the authority to deny renewal of the contract at its expiration.

For the period July 1, 2010 through November 29, 2010, Multi-State Billing Services, LLC served as the management company for the Academy. The Academy began contracting with Imagine Schools, Inc. for most functions effective November 30, 2010 (see Note 9.B for detail), at which time the school was renamed the Imagine Akron Academy.

The Academy operates under the direction of a Governing Board which must contain at least five Directors who are not owners or employees, or relatives of owners or employees, of any for-profit company that operates or manages the Academy. The Governing Board is responsible for carrying out the provisions of the contract, which include, but are not limited to, State-mandated provisions regarding student population, curriculum, academic goals, performance standards, admission standards and qualification of teachers. The Governing Board controls the Academy's instructional/support facility staffed by employees of the management company who provide services to 145 students.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The basic financial statements (BFS) of the Academy have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The Academy also applies Financial Accounting Standards Board (FASB) Statements and Interpretations issued prior to November 30, 1989, provided those pronouncements do not conflict with or contradict GASB pronouncements. The Academy has elected not to apply FASB Statements and Interpretations issued after November 30, 1989. The Academy's significant accounting policies are described below.

A. Basis of Presentation

The Academy's basic financial statements consist of a statement of net assets, a statement of revenues, expenses, and changes in net assets, and a statement of cash flows.

The Academy uses a single enterprise presentation. Enterprise reporting focuses on the determination of operating income, changes in net assets, financial position, and cash flows.

**IMAGINE AKRON ACADEMY
SUMMIT COUNTY, OHIO**

NOTES TO BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2012

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

B. Measurement Focus

Enterprise activity is accounted for using a flow of economic resources measurement focus. All assets and all liabilities associated with the operation of the Academy are included on the statement of net assets. The statement of revenues, expenses and changes in net assets presents increases (e.g. revenues) and decreases (e.g. expenses) in total net assets. The statement of cash flows reflects how the Academy finances meet its cash flow needs.

C. Basis of Accounting

Basis of accounting determines when transactions are recognized in the financial records and reported on the financial statements. The Academy's financial statements are prepared using the accrual basis of accounting. Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded on the accrual basis when the exchange takes place. Revenue resulting from non-exchange transactions, in which the Academy receives value without directly giving equal value in return, such as grants and entitlements, are recognized in the period in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the period when the resources are required to be used or the period when use is first permitted, matching requirements, in which the Academy must provide local resources to be used for a specific purpose, and expenditure requirements, in which the resources are provided to the Academy on a reimbursement basis. Expenses are recognized at the time they are incurred.

D. Budgetary Process

The contract between the Academy and its Sponsor prescribes an annual budget requirement in addition to preparing a 5-year forecast, which is to be updated on an annual basis. Chapter 5705.391 of the Ohio Revised Code also requires the Academy to prepare a 5-year forecast, update it annually and submit it to the Superintendent of Public Instruction at the Ohio Department of Education.

E. Cash

Cash received by the Academy is reflected as "cash" on the statement of net assets. Unless otherwise noted, all monies received by the Academy are pooled and deposited in a central bank account as demand deposits. The Academy did not have any investments during fiscal year 2012.

F. Capital Assets

Capital assets are capitalized at cost or estimated historical cost and updated for additions and deletions during the year. The Academy has established a capitalization threshold of \$1,500. The Academy does not have any infrastructure. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset's life are not capitalized.

The Academy had no capital assets over the threshold to report at June 30, 2012.

**IMAGINE AKRON ACADEMY
SUMMIT COUNTY, OHIO**

NOTES TO BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2012

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

G. Net Assets

Net assets represent the difference between assets and liabilities. Net assets are reported as restricted when there are limitations imposed on their use either through the enabling legislation or through external restrictions imposed by creditors, grantors or laws or regulations of other governments.

The Academy applies restricted resources first when an expense is incurred for purposes for which both restricted and unrestricted net assets are available.

H. Intergovernmental Revenues

The Academy currently participates in the State Foundation Program, Special Education, and the Parity Aid Program. Revenue received from these programs is recognized as operating revenues. Amounts awarded under these programs for the 2012 school year totaled \$1,051,254.

Grants and entitlements are recognized as non-operating revenues in the accounting period in which all eligibility requirements have been met. Eligibility includes timing requirements, which specify the year when the resources are required to be used or the fiscal year when use is first permitted; matching requirements, in which the Academy must provide local resources to be used for a specified purpose; and expenditure requirements, in which the resources are provided to the Academy on a reimbursement basis. Federal and State grant revenue received during fiscal year 2012 was \$441,763.

