## **REPORT OF INDEPENDENT AUDITORS**

Pleasant Community Academy  
Marion County  
1107 Owens Road West  
Marion, Ohio 43302

To the Board of Directors:

### ***Report on the Financial Statements***

We have audited the accompanying financial statements of the Pleasant Community Academy (the Academy), as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise Academy's basic financial statements as listed in the table of contents.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for preparing and fairly presenting these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes designing, implementing and maintaining internal control relevant to preparing and fairly presenting financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Academy's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Academy's internal control. Accordingly, we express no opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinions.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Pleasant Community Academy as of June 30, 2014, and the change in financial position and cash flows for the year then ended in accordance with the accounting principles generally accepted in the United States of America.

***Other Matters***

***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require this presentation to include *Management's discussion and analysis* listed in the table of contents, to supplement the basic financial statements. Although this information is not part of the basic financial statements, the Governmental Accounting Standards Board considers it essential for placing the basic financial statements in an appropriate operational, economic, or historical context. We applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, consisting of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, to the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not opine or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to opine or provide any other assurance.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated February 20, 2015 on our consideration of the Academy's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Academy's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS  
FOR THE FISCAL YEAR ENDED JUNE 30, 2014  
(Unaudited)

---

This discussion and analysis of the Pleasant Community Academy's (the Academy) financial performance provides an overall review of the Academy's financial activities for the fiscal year ended June 30, 2014. Readers should also review the basic financial statements and notes to enhance their understanding of the Academy's financial performance.

**Financial Highlights**

Key financial highlights for fiscal year 2014 are as follows:

- Total net position increased \$360,171 in fiscal year 2014, which represents a 219.9 percent increase from fiscal year 2013.
- In 2014, total assets increased \$365,707, which represents a 217.8 percent increase from the fiscal year 2013.
- Total liabilities increased \$5,536 in fiscal year 2014, which represents a 134.5 percent increase from fiscal year 2013.

**Using this Annual Financial Report**

This annual report consists of a series of financial statements and notes to those statements.

The statement of net position and the statement of revenues, expenses, and changes in net position reflect how the Academy did financially during the fiscal year ended June 30, 2014. These statements include all assets and liabilities using the accrual basis of accounting similar to that which is used by most private-sector companies. This basis of accounting considers all of the period revenues and expenses regardless of when cash is received or paid.

These statements report the Academy's net position and changes in those assets. This change in net position is important because it tells the reader whether the financial position of the Academy has increased or decreased during the period. Over time, these increases and/or decreases are one indicator of whether the financial position is improving or deteriorating.

The Academy reports its operations using enterprise fund accounting, all financial transactions and accounts are reported as one activity, therefore the entity wide and the fund presentations information is the same.

**NOTE 1 - DESCRIPTION OF THE SCHOOL AND REPORTING ENTITY**

Pleasant Community Academy (the "Academy") is a nonprofit corporation established pursuant to Ohio Revised Code Chapters 3314 and 1702. The Academy is a conversion-type site-based kindergarten level community school which utilizes certain resources of the sponsor, Pleasant Local School District, including facilities, equipment, instructional materials, curriculum and educational strategy in the delivery of the instructional program. The Academy is an approved tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Academy's tax exempt status. The Academy, which is part of the State's education program, is nonsectarian in its programs, admissions policies, employment practices, and all other operations. The Academy may acquire facilities as needed and contract for any services necessary for the operation of the school.

The Academy was initially approved for operation under a contract with the Pleasant Local School District (the Sponsor) for a five-year period commencing on the first day of the 2002 academic year. The sponsorship contract has been renewed several times, most recently on March 17, 2014, for a period of four additional years. Pleasant Local School District is responsible for evaluating the performance of the Academy and has the authority to deny renewal of the contract at its expiration. Pleasant Local School District is also the fiscal agent of the Academy with the Treasurer of Pleasant Local School District performing the role of Treasurer for the Academy.

The Academy operates under the direction of a seven-member Board of Directors made up of the Superintendent, the High School Principal, the Elementary School Principal, and the Middle School Principal of the Pleasant Local School District, and three members from the public. The first public member shall be a public educator or other public official representing a governmental entity that desires to further the establishment and operation of the Academy. The second public member shall be a person who represents the interests of parents and students served by the Academy. The third public member shall be an at large community member. The Board of Directors is responsible for carrying out the provisions of the contract which include, but are not limited to, helping create, approve, and monitor the annual budget; developing policies to guide the operation of the Academy; securing funding; and maintaining a commitment to the vision, mission, and belief statements of the Academy.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The financial statements of the Academy have been prepared in conformity with generally accepted accounting principles as applied to governmental nonprofit organizations. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. Following are the more significant of the Academy's accounting policies.

**PLEASANT COMMUNITY ACADEMY  
MARION COUNTY, OHIO**

**NOTES TO THE BASIC FINANCIAL STATEMENTS  
JUNE 30, 2014**

---

**A. Basis of Presentation**

Enterprise accounting is used to account for operations that are financed and operated in a manner similar to private business enterprises where the intent is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges or where it has been decided that periodic determination of revenues earned, expenses incurred, and/ or net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes.

