Report on the Financial Statements

We have audited the accompanying financial statements of the North Central State College Foundation, Inc. (the Foundation), a component unit of North Central State College, which comprise the statement of financial position as of June 30, 2014, and the related statements of activities and changes in net assets and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of June 30, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 3, 2014, on our consideration of the Foundation's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control over financial reporting and compliance.

Notes to the Financial Statements

For the Fiscal Year Ended June 30, 2014

1. DESCRIPTION OF THE FOUNDATION

North Central State College Foundation, Inc. (the Foundation) financial statements have been prepared on an accrual basis of accounting. The Foundation is a not-for-profit organization established in accordance with Section 501(c)(3) of the Internal Revenue Code. The Foundation operates under a Board of Trustees who is appointed, not to be less than twelve, but not to exceed forty members. The Foundation is organized primarily to engage in activities and programs to provide support and services to the North Central State College (the College).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Contributions

The Foundation reports contributions in accordance with Statement of Financial Accounting Standards (SFAS) No. 116, *Accounting for Contributions Received and Contributions Made*. SFAS No. 116 requires that unconditional promises to give, with payments due in future periods, be recorded as receivables and support in either unrestricted, temporarily restricted, or permanently restricted net assets as appropriate in the period received at their net present value. The accumulated discount of net present value of the pledge is accounted for as contribution income of the related class of net assets. Conditional promises to give are not recorded as support until the condition upon which they depend has been substantially met by the Foundation.

Financial Statement Presentation

SFAS No. 117, *Financial Statements of Not-For-Profit Organizations*, requires that the amounts for each of three classes of net assets: unrestricted, temporarily restricted and permanently restricted, be presented in an aggregated statement of financial position and that the amounts of changes in each of those classes of net assets be presented in a statement of activities. This statement requires that resources be classified into three net asset categories according to donor-imposed restrictions. A description of each of the categories is as follows:

Unrestricted Net Assets

Assets which are free of donor-imposed restrictions; all revenues, expenses, gains and losses that are not changes in temporarily or permanently restricted net assets.

Temporarily Restricted Net Assets

Assets which include gifts and pledges receivable for which donor-imposed restrictions have not been met and for which the ultimate purpose of the proceeds are not permanently restricted.

Permanently Restricted Net Assets

Assets that are subject to restrictions of gift instruments requiring that the principal be invested in perpetuity. The income from these assets is included in the investment income of unrestricted and restricted funds, as appropriate, in the accompanying Statement of Activities.

When a donor restriction expires, that is, when a stipulated time restriction expires or purpose restriction is accomplished, restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

Cash and Cash Equivalents

The Foundation considers all highly liquid investments with a maturity of three months or less to be cash equivalents.

Investments

The Foundation reports investments in accordance with SFAS No. 124, *Accounting for Certain Investments Held by Not-for-Profit Organizations*. Investments in marketable securities with readily determined fair values and all investments in debt securities are reported at their fair values in the Statement of Net Assets. Unrealized gains and losses are included in the change in net assets. Investments of the unrestricted, temporarily restricted, and permanently restricted funds are pooled for making investment transactions and are carried at market value. Interest and dividend income, as well as realized and unrealized gains and losses, are allocated to unrestricted, temporarily restricted, and permanently restricted funds.

Notes to the Financial Statements

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Donated Service and Facilities

The Foundation has no employees or property (other than cash and investments). Substantially all clerical and management duties are presently performed by business office personnel who are employees of North Central State College, utilizing equipment and facilities of North Central State College.

For accounting purposes, the value of facilities is considered immaterial and it has not been recognized in the financial statements. However, the value of the services provided by College personnel have been recognized in the Statement of Activities as personnel reimbursement expenses as required by SFAS 116.

Contributions Receivable

Contributions received, including unconditional promises to give, are recognized as revenue by net asset class when the donor's commitment is received. Unconditional promises are recognized at the estimated present value of the future cash flows, net of allowances (fair value). Promises designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support. However, if a restriction is fulfilled in the same time period in which the contribution is received, the Foundation reports the support as unrestricted. Conditional promises are recorded when donor stipulations are substantially met. The Foundation requires an initial minimum balance of \$10,000 to establish a scholarship fund.

Prepaid Expenses

Certain payments to vendors for fundraising activities reflect costs applicable to future accounting periods and are recorded as prepaid items.

Capital Assets

Capital assets acquired by the Foundation consist of office equipment. All expenditures for capital assets in excess of \$1,000 are capitalized. Depreciation expense is computed using the straight-line method over the estimated useful lives of the assets not to exceed ten years.

Deferred Revenue

Deferred revenue results from various fundraising activities. It represents amounts received from sponsors, vendors, and sales of admission tickets in advance. Deferred revenue is recognized as revenue in the period that the fundraising activity actually occurs.

Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and related notes. Actual results may differ from those estimates.