I. Accrued Liabilities and Long-Term Obligations

All payables and other accrued liabilities are reported on the statement of net assets.

J. Operating Revenues and Expenses

Operating revenues are those revenues that are generated directly from the primary activity of the Academy. Operating expenses are necessary costs incurred to provide the service that is the primary activity of the Academy. All revenues and expenses not meeting this definition are reported as non-operating.

K. Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

NOTE 3 - ACCOUNTABILITY AND COMPLIANCE

Change in Accounting Principles

For fiscal year 2012, the Academy has implemented GASB Statement No. 57, "OPEB Measurements by Agent Employers and Agent Multiple-Employer Plans", and GASB Statement No. 64, "Derivative Instruments: Application of Hedge Accounting Termination Provisions - an Amendment of GASB Statement No. 53".

**IMAGINE AKRON ACADEMY
SUMMIT COUNTY, OHIO**

NOTES TO BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2012

NOTE 3 - ACCOUNTABILITY AND COMPLIANCE - (Continued)

GASB Statement No. 57 addresses issues related to the use of the alternative measurement method and the frequency and timing of measurements by employers that participate in agent multiple-employer other postemployment benefit (OPEB) plans. The implementation of GASB Statement No. 57 did not have an effect on the financial statements of the Academy.

GASB Statement No. 64 clarifies the circumstances in which a hedge accounting should continue when a swap counterparty, or a swap counterparty's credit support provider, is replaced. The implementation of GASB Statement No. 64 did not have an effect on the financial statements of the Academy.

NOTE 4 - DEPOSITS

Custodial credit risk is the risk that, in the event of bank failure, the Academy's deposits may not be returned. The Academy does not have a deposit policy for custodial credit risk. At June 30, 2012, the carrying amount of the Academy's deposits was \$239 and the bank balance was \$284. The entire bank balance was covered by the Federal Deposit Insurance Corporation (FDIC). There are no significant statutory restrictions regarding the deposit and investment of funds by the non-profit corporation.

NOTE 5 - RECEIVABLES/PAYABLES

Receivables at June 30, 2012, consisted of intergovernmental receivables arising from grants and entitlements and amounts due from other governments. All receivables are considered collectible in full. A summary of the intergovernmental receivables follows:

Intergovernmental receivable:	<u>Amount</u>
Federal breakfast & lunch reimbursement	\$ 12,171
Federal start-up grant	22,912
Education jobs	10
Ohio Department of Education (ODE) - FY12 enrollment and full-time equivalency (FTE) adjustment	<u>15,941</u>
Total intergovernmental receivables	<u>\$ 51,034</u>

Under the terms of the operating contract with Imagine Schools, Inc. (see Note 9.B for detail), the Academy has recorded accounts payable to Imagine Schools, Inc. in the amount of \$35,083, for 100 percent of any State and Federal grant monies uncollected or unpaid as of June 30, 2012 and \$14,347 for 90 percent of the amount of the ODE FY12 FTE adjustment receivable at June 30, 2012.

Under the terms of the employee lease agreement with Great Western Academy (see Note 14 for detail), the Academy has recorded an intergovernmental payable in the amount of \$10, for 100 percent of any Education Jobs program grant monies uncollected or unpaid as of June 30, 2012.

NOTE 6 - PENSION PLANS

The Academy has contracted with Imagine Schools, Inc. (See Note 9.B) to provide employee services and to pay those employees. However, these contract services do not relieve the Academy of the obligation for remitting pension contributions. The retirement systems consider the Academy as the Employer-of-Record and the Academy ultimately responsible for remitting retirement contributions to the systems noted below:

NOTE 6 - PENSION PLANS - (Continued)

A. School Employees Retirement System

Plan Description - Imagine Schools, Inc., on behalf of the Academy, contributes to the School Employees Retirement System (SERS), a cost-sharing, multiple-employer defined benefit pension plan. SERS provides retirement, disability, survivor benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Authority to establish and amend benefits is provided by Chapter 3309 of the Ohio Revised Code. SERS issues a publicly available, stand-alone financial report that includes financial statements and required supplementary information. That report may be obtained by writing to the School Employees Retirement System, 300 East Broad Street, Suite 100, Columbus, Ohio 43215-3746. It is also posted on the SERS' Ohio website, www.ohsers.org, under "Employers/Audit Resources".

