# Independent Accountant's Report on Applying Agreed-Upon Procedures

Harrison Township Scioto County 237 Wheelers Mill Road Wheelersburg, Ohio 45694

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Harrison Township (the Township) and the Auditor of State agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2015 and 2014, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

#### **Payroll Cash Disbursements**

2. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2015 to determine whether remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2015. We noted the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes and Medicare	February 1, 2016	December 31, 2015	\$770.46	\$770.46
State income taxes	January 15, 2016	December 31, 2015	261.28	261.28

3. We inquired of management and scanned the Appropriation Ledger for years ended December 31, 2015 and 2014 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. Insurance reimbursements were made in compliance with ORC 505.60 and 505.601 and federal regulations except that no monthly or yearly maximum amount was established for employee/trustee reimbursements.

## **Non-Payroll Cash Disbursements**

- 1. We haphazardly selected ten disbursements from the Appropriation Ledger for the year ended December 31, 2015 and ten from the year ended December 31, 2014 and determined whether:
  - a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Appropriation Ledger and to the names and amounts on the supporting invoices. We found no exceptions.
  - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
  - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Revised Code Section 5705.41(D). We found no exceptions.

#### Compliance - Budgetary

- 1. We compared the total estimated receipts from the *Certificate of the Total Amount From All Sources Available For Expenditures and Balances*, required by Ohio Revised Code Section 5705.36(A)(1), to the amounts recorded in the Comparison of Budget and Appropriated Report for the General, Gasoline Tax and Ambulance Funds for the years ended December 31, 2015 and 2014. The amounts agreed.
- 2. We scanned the appropriation measures adopted for 2015 and 2014 to determine whether, for the General, Gasoline Tax and Ambulance Funds, the Trustees appropriated separately for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Revised Code Section 5705.38(C). We found no exceptions.
- 3. We compared total appropriations required by Ohio Revised Code Sections 5705.38 and 5705.40, to the amounts recorded in the Comparison of Budget and Appropriated Report for 2015 and 2014 for the following funds: General, Gasoline Tax and Ambulance Funds. The amounts on the appropriation resolutions agreed to the amounts recorded in the Comparison of Budget and Appropriated Report with the exception of the General Fund in 2014. The accounting records showed \$700 more appropriated than what was filed with the Budget Commission.

Harrison Township Scioto County Independent Accountants' Report on Applying Agreed-Upon Procedures

- 4. Ohio Revised Code Sections 5705.36(A)(5) and 5705.39 prohibit appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Gasoline Tax and Ambulance Funds for the years ended December 31, 2015 and 2014. We noted no funds for which appropriations exceeded certified resources.
- 5. Ohio Revised Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2015 and 2014 for the General, Gasoline Tax and Ambulance Funds, as recorded in the Appropriation Status Report. We noted no funds for which expenditures exceeded appropriations.
- 6. Ohio Revised Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We scanned the Receipt Register Report for evidence of new restricted receipts requiring a new fund during December 31, 2015 and 2014. We also inquired of management regarding whether the Township received new restricted receipts. We noted no evidence of new restricted receipts for which Ohio Revised Code Section 5705.09 would require the Township to establish a new fund.
- 7. We scanned the 2015 and 2014 Revenue Ledger and Appropriation Ledger for evidence of interfund transfers which Ohio Revised Code Sections 5705.14 .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.
- 8. We inquired of management and scanned the Appropriation Ledger to determine whether the Township elected to establish reserve accounts permitted by Ohio Revised Code Section 5705.13. We noted the Township did not establish these reserves.
- 9. We scanned the Fund Summary Report for the years ended December 31, 2015 and 2014 for negative cash fund balance. Ohio Revised Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. We noted no funds having a negative cash fund balance.

#### **Compliance – Contracts & Expenditures**

1. We inquired of management and scanned the Appropriation Ledger for the years ended December 31, 2015 and 2014 to determine if the Township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct Township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Revised Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

## **Other Compliance**

1. Ohio Rev. Code Section 117.38 requires townships to file their financial information in the HINKLE system formerly known as the Annual Financial Data Reporting System (AFDRS) within 60 days after the close of the fiscal year. We reviewed AFDRS to verify the Township filed their financial information within the allotted timeframe for the years ended December 31, 2015 and 2014. No exceptions noted for 2015, however financial information was filed on 3/26/2015 for 2014, which was not within the allotted timeframe.

#### Officials' Response

We did not receive a response from Officials to the exceptions reported above.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
