### Independent Auditor's Report

Findlay Digital Academy  
Hancock County  
1219 West Main Cross  
Findlay, Ohio 45840

To the Board of Directors:

#### ***Report on the Financial Statements***

We have audited the accompanying financial statements of the Findlay Digital Academy, Hancock County, Ohio, a component unit of the Findlay City School District, as of and for the fiscal year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the Findlay Digital Academy's basic financial statements as listed in the table of contents.

#### ***Management's Responsibility for the Financial Statements***

Management is responsible for preparing and fairly presenting these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes designing, implementing, and maintaining internal control relevant to preparing and fairly presenting financial statements that are free from material misstatement, whether due to fraud or error.

#### ***Auditor's Responsibility***

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Findlay Digital Academy's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Findlay Digital Academy's internal control. Accordingly, we express no opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our opinion.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Findlay Digital Academy, Hancock County, Ohio, as of June 30, 2014, and the changes in its financial position and cash flows for the fiscal year then ended in accordance with the accounting principles generally accepted in the United States of America.

***Other Matters***

***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require this presentation to include *Management's discussion and analysis*, listed in the table of contents, to supplement the basic financial statements. Although this information is not part of the basic financial statements, the Governmental Accounting Standards Board considers it essential for placing the basic financial statements in an appropriate operational, economic, or historical context. We applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, consisting of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, to the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not opine or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to opine or provide any other assurance.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated November 24, 2014, on our consideration of the Findlay Digital Academy's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Findlay Digital Academy's internal control over financial reporting and compliance.

**MANAGEMENT'S DISCUSSION AND ANALYSIS  
FOR THE YEAR ENDED JUNE 30, 2014**

The management's discussion and analysis of the Findlay Digital Academy's (the "Academy") financial performance provides an overall review of the Academy's financial activities for the year ended June 30, 2014. The intent of this discussion and analysis is to look at the Academy's financial performance as a whole; readers should also review the notes to the basic financial statements and financial statements to enhance their understanding of the Academy's financial performance.

**Financial Highlights**

Key financial highlights for 2014 are as follows:

- In total, net position was \$1,579,163 at June 30, 2014. For fiscal year 2014, net position increased \$99,402, or 6.72%, over the net position at June 30, 2013.
- The Academy had operating revenues of \$1,076,053, operating expenses of \$1,063,073, non-operating revenues of \$92,147 and non-operating expenses of \$5,725 for fiscal year 2014. Total change in net position for the fiscal year was an increase of \$99,402.

**Using the Basic Financial Statements**

This annual report consists of a series of financial statements and notes to those statements. These statements are organized so the reader can understand the Academy's financial activities. The statement of net position and statement of revenues, expenses and changes in net position provide information about the activities of the Academy including all short-term and long-term financial resources and obligations.

**Reporting the Academy's Financial Activities**

These documents look at all financial transactions and ask the question, "How did we do financially during 2014?" The statement of net position and statement of revenues, expenses and changes in net position answer this question. These statements include all assets, liabilities, revenues and expenses using the accrual basis of accounting similar to the accounting used by most private-sector companies. This basis of accounting will take into account all of the current year's revenues and expenses regardless of when cash is received or paid.

These two statements report the Academy's net position and changes in that position. This change in net position is important because it tells the reader that, for the Academy as a whole, whether the financial position of the Academy has improved or diminished. The causes of this change may be the result of many factors, some financial, some not. These statements can be found on pages 7 and 8 of this report.

The statement of cash flows provides information about how the Academy's finances and meets the cash flow needs of its operations. The statement of cash flows can be found on page 9 of this report.

**NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE FISCAL YEAR ENDED JUNE 30, 2014**

**NOTE 1 - DESCRIPTION OF THE SCHOOL AND REPORTING ENTITY**

Findlay Digital Academy (the “Academy”) is a Conversion Community School established pursuant to Ohio Revised Code Chapter 3314, and sponsored by the Findlay City Schools (“FCS”) to serve ninth through twelfth grade students living in the Findlay City School District. The Academy’s mission is to enhance and facilitate student learning by combining state-of-the-art digital curriculum with access to local school resources to complement that instruction and prepare students to become lifelong learners and productive citizens.

The Findlay Digital Academy is considered a component unit of the Findlay City School District (“FCSD”) for reporting purposes, in accordance with Governmental Accounting Standards Board (GASB) Statement No. 14, “The Financial Reporting Entity” as amended by GASB Statement No. 39, “Determining Whether Certain Organizations Are Component Units” and GASB Statement No. 61, “The Financial Reporting Entity: Omnibus an amendment of GASB Statements No. 14 and No. 34”. The Academy is included as a component unit of the FCSD because the FCSD appoints the Academy’s Board of Directors. Therefore, the FCSD is able to significantly influence the programs or services performed or provided by the organization. In addition, through contractual arrangements, the FCSD is able to access a significant portion of the Academy’s resources.