Funding Policy - Plan members are required to contribute 10 percent of their annual covered salary and the Academy is required to contribute at an actuarially determined rate. The current Academy rate is 14 percent of annual covered payroll. A portion of the Academy's contribution is used to fund pension obligations with the remainder being used to fund health care benefits. For fiscal year 2012, 12.65 percent and 0.05 percent of annual covered salary was the portion used to fund pension obligations and death benefits, respectively. The contribution requirements of plan members and employers are established and may be amended by the SERS' Retirement Board up to a statutory maximum amount of 10 percent for plan members and 14 percent for employers. Chapter 3309 of the Ohio Revised Code provides statutory authority for member and employer contributions. The Academy's required contribution for pension obligations and death benefits to SERS for the fiscal years ended June 30, 2012 and 2011 were \$11,430 and \$11,810, respectively; 100 percent has been contributed for fiscal years 2012 and 2012.

B. State Teachers Retirement System of Ohio

Plan Description - Imagine Schools, Inc., on behalf of the Academy, participates in the State Teachers Retirement System of Ohio (STRS Ohio), a cost-sharing, multiple-employer public employee retirement plan. STRS Ohio provides retirement and disability benefits to members and death and survivor benefits to beneficiaries. STRS Ohio issues a stand-alone financial report that may be obtained by writing to STRS Ohio, 275 E. Broad St., Columbus, OH 43215-3771, by calling (888) 227-7877, or by visiting the STRS Ohio website at www.strsoh.org, under "Publications".

New members have a choice of three retirement plans, a Defined Benefit (DB) Plan, a Defined Contribution (DC) Plan and a Combined Plan. The DB plan offers an annual retirement allowance based on final average salary times a percentage that varies based on years of service, or an allowance based on a member's lifetime contributions and earned interest matched by STRS Ohio funds divided by an actuarially determined annuity factor. The DC Plan allows members to place all their member contributions and employer contributions equal to 10.5 percent of earned compensation into an investment account. Investment decisions are made by the member. A member is eligible to receive a retirement benefit at age 50 and termination of employment. The member may elect to receive a lifetime monthly annuity or a lump sum withdrawal. The Combined Plan offers features of both the DC Plan and the DB Plan. In the Combined Plan, member contributions are invested by the member, and employer contributions are used to fund the defined benefit payment at a reduced level from the regular DB Plan. The DB portion of the Combined Plan payment is payable to a member on or after age 60; the DC portion of the account may be taken as a lump sum or converted to a lifetime monthly annuity at age 50. Benefits are established by Chapter 3307 of the Ohio Revised Code.

NOTES TO BASIC FINANCIAL STATEMENTS

NOTE 6 - PENSION PLANS - (Continued)

A DB or Combined Plan member with five or more years credited service who becomes disabled may qualify for a disability benefit. Eligible spouses and dependents of these active members who die before retirement may qualify for survivor benefits. Members in the DC Plan who become disabled are entitled only to their account balance. If a member of the DC Plan dies before retirement benefits begin, the member's designated beneficiary is entitled to receive the member's account balance.

Funding Policy - For fiscal year 2012, plan members were required to contribute 10 percent of their annual covered salaries. The Academy was required to contribute 14 percent; 13 percent was the portion used to fund pension obligations. Contribution rates are established by the State Teachers Retirement Board, upon recommendations of its consulting actuary, not to exceed statutory maximum rates of 10 percent for members and 14 percent for employers. Chapter 3307 of the Ohio Revised Code provides statutory authority for member and employer contributions.

The Academy's required contribution for pension obligations to STRS Ohio for the fiscal years ended June 30, 2012 and 2011 were \$25,601 and \$18,447, respectively; 100 percent has been contributed for fiscal years 2012 and 2011.

NOTE 7 - POSTEMPLOYMENT BENEFITS

A. School Employees Retirement System

Plan Description - Imagine Schools, Inc., on behalf of the Academy, participates in two cost-sharing, multiple employer postemployment benefit plans administered by the School Employees Retirement System (SERS) for non-certificated retirees and their beneficiaries, a Health Care Plan and a Medicare Part B Plan. The Health Care Plan includes hospitalization and physicians' fees through several types of plans including HMO's, PPO's, Medicare Advantage, and traditional indemnity plans. A prescription drug program is also available to those who elect health coverage. SERS employs two third-party administrators and a pharmacy benefit manager to manage the self-insurance and prescription drug plans, respectively. The Medicare Part B Plan reimburses Medicare Part B premiums paid by eligible retirees and beneficiaries as set forth in Section 3309.69 of the Ohio Revised Code. Qualified benefit recipients who pay Medicare Part B premiums may apply for and receive a monthly reimbursement from SERS. The reimbursement amount is limited by statute to the lesser of the January 1, 1999 Medicare Part B premium or the current premium. The Medicare Part B premium for calendar year 2011 (latest information available) was \$96.40 for most participants, but could be as high as \$369.10 per month depending on their income and the SERS' reimbursement to retirees was \$45.50. Benefit provisions and the obligations to contribute are established by the System based on authority granted by State statute. The financial reports of both Plans are included in the SERS Comprehensive Annual Financial Report which is available by contacting SERS at 300 East Broad St., Suite 100, Columbus, Ohio 43215-3746. It is also posted on the SERS' Ohio website, www.ohsers.org, under "Employers/Audit Resources".