**B. Measurement Focus and Basis of Accounting**

The Academy is accounted for using a flow of economic resources measurement focus. All assets and liabilities associated with the operation of the Academy are included on the statement of net position. The statement of revenues, expenses, and change in net position presents increases (e.g., revenues) and decreases (e.g., expenses) in total net position. The statement of cash flows reflects how the Academy finances and meets its cash flow needs.

**C. Basis of Accounting**

Basis of accounting determines when transactions are recorded in the financial records and reported on the financial statements. The Academy's financial statements are prepared using the accrual basis of accounting. Revenues resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded when the exchange takes place. Revenues resulting from nonexchange transactions, in which the Academy receives value without directly giving equal value in return, such as grants and entitlements, are recognized in the fiscal year in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the fiscal year when the resources are required to be used or the fiscal year when use is first permitted; matching requirements, in which the Academy must provide local resources to be used for a specified purpose; and expenditure requirements, in which the resources are provided to the Academy on a reimbursement basis. Expenses are recognized at the time they are incurred.

**D. Budgetary Process**

Unlike other public schools located in the state of Ohio, community schools are not required to follow budgetary provisions set forth in Ohio Revised Code Section 5705, unless specifically provided in the Academy's contract with the Sponsor. The contract between the Academy and the Sponsor, the Board of Education of the Pleasant Local School District, does prescribe a budgetary review.

**PLEASANT COMMUNITY ACADEMY  
MARION COUNTY, OHIO**

**NOTES TO THE BASIC FINANCIAL STATEMENTS  
JUNE 30, 2014**

---

**E. Tax Exemption Status**

The Academy is a non-profit organization that, in the opinion of legal counsel, is exempt from federal income taxes due to the Academy's status as an integral part of its sponsoring political subdivision, the Pleasant Local School District.

**F. Cash and Cash Equivalents**

Cash received by the Academy is maintained in a demand deposit account. During the fiscal year, investments were limited to an interest in STAROhio, the State Treasurer's Investment Pool.

Cash held by the Academy is reflected as "Cash and Cash Equivalents" on the statement of net position. Investments with an original maturity of three months or less at the time they are purchased are presented on the financial statements as cash equivalents. Investments with an initial maturity of more than three months are reported as investments.

During fiscal year 2014, the Academy invested in STAR Ohio. STAR Ohio is an investment pool, managed by the State Treasurer's Office, which allows governments within the State to pool their funds for investment purposes. STAR Ohio is not registered with the SEC as an investment company, but does operate in a manner consistent with Rule 2a7 of the Investment Company Act of 1940. Investments in STAR Ohio are valued at STAR Ohio's share price, which is the price the investment could be sold for on June 30, 2014.

**G. Capital Assets and Depreciation**

All capital assets are capitalized at cost and updated for additions and reductions during the year. Donated capital assets are recorded at their fair market value on the date donated. The Academy has maintained a capitalization threshold of five hundred dollars. The Academy does not have any infrastructure. Improvements are capitalized. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset's life are not capitalized, but are expensed when incurred.

All capital assets are depreciated. Improvements are depreciated over the remaining useful lives of the related capital assets. Depreciation is computed using the straight-line method. Capital assets, currently consisting of furniture, fixtures and equipment, are depreciated over three years.

**PLEASANT COMMUNITY ACADEMY  
MARION COUNTY, OHIO**

**NOTES TO THE BASIC FINANCIAL STATEMENTS  
JUNE 30, 2014**

---

**H. Net Position**

Net position represents the difference between assets and liabilities. Net position invested in capital assets consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any borrowings used for the acquisition, construction, or improvement of those assets. Net position is reported as restricted when there are limitations imposed on their use either through enabling legislation adopted by the Academy or through external restrictions imposed by creditors, grantors or laws, or regulations of other governments. The Academy first applies restricted resources when an expense is incurred for which both restricted and unrestricted net position is available. The Academy did not have any net position restricted by enabling legislation at fiscal year end.

**I. Operating Revenues and Expenses**

Operating revenues are those revenues that are generated directly from the primary activity of the Academy. Operating expenses are necessary costs incurred to provide the service that is the primary activity of the Academy. All revenues and expenses not meeting this definition are reported as nonoperating.

**J. Intergovernmental Revenues**

The Academy currently participates in the State Foundation Program, Casino Tax Distribution and various federal grant and entitlement programs. Revenues received from the State Foundation Program and Casino Tax Distribution are recognized as operating revenues in the accounting period in which all eligibility requirements have been met. Revenues received from the various federal grants and entitlements are recognized as nonoperating revenues in the accounting period in which all eligibility requirements have been met.

Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the fiscal year when use is permitted, matching requirements, in which the Academy must provide local resources to be used for a specified purpose, and expenditure requirements, in which the resources are provided to the Academy on a reimbursement basis.