The Academy is an innovative program operated as a cooperative effort between the Digital Academy Board of Directors and the Findlay City School District (“FCSD”). The Academy was approved for operation under a contract with the Findlay City School District (the “Sponsor”) commencing on April 1, 2004 and expiring on June 30, 2008. Another contract was signed in June 2008 that went through June 30, 2013. In June 2013, the Academy approved the current contract with the Sponsor that begins July 1, 2013 and expires June 30, 2018. The Academy enrolled its first students in January 2005. The Sponsor is responsible for evaluating the performance of the Academy and has the authority to deny renewal of the contract at its expiration or terminate the contract prior to its expiration.

The Academy is governed by a seven-member Board of Directors plus the FCSD Superintendent who serves as the nonvoting board president. The majority of the Board is composed of public officials or public sector employees who have a professional interest in furthering the establishment of the Academy. The Board may also include one or more parents of enrolled students and community civic leaders. The FCSD Treasurer serves as a nonvoting ex officio member of the Board.

The Academy uses distance-learning technology to deliver instruction via computers to students, either in their homes or a group-learning environment such as a computer classroom at school. Although the Academy cannot exercise control over the home environments in which instruction will be received, it attempts to take reasonable steps to ensure compliance with health and safety standards deemed available to its students and within the Academy’s control.

The Academy has entered into a purchased services agreement contract with the Tri-Rivers Educational Computer Association (“TRECA”) for technology and services. See Note 11 for detail on the Academy’s purchased services agreement contract with TRECA.

**NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE FISCAL YEAR ENDED JUNE 30, 2014**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The financial statements of the Academy have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units and nonprofit organizations. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The Academy's significant accounting policies are described below.

**A. Basis of Presentation**

The Academy's basic financial statements consist of a statement of net position; a statement of revenue, expenses, and changes in net position; and a statement of cash flows. Enterprise fund reporting focuses on the determination of the change in net position, financial position, and cash flows.

**B. Measurement Focus**

Enterprise accounting uses a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities are included on the statement of net position. The statement of changes in net position presents increases (i.e. revenues) and decreases (i.e. expenses) in total net position. The statement of cash flows provides information about how the Academy finances and meets the cash flow needs of its enterprise activities.

**C. Basis of Accounting**

Basis of accounting determines when transactions are recorded in the financial records and reported on the financial statements. The Academy's financial statements are prepared using the accrual basis of accounting.

Non-exchange transactions, in which the Academy receives value without directly giving equal value in return, include grants, entitlements, and donations. Revenue from grants, entitlements, and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the year when resources are required to be used or the fiscal year when use is first permitted, matching requirements, in which the Academy must provide local resources to be used for a specified purpose, and expenditure requirements, in which the resources are provided to the Academy on a reimbursement basis.

Expenses are recognized at the time they are incurred.

**D. Budgetary Process**

Unlike other public schools located in the State of Ohio, community schools are not required to follow budgetary provisions set forth in the Ohio Revised Code Chapter 5705, unless specifically provided in the contract between the Academy and its sponsor. The contract between the Academy and its Sponsor does not prescribe a budgetary process for the Academy; therefore no budgetary information is presented in the financial statements.

**NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE FISCAL YEAR ENDED JUNE 30, 2014**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)**

**E. Cash and Investments**

To improve cash management, cash received by the Academy is pooled and reported as “cash and cash equivalents” or “investments”. Monies for all funds are maintained in this pool. Individual fund integrity is maintained through the Academy’s records.

During fiscal year 2014, investments were limited to Federal Home Loan Bank (FHLB) bonds, Federal National Mortgage Association (FNMA) bonds, Federal Home Loan Mortgage Corporation (FHLMC) notes, negotiable certificates of deposit (negotiable CD’s), and investments in the State Treasury Asset Reserve of Ohio (STAR Ohio). Investments are reported at fair value which is based on quoted market prices.

The Academy has invested funds in STAR Ohio during fiscal year 2014. STAR Ohio is an investment pool managed by the State Treasurer’s Office, which allows governments within the State to pool their funds for investment purposes. STAR Ohio is not registered with the SEC as an investment company, but does operate in a manner consistent with Rule 2a7 of the Investment Company Act of 1940. Investments in STAR Ohio are valued at STAR Ohio’s shares price which is the price the investment could be sold for on June 30, 2014.

For presentation on the financial statements, investments with original maturities of three months or less at the time they are purchased by the Academy are considered to be cash equivalents. Investments with an initial maturity of more than three months are reported as investments. Investments are further classified on the statement of net position as either current or non-current. Current investments have a maturity date in the subsequent fiscal year while non-current investments have a maturity date beyond the subsequent fiscal year.