NOTE 7 - POSTEMPLOYMENT BENEFITS - (Continued)

Funding Policy - State statute permits SERS to fund the health care benefits through employer contributions. Each year, after the allocation for statutorily required benefits, the Retirement Board allocates the remainder of the employer contribution of 14 percent of covered payroll to the Health Care Fund. The Health Care Fund was established and is administered in accordance with Internal Revenue Code Section 105(e). For 2012, 0.55 percent of covered payroll was allocated to health care. An additional health care surcharge on employers is collected for employees earning less than an actuarially determined minimum compensation amount, pro-rated according to service credit earned. Statutes provide that no employer shall pay a health care surcharge greater than 2.0 percent of that employer's SERS-covered payroll; nor may SERS collect in aggregate more than 1.5 percent of the statewide SERS-covered payroll for the health care surcharge. For fiscal year 2012, the actuarially determined amount was \$35,800.

Active members do not contribute to the postemployment benefit plans. The Retirement Board establishes the rules for the premiums paid by the retirees for health care coverage for themselves and their dependents or for their surviving beneficiaries. Premiums vary depending on the plan selected, qualified years of service, Medicare eligibility and retirement status.

The Academy's contribution for health care for the fiscal years ended June 30, 2012 and 2011 were \$495 and \$1,430, respectively; 100 percent has been contributed for fiscal years 2012 and 2011.

The Retirement Board, acting with advice of the actuary, allocates a portion of the employer contribution to the Medicare B Fund. For fiscal year 2012, this actuarially required allocation was 0.75 percent of covered payroll. The Academy's contribution for Medicare Part B for the fiscal years ended June 30, 2012 and 2011 were \$675 and \$760, respectively; 100 percent has been contributed for fiscal years 2012 and 2011.

B. State Teachers Retirement System of Ohio

Plan Description - Imagine Schools, Inc., on behalf of the Academy, contributes to the cost sharing, multiple employer defined benefit Health Plan (the "Plan") administered by the State Teachers Retirement System of Ohio (STRS Ohio) for eligible retirees who participated in the defined benefit or combined pension plans offered by STRS Ohio. Benefits include hospitalization, physicians' fees, prescription drugs and reimbursement of monthly Medicare Part B premiums. The Plan is included in the report of STRS Ohio which may be obtained by visiting www.strsoh.org, under "Publications" or by calling (888) 227-7877.

Funding Policy - Ohio law authorizes STRS Ohio to offer the Plan and gives the Retirement Board authority over how much, if any, of the health care costs will be absorbed by STRS Ohio. Active employee members do not contribute to the Plan. All benefit recipients pay a monthly premium. Under Ohio law, funding for post-employment health care may be deducted from employer contributions. For 2012, STRS Ohio allocated employer contributions equal to 1 percent of covered payroll to the Health Care Stabilization Fund. The Academy's contribution for health care for the fiscal years ended June 30, 2012 and 2011 were \$1,969 and \$1,419, respectively; 100 percent has been contributed for fiscal years 2012 and 2011.

INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

Imagine Akron Academy
Summit County
388 South Main Street
Akron, Ohio 44311

To the Board of Directors:

We have audited the financial statements of the Imagine Akron Academy, Summit County, Ohio (the Academy) as of and for the year ended June 30, 2012, and have issued our report thereon dated March 11, 2013. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Academy's internal control over financial reporting as a basis for designing our audit procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of opining on the effectiveness of the Academy's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Academy's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in more than a reasonable possibility that a material misstatement of the Academy's financial statements will not be prevented, or detected and timely corrected.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider material weaknesses, as defined above.

Compliance and Other Matters

As part of reasonably assuring whether the Academy's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

We intend this report solely for the information and use of management, the Board of Directors, the Academy's sponsor, and others within the Academy. We intend it for no one other than these specified parties.
