INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Paint Township, Fayette County
11899 State Route 38 NW
Bloomington, OH 43106

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Paint Township, Fayette County, Ohio (the Township) and the Auditor of State agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2012 and 2011, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

1. We haphazardly selected one payroll check for five employees from 2012 and one payroll check for five employees from 2011 from the Employee Detail Adjustment Report and:

Compliance – Budgetary

1. We compared the total estimated receipts from the Amended Official Certificate of Estimated Resources, required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Receipt Journal for the General, Road and Bridge and Permissive Tax funds for the years ended December 31, 2012 and 2011. The amounts from the Certificate were not recorded in the manual Receipt Journal for any funds. The fiscal officer should periodically compare amounts recorded in the Receipt Journal to amounts recorded on the Amended Official Certificate of Estimated Resources to assure they agree. If the amounts do not agree, the Trustees may be using inaccurate information for budgeting and monitoring purposes.
2. We scanned the appropriation measures adopted for 2012 and 2011 to determine whether, for the General, Motor Vehicle License Tax, and Gasoline Tax funds, the Trustees appropriated separately for “each office, department, and division, and within each, the amount appropriated for personal services,” as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Section 5705.38 and 5705.40, to the amounts recorded in the Appropriation Ledger for 2012 and 2011 for the following funds: General, Motor Vehicle License Tax, and Gasoline Tax funds. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Ledger for 2012. For 2011, the amounts on the appropriation resolutions did not agree to the amounts recorded in the Appropriation Ledger for the General, Motor Vehicle License Tax and Gasoline Tax funds.
4. Ohio Rev. Code Section 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Gasoline Tax and Permissive Tax funds for the years ended December 31, 2012 and 2011. We noted no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2012 and 2011 for the General, Motor Vehicle License Tax and Gasoline Tax funds, as recorded in the Appropriation Ledger. We found no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We scanned the Receipts Journal for evidence of new restricted receipts requiring a new fund during December 31, 2012 and 2011. We also inquired of management regarding whether the Township received new restricted receipts. We noted no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Township to establish a new fund.

7. We scanned the 2012 and 2011 Receipt Journal and Appropriation Ledger for evidence of interfund transfers exceeding \$500 which Ohio Rev. Code Sections 5705.14-.16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.
8. We inquired of management and scanned the Appropriation Ledger to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. We noted the Township did not establish these reserves.

Compliance-Contracts & Expenditures

1. We inquired of management and scanned the Payment Register Detail Report for the years ended December 31, 2012 and 2011 to determine if the Township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, the Auditor of State, and others within the Township, and is not intended to be, and should be not be used by anyone other than these specified parties.