At June 30, 2014, investments are reported at fair value. The fluctuation in the fair value of investments is reported as a component of interest revenue. From June 30, 2013 to June 30, 2014, the fair value of investments decreased \$36 and accrued interest receivable on investments decreased \$837. Interest revenue reported on the statement of revenue, expenses and changes in net position was \$18,584 while interest receipts reported on the statements of cash flows was \$19,457. Although the fair value of investments can fluctuate, it’s the Academy’s policy to hold investments till maturity.

An analysis of the Academy’s deposits and investments at fiscal year-end is provided in Note 4.

**F. Prepaid Items**

Payments made to vendors for services that will benefit periods beyond June 30, 2014, are recorded as prepaid items using the consumption method. A current asset for the prepaid amount is recorded at the time of the purchase and an expense is reported in the year in which services are consumed. The Academy had no prepaid items at June 30, 2014.

**NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE FISCAL YEAR ENDED JUNE 30, 2014**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)**

**G. Capital Assets**

Capital assets are capitalized at cost (or estimated historical cost) and updated for additions and retirements during the year. Donated capital assets are recorded at their fair market value as of the date received. The Academy maintains a capitalization threshold of five hundred dollars. The Academy does not possess any infrastructure. Depreciation of furniture and equipment is computed using the straight-line method over an estimated useful life of five years.

**H. Net Position**

Net position represents the difference between assets and liabilities. The net position component "investment in capital assets," consists of capital assets, net of accumulated depreciation. The Academy had no outstanding balances of borrowings used for the acquisition, construction or improvement of its capital assets. Net position is reported as restricted when there are limitations imposed on its use either through the enabling legislation adopted by the Academy or through external restrictions imposed by creditors, grantors or laws or regulations of other governments.

The Academy applies restricted resources first when an expense is incurred for purposes for which both restricted and unrestricted net position is available.

**I. Operating Revenues and Expenses**

Operating revenues are those revenues that are generated directly from the primary activities. For the Academy, these revenues are primarily foundation payments from the State. Operating expenses are necessary costs which are incurred to provide the good or service that is the primary activity of the Academy. Revenues and expenses not meeting this definition are reported as non-operating.

**J. Intergovernmental Revenues**

The Academy currently participates in the State Foundation Program, the IDEA Part B grant and the Title I School Improvement grant. Revenue from the State Foundation Program is recognized as operating revenue in the accounting period in which all eligibility requirements have been met. Amounts awarded under State Foundation Program for fiscal year 2014 school year, excluding all other State and Federal grants, totaled \$1,050,259.

Revenues received from the remaining programs are recognized as non-operating revenues in the accompanying financial statements. Grants and entitlements are recognized as non-operating revenues in the accounting period in which all eligibility requirements have been met. State and Federal grants revenue for fiscal year 2014 was \$73,563.

**K. Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

**NOTE 3 - CHANGES IN ACCOUNTING POLICIES**

For fiscal year 2014, the Academy has implemented GASB Statement No. 70, "Accounting and Financial Reporting for Nonexchange Financial Guarantees".

GASB Statement No. 70 improves the recognition, measurement, and disclosures for state and local governments that have extended or received financial guarantees that are nonexchange transactions. The implementation of GASB Statement No. 70 did not have an effect on the financial statements of the Academy.

**NOTE 4 - DEPOSITS AND INVESTMENTS**

*Credit Risk* - The Academy's investments in federal agency securities were rated AA+ and Aaa by Standards & Poor's and Moody's Investor Services, respectively. The Academy's investment in STAR Ohio obtained an AAAM money market rating by Standard & Poor's. Ohio law requires that STAR Ohio maintain the highest rating provided by at least one nationally recognized rating agency. The negotiable certificates of deposit were fully covered by the FDIC. The Academy's investment policy does not specifically address custodial risk beyond the requirement in State statute.

*Concentration of Credit Risk* - Concentration of credit risk is the risk of loss attributed to the magnitude of a government's investment in a single issuer. **Independent Auditor's Report on Internal Control Over Financial Reporting and on  
Compliance and Other Matters Required by *Government Auditing Standards***

Findlay Digital Academy  
Hancock County  
1219 West Main Cross  
Findlay, Ohio 45840

To the Board of Directors:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the Findlay Digital Academy, Hancock County, Ohio, a component unit of the Findlay City School District, as of and for the fiscal year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the Findlay Digital Academy's basic financial statements and have issued our report thereon dated November 24, 2014.

***Internal Control Over Financial Reporting***

As part of our financial statement audit, we considered the Findlay Digital Academy's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinion on the financial statements, but not to the extent necessary to opine on the effectiveness of the Findlay Digital Academy's internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Findlay Digital Academy's financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

Board of Directors  
Findlay Digital Academy

***Compliance and Other Matters***

As part of reasonably assuring whether the Findlay Digital Academy's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

***Purpose of this Report***

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Findlay Digital Academy's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Findlay Digital Academy's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
