INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Jefferson Township
Brown County
7284 Clifton Avenue
Russellville, Ohio 45168

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Jefferson Township (the Township) and the Auditor of State agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2012 and 2011, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash and Investments

1. We tested the mathematical accuracy of the December 31, 2012 and December 31, 2011 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2011 beginning fund balances recorded in the Cash Basis Annual Financial Report to the December 31, 2010 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2012 beginning fund balances recorded in the Cash Basis Annual Financial Report to the December 31, 2011 balances in the Cash Basis Annual Financial Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2012 and 2011 fund cash balances reported in the Cash Basis Annual Financial Report. The amounts agreed.
4. We confirmed the December 31, 2012 bank account balances with the Township's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2012 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) haphazardly from the December 31, 2012 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. We noted no exceptions.

6. We tested investments held at December 31, 2012 and December 31, 2011 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions.
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

Property Taxes and Intergovernmental Cash Receipts

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2012 and one from 2011:
 - a. We traced the gross receipts from the *Statement* to the amount recorded in the Revenue Ledger. The amounts agreed.
 - b. We determined whether the receipt was allocated to the proper fund(s) as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We determined whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We scanned the Revenue Ledger to determine whether it included two real estate tax receipts for 2012 and 2011. We noted the Revenue Ledger included the proper number of tax receipts for each year.
3. We selected five receipts from the State Distribution Transaction Lists (DTL) from 2012 and all from 2011. We also selected five receipts from the County Auditor's Budget Inquiry Report from 2012 and five from 2011.
 - a. We compared the amount from the above reports to the amount recorded in the Revenue Ledger. The amounts agreed.
 - b. We determined whether these receipts were allocated to the proper fund(s). We found no exceptions.
 - c. We determined whether the receipts were recorded in the proper year. We found no exceptions.

Debt

1. The prior audit documentation disclosed no debt outstanding as of December 31, 2010.
2. We inquired of management, and scanned the Revenue Ledger and Appropriation Ledger for evidence of debt issued during 2012 or 2011 or debt payment activity during 2012 or 2011. We noted no new debt issuances, nor any debt payment activity during 2012 or 2011.

Payroll Cash Disbursements

1. We haphazardly selected one payroll check for all employees 2012 and one payroll check for all employees from 2011 from the Appropriation Ledger and:
 - a. We compared the hours and pay rate, or salary recorded in the Appropriation Ledger to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
 - b. We recomputed gross and net pay and agreed it to the amount recorded in the Appropriation Ledger. We found no exceptions.
 - c. We determined whether the fund and account code(s) to which the check was posted were reasonable based on the employees' duties as documented in the minute records or as required by statute. We also determined whether the payment was posted to the proper year. We found no exceptions.

2. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2012 to determine whether remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2012. We noted the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare	January 31, 2013	January 4, 2013	\$665.42	\$665.42
State income taxes	January 15, 2013	January 4, 2013	\$221.31	\$221.31
OPERS retirement	January 30, 2013	January 4, 2013	\$767.24	\$767.24

3. For the pay periods ended June 6, 2012 and October 5, 2011, we recomputed the allocation of the Fiscal Officer's and Boards' salaries to the General and Gasoline Tax Funds per the Appropriation Ledger. We found no exceptions.
4. For the pay periods described in the preceding step, we traced the Fiscal Officer's and Boards' salary for time or services performed to supporting certifications the Revised Code requires. We found no exceptions.

Non-Payroll Cash Disbursements

1. From the Appropriation Ledger, we re-footed checks recorded as General Fund disbursements for *health*, and checks recorded as *public works* in the Motor Vehicle License Tax Fund for 2012. We found no exceptions.
2. We haphazardly selected ten disbursements from the Appropriation Ledger for the year ended December 31, 2012 and ten from the year ended 2011 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Appropriation Ledger and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found one instance in 2012 where the certification date was after the vendor invoice date, and there was no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not test all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. We compared the total estimated receipts from the Amended Official Certificate of Estimated Resources required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Ledger for the General, Motor Vehicle License and Gasoline Tax funds for the years ended December 31, 2012 and 2011.

In 2011, the amounts on the Certificate were not entered into the Revenue Ledger. In 2012 the amounts on the Certificate agreed to the amount recorded in the revenue ledger, except for the General Fund. The Revenue Ledger recorded budgeted (i.e. certified) resources for the General fund of \$30,982 for 2012. However, the final Amended Official Certificate of Estimated Resources reflected \$47,205. The fiscal officer should periodically compare amounts recorded in the Revenue Ledger to amounts recorded on the Amended Official Certificate of Estimated Resources to assure they agree. If the amounts do not agree, the Trustees may be using inaccurate information for budgeting and monitoring purposes.

2. We scanned the appropriation measures adopted for 2012 and 2011 to determine whether, for the General, Motor Vehicle License and Gasoline Tax funds, the Trustees appropriated separately for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Ledger for 2012 and 2011 for the following funds: General, Motor Vehicle License and Gasoline Tax funds. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Ledger.
4. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Motor Vehicle License and Gasoline Tax funds for the years ended December 31, 2012 and 2011. We noted no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2012 and 2011 for General, Motor Vehicle License and Gasoline Tax funds, as recorded in the Appropriation Ledger. We noted no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We scanned the Revenue Ledger for evidence of new restricted receipts requiring a new fund during December 31, 2012 and 2011. We also inquired of management regarding whether the Township received new restricted receipts. The Township established the FEMA fund during 2012 to segregate Federal Emergency Management Agency receipts and disbursements, in compliance with Section 5705.09 and 2 CFR Part 176.210.
7. We scanned the 2012 and 2011 Revenue Ledger and Appropriation Ledger for evidence of interfund transfers exceeding \$10,000 which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.
8. We inquired of management and scanned the Appropriation Ledger to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. We noted the Township did not establish these reserves.

Compliance – Contracts & Expenditures

We inquired of management and scanned the Appropriation Ledger for the years ended December 31, 2012 and 2011 to determine if the Township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct Township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, the Auditor of State, and others within the Township, and is not intended to be, and should not be used by anyone other than these specified parties.