3. INVESTMENTS

The various investments in fixed income securities, mutual funds and other investment securities are exposed to various risks, such as interest rate, market fluctuations, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities could occur in the near term and those changes could materially affect the amounts reported in the financial statements.

3. INVESTMENTS (Continued)

At June 30, 2014, investments consisted of the following:

| Total | \$2,961,130 | \$1,405,464 | \$1,304,425 | \$245,102 | \$6,139 |

The Foundation determines the fair market values of its financial instruments based on the fair value hierarchy established in SFAS No. 157, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the Foundation's own assumptions based on market data and on assumptions that market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. The Standard describes three levels within its hierarchy that may be used to measure fair value:

Level 1 Inputs: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2 Inputs: Significant other observable inputs other than Level 1 quoted prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3 Inputs: Significant unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

Notes to the Financial Statements

For the Fiscal Year Ended June 30, 2014

3. INVESTMENTS (Continued)

The fair value of investments held by the Foundation at June 30, 2014 is summarized as follows:

| Investment Type | Quoted Prices In Active Markets For Identical Assets (Level 1) | Significant Other Observ- able Inputs (Level 2) | Significant Unobservable Inputs (Level 3) |

| Partnerships | 4,383 | 0 | 0 |
| Total | <u>\$2,961,130</u> | <u>\$0</u> | <u>\$0</u> |

4. CONTRIBUTIONS RECEIVABLE

Unconditional promises to give are included in the financial statements as contributions receivable and contributions of the appropriate net asset category. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discount rate on those amounts is computed using a risk free interest rate applicable to the years in which the promises are to be received. The discount rate used for the year ended June 30, 2014 was 3.25%. The amortization of the discount is included in contribution revenue. Conditional promises to give are not included as support until conditions of those promises have been met.

Contributions receivable consisted of the following at June 30, 2014:

Unconditional promises to give before unamortized discount and allowance for uncollectible contributions:

| | |
|---|------------------|
| Unrestricted | \$29,640 |
| Temporarily restricted | 342,100 |

Interpretation of UPMIFA: The Foundation has interpreted the Uniform Prudent Management of Institutional Funds Act (“UPMIFA”) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary.

As a result of this interpretation, the Foundation classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by UPMIFA.

North Central State College Foundation, Inc.

Notes to the Financial Statements

For the Fiscal Year Ended June 30, 2014

In accordance with UPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the organization and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the organization

Funds with Deficiencies: From time to time, the fair value of assets associated with individual donor restricted endowment funds may fall below the level that the donor or UPMIFA requires the Foundation to retain as a fund of perpetual duration. Deficiencies of this nature that are in excess of related temporarily restricted amounts are reported in unrestricted net assets. The Foundation had no such amounts totaled as of June 30, 2013.

7. RICHLAND COUNTY FOUNDATION

During 1991, the Foundation established a "Direct Fund" in which an irrevocable gift was made to the Richland County Foundation. This fund is identified by the Richland County Foundation as the North Central State College Foundation "Endowment Fund" and is subject to the provisions contained within the fund agreement dated December 31, 1991. This fund is the property of the Richland County Foundation, whereby, those funds will be held in perpetuity, and the investment income will be distributed to the Foundation annually to benefit the North Central State College. One of the provisions in this fund agreement, the variance power, concerns the power to vary some of the terms of the agreement. As defined by United States Treasury Regulations, the Richland County Foundation has the right to modify the terms of the fund agreement if in the judgment of the Richland County Foundation's Board of Trustees, the restrictions and conditions in the agreement become unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community.

In accordance with SFAS No. 136, *Transfers of Assets to a Not-for-Profit Organization or Charitable Trust that Raises or Holds Contributions for Others*, the portion of this fund contributed by the Foundation is considered a reciprocal transfer because the Foundation is also the beneficiary of this fund. This balance is shown on the Richland County Foundation's Statement of Financial Position as a liability called "Funds Held as Agency Endowments". This amounted to \$350,000 at June 30, 2014.

Also, under SFAS No. 136, the portion of this fund contributed by unrelated third party donors is considered a contribution to the Richland County Foundation and is included in the net assets of Richland County Foundation. The amount recognized in the Statement of Financial Position of the Richland County Foundation at June 30, 2014 totaled \$330,278.

8. INCOME TAXES

The Foundation is a not-for-profit corporation as described in Section 501 (c) (3) of the Internal Revenue Code, and the organization is exempt from federal and state income taxes.

Yellow Book Report

June 30, 2014

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Trustees
North Central State College Foundation, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the North Central State College Foundation, Inc. (the Foundation), a component unit of North Central State College, which comprise the statement of financial position as of June 30, 2014, and the related statements of activities and changes in net assets and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 3, 2014.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Foundation's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Foundation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Foundation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we reported to management of the Foundation in a separate letter dated December 3, 2014.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
