INDEPENDENT AUDITOR'S REPORT

Gahanna Community Improvement Corporation
Franklin County
PO Box 307273
Gahanna, Ohio 43230

To the Board of Trustees:

Report on the Financial Statements

We have audited the accompanying financial statements of Gahanna Community Improvement Corporation, Franklin County, Ohio (the Corporation), (a not-for-profit corporation), which comprise the statement of financial position, the related statements of activities and cash flows, as of and for the year ended December 31, 2014 and 2013, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes designing, implementing, and maintaining internal control relevant to preparing and fairly presenting financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of financial statement material misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Corporation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Corporation's internal control. Accordingly, we express no opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of Gahanna Community Improvement Corporation, Franklin County, Ohio, as of December 31, 2014 and 2013, and the respective changes in financial position and its cash flows for the year then ended in accordance with the accounting principles generally accepted in the United States of America.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 26, 2015, on our consideration of the Corporation's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control over financial reporting and compliance.

**GAHANNA COMMUNITY IMPROVEMENT CORPORATION
FRANKLIN COUNTY**

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014 AND 2013**

1. Nature of Business and Summary of Significant Accounting Policies

Nature of Business

Gahanna Community Improvement Corporation (the Corporation) was incorporated on January 1, 1997. The Corporation is a not-for-profit community improvement corporation which was formed for the purpose of advancing, encouraging and promoting the industrial, economic, commercial and civic development of the City of Gahanna, Ohio and the surrounding area.

Basis of Accounting

The financial statements of the Corporation have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables and liabilities.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board ASC 958, *Financial Statements of Non-for-Profit Organizations*. Under ASC 958, the Corporation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. No temporarily restricted and permanently restricted net assets were held and, accordingly, these financial statements do not reflect any activity related to these classes of net assets. As permitted by this statement, the Corporation does not use fund accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Corporation considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. There were no cash equivalents at December 31, 2014 and 2013, and all cash was held in demand deposits.

Hotel/Motel Tax Receivable

Receivables consist of amounts due from the City of Gahanna for hotel/motel taxes.

FRANKLIN COUNTY**

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014 AND 2013
(Continued)**

1. Nature of Business and Summary of Significant Accounting Policies (continued)

Property and Equipment

Acquisitions of property and equipment in excess of \$500 original cost are capitalized. Property and equipment are carried at cost.

During fiscal year 2008, the Corporation purchased land and a commercial building, part of which is used as office space and the rest of which is rented to other organizations. The purchase price for the assets was \$997,607, which is comprised of \$98,000 of non-depreciable land and \$899,607 of depreciable building and improvements. On April 7, 2011 the land, commercial building and improvements were sold to the City of Gahanna for \$730,000. The Corporation will receive annual payments of \$104,286 for seven years with no interest. The Corporation continues to collect rents from the tenants and pay the ordinary and necessary expenses associated with the building.

All reported capital assets, except land, are depreciated. Depreciation is calculated over the following useful lives:

Leasehold improvements	39 years
Land improvements	15 years
Equipment	5 years

Depreciation expense for the years ended December 31, 2014 and 2013 was \$4,738 and \$1,888, respectively.

Income Taxes

The Corporation is exempt from federal and state income taxes under Internal Revenue Code Section 501(c)(4) and Chapters 1702 and 1724 of the Ohio Revised Code.

Concentrations of Credit Risk

During 2014 the Corporation maintained four bank accounts at Heartland Bank. One account had a balance in excess of the federally insured level of \$250,000. The Corporation continually monitors its account balances to minimize the risk of loss.

Rental Income

Rental income is received from tenants leasing space in a commercial building located at 181 Granville Street. Rental income is recognized on a straight line basis over the term of the leases.

2. Notes Payable

Notes payable consisted of the following:

	<u>Dec. 31, 2014</u>	<u>Dec. 31,</u>
<u>2013</u>		
Note payable to Heartland Bank of \$650,000, commencing August 2011 for eighty-four months with interest only payments at 5% starting September 4, 2011 and annual principal payments of \$104,286 starting May 1, 2012.	\$ 312,856	\$ 441,428

**GAHANNA COMMUNITY IMPROVEMENT CORPORATION
FRANKLIN COUNTY**

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014 AND 2013
(Continued)**

2. Notes Payable (Continued)

Future maturities of long-term debt are as follows:

December 31, 2015	\$ 104,286
December 31, 2016	\$ 104,286
December 31, 2017	\$ 104,284

The Corporation paid \$23,783 and \$18,612 for 2014 and 2013, respectively of interest payments on the above notes payable.

3. Operating Leases

The Corporation collects rents and pays ordinary and necessary expenses associated with the multi-level building at 181 Granville Street. Tenants pay monthly rental fees based on the size of their space, duration of the lease, and whether they need additional storage space. Total rents received by the Corporation in 2014 and 2013 from the tenants were \$123,487 and \$100,346, respectively.

4. Assignment of Debt

In December 2009, the Corporation purchased bonds from the Ohio Air Quality Development Authority totaling \$2,600,000 with a zero percent interest rate and subsequently loaned the proceeds of these bonds to the Central Ohio Community Improvement Corporation. All rights and liabilities associated with these bonds were assigned from the Corporation to Franklin County (the Assignee). As a result of this agreement, the Corporation is to receive payments equal to 10 percent of the annual payments received by the Assignee, for a total of \$260,000. Total payments received by the Corporation from the Assignee in 2014 and 2013 were \$8,125 and \$8,125, respectively.

5. Risk Management

The Corporation is subjected to certain types of risk in the performance of its normal functions. They include risks the Corporation might be subjected to by its employees in the performance of their normal duties. The Corporation manages these types of risks through commercial insurance. The amount of settlements has not exceeded insurance coverage for any of the past three years. There has not been a significant reduction of coverage since the prior year in any of the major categories of risk.

6. Gain on Sale of Property

During 2014 the Corporation acquired vacant land in the City of Gahanna that had been abandoned by the previous owner. This property was sold to an unrelated third party that intends to develop and build on the land. The proceeds of the sale of \$38,710 were used for the Corporation's tax-exempt purpose.

7. Subsequent Event

The Central Ohio Community Improvement Corporation (COCIC) donated to the Corporation land in January 2015 and subsequently the Corporation sold the land to a private owner on January 16, 2015. The Corporation received \$13,515 from the selling of the land to the private owner.

The Corporation also purchased land from a private owner on February 26, 2015. The Corporation paid \$164,139.05 to the private owner for the purchase of the land.

Dave Yost • Auditor of State

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

Gahanna Community Improvement Corporation
Franklin County
PO Box 307273
Gahanna, Ohio 43230

To the Board of Trustees:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of Gahanna Community Improvement Corporation, Franklin County, Ohio (the Corporation) (a not-for-profit-corporation) as of and for the years ended December 31, 2014 and 2013, and the related notes to the financial statements, and have issued our report thereon dated August 26, 2015.

Internal Control Over Financial Reporting

As part of our financial statement audit, we considered the Corporation's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinion on the financial statements, but not to the extent necessary to opine on the effectiveness of the Corporation's internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Corporation's financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

Compliance and Other Matters

As part of reasonably assuring whether the Corporation's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Corporation's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Corporation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