**K. Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from these estimates.

**PLEASANT COMMUNITY ACADEMY  
MARION COUNTY, OHIO**

**NOTES TO THE BASIC FINANCIAL STATEMENTS  
JUNE 30, 2014**

**NOTE 3 - DEPOSITS**

The carrying value of the Academy's deposits totaled \$494,923, and the bank balances of the deposits totaled \$494,935; all of which was not exposed to custodial credit risk as it was insured or collateralized by securities held by the Academy's agent in the Academy's name.

Custodial credit risk is the risk that, in the event of a bank failure, the Academy's deposits may not be returned. According to state law, public depositories must give security for all public funds on deposit in excess of those funds that are insured by the federal deposit insurance corporation (FDIC) or by any other agency or instrumentality of the federal government. These institutions may either specifically collateralize individual accounts in lieu of amounts insured by the FDIC, or may pledge a pool of government securities valued at least 105% of the total value of public monies on deposit at the institution. The Academy deposits money with financial institutions that are able to abide by the laws governing insurance and collateral of public funds.

**NOTE 7 - CONTRACT WITH TRI-RIVERS EDUCATIONAL COMPUTER ASSOCIATION (TRECA)**

The Academy entered into a contract, for the 2013-14 school year, with Tri-Rivers Educational Computer Association (TRECA) for management consulting services. Under the contract TRECA shall provide the Academy with instructional, supervisory/administrative, and technical services sufficient to effectively implement the Academy's educational, assessment and accountability plans. All personnel providing services provided by TRECA under the agreement shall be employees of TRECA and TRECA shall be solely responsible for all payroll functions, including retirement system contributions and all other legal withholding and/or payroll taxes, with respect to its employees. All personnel providing such services shall possess any certification or licensure which may be required by law. In fiscal year 2014, payments made by the Academy to TRECA were \$3,511. These represent payments for fiscal and student services provided by TRECA to the Academy.

**NOTE 8 - CONTRACT WITH PLEASANT LOCAL SCHOOL DISTRICT**

The Community School Sponsorship Contract between Pleasant Community Academy and Pleasant Local School District (LSD) states the Treasurer of Pleasant Local School District shall serve as the fiscal officer of the Academy. The Treasurer of Pleasant Local School District shall perform the following functions while serving as the Treasurer of the Academy:

- A. Maintain the financial records of the Academy in the same manner as are financial records of school districts, pursuant to rules of the Auditor of State;
- B. Comply with the policies and procedures regarding internal financial control of the Academy; and
- C. Comply with the requirements and procedures for financial audits by the Auditor of the State.

The Academy is a component unit of the Sponsor (Pleasant Local School District). The Academy and Pleasant Local School District entered into a 4-year sponsorship agreement ending on the first day of the 2018-2019 academic year, whereby terms of the sponsorship were established. Pursuant to this agreement, Pleasant Local School District's Treasurer serves as the Academy's fiscal officer. In fiscal year 2014, payments made by the Academy to Pleasant Local School District were \$363,763. These represent payments of \$308,051 for kindergarten instructional services and \$55,712 for other support services provided by Pleasant Local School District to the Academy.

**NOTE 9 - RISK MANAGEMENT**

The Academy is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. During fiscal year 2014, insurance coverage for the Academy was provided through Pleasant Local School District's policy with Argonaut Insurance Group as follows:

Coverage provided by Argonaut Insurance Group:

General Liability	
Each occurrence	\$ 1,000,000
Aggregate	\$ 3,000,000

Settled claims have not exceeded this commercial coverage for the past two fiscal years, and there has been no significant reduction in insurance coverage from the prior year.

**NOTE 10 - CONTINGENCIES**

**A. Grants**

The Academy received financial assistance from federal and state agencies in the form of grants. The disbursement of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and are subject to audit by the grantor agencies. Any disallowed claims resulting from such audits could become a liability. However, in the opinion of management, any such disallowed claims will not have a material adverse effect on the overall financial position of the Academy at June 30, 2014.

**B. Ohio Department of Education Enrollment Review**

Following the close of the fiscal year, the Ohio Department of Education (ODE) completes a payment reconciliation by comparing what the Academy was paid during the fiscal year to what the Academy should have been paid. The reconciliation for fiscal year 2013 and 2014 resulted in a calculation of an overpayment to the Academy of approximately \$9,652. This amount has been reflected as an intergovernmental payable and will be deducted from foundation funding in fiscal year 2015.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY  
GOVERNMENT AUDITING STANDARDS**

Pleasant Community Academy  
Marion County  
1107 Owens Road West  
Marion, Ohio 43302

To the Board of Directors:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the Pleasant Community Academy (the Academy) as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the Academy's basic financial statements and have issued our report thereon dated February 20, 2015.

**Internal Controls Over Financial Reporting**

As part of our financial statement audit, we considered the Academy's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinions on the financial statements, but not to the extent necessary to opine on the effectiveness of the Academy's internal control. Accordingly, we have not opined on it.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. *A material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Academy's financial statements. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

Pleasant Community Academy  
Marion County  
Independent Auditors' Report on Internal Control Over  
Financial Reporting and on Compliance and on Compliance and  
Other Matters Required by *Government Auditing Standards*

**Compliance and Other Matters**

As part of reasonably assuring whether the Academy's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

**Purpose of this Report**

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Academy's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Academy's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
