(a wholly owned subsidiary of The Ohio University Foundation)

Financial Report June 30, 2016 and July 3, 2015

Board of Trustees Inn-Ohio of Athens, Inc. McGuffey Hall Athens, Ohio 43701

We have reviewed the *Independent Auditor's Report* of Inn-Ohio of Athens, Inc., Athens County, prepared by Plante & Moran, PLLC, for the audit period July 4, 2015 through June 30, 2016. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. Inn-Ohio of Athens, Inc. is responsible for compliance with these laws and regulations.

Dave Yost Auditor of State

Independent Auditor's Report

To the Board of Trustees Inn-Ohio of Athens, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Inn-Ohio of Athens, Inc. (the "Company"), a wholly owned subsidiary of The Ohio University Foundation, which comprise the balance sheet as of June 30, 2016 and July 3, 2015 and the related statements of operations and comprehensive income, stockholder's equity, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Board of Trustees Inn-Ohio of Athens, Inc.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Inn-Ohio of Athens, Inc. as of June 30, 2016 and July 3, 2015 and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated September 7, 2016 on our consideration of Inn-Ohio of Athens, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Inn-Ohio of Athens, Inc.'s internal control over financial reporting and compliance.

Notes to Financial Statements June 30, 2016 and July 3, 2015

Note I - Organization

Inn-Ohio of Athens, Inc. (the "Company") was incorporated in Ohio on September 10, 1986 to acquire and operate an 87-room hotel and restaurant facility in Athens, Ohio known as The Ohio University Inn (the "Inn"). An additional wing with 61 rooms was added to the hotel and placed in service in October 1989. The Inn currently has 139 rooms in service. The Company is a wholly owned subsidiary of The Ohio University Foundation (the "Stockholder").

Note 2 - Summary of Significant Accounting Policies

Method of Accounting - The Company maintains its books and records in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Cash - At times, cash may exceed federally insured amounts. At June 30, 2016, the Company held \$591,330 in cash that was uninsured by the FDIC.

Advertising Costs - Advertising costs are included in marketing expenses on the statement of operations and are expensed as incurred. These costs for the years ended June 30, 2016 and July 3, 2015 were approximately \$108,000 and \$92,000, respectively.

Investments - Investments consist of fixed-income mutual funds. These securities are valued at market and are classified as available for sale as they are to be held for an indefinite period of time. Unrealized holding gains of approximately \$22,000 for the year ended June 30, 2016 and unrealized holding losses of approximately \$48,000 for the year ended July 3, 2015 are reported in other comprehensive income and are included as a component of stockholder's equity. Realized gains for the year ended June 30, 2016 were nominal. There were realized gains of approximately \$44,000 for the year ended July 3, 2015.

Notes to Financial Statements June 30, 2016 and July 3, 2015

Note 2 - Summary of Significant Accounting Policies (Continued)

Accounts Receivable - Accounts receivable consist of balances due from customers or businesses who have incurred charges at the facility. These customers' accounts have been preapproved for a direct billing from the facility based on a complete credit application. Collection of the accounts receivable balances is performed at the facility and all amounts are deposited daily. In the normal course of business, the Company leases facilities to Ohio University, a related party, and its affiliates.

Accounts receivable include amounts due from Ohio University and its related programs, departments, and affiliates of approximately \$109,000 and \$49,000 as of June 30, 2016 and July 3, 2015, respectively. As the University is the sole beneficiary of the Ohio University Foundation and the Ohio University Foundation has sole ownership rights in the Inn, Ohio University is considered a related party. Accounts receivable are stated at invoiced amounts.

An allowance for doubtful accounts is recognized based on a specific assessment of all invoices that remain unpaid. The allowance is determined based on management's estimate of the amounts recoverable from each customer.

Inventories - Inventories consist of food and beverage products and gift shop items, which are valued at the lower of cost (first-in, first-out method) or market.

Property and Equipment - Property and equipment are stated at cost less accumulated depreciation and amortization. Costs of normal repairs and maintenance and minor renewals are charged to expense. Major expenditures, which extend the useful lives of assets, are capitalized.

Depreciation is computed using the straight-line method over the estimated useful lives of the property and equipment. The estimated useful lives are as follows:

Land improvements	5-15 years
Buildings	30-40 years
Furnishings, fixtures, and equipment	3-10 years

Depreciation expense for the years ended June 30, 2016 and July 3, 2015 totaled \$749,743 and \$669,907, respectively. During 2016, the Stockholder contributed land worth \$126,677, which is recorded as contributed capital. The Company periodically reviews the carrying value of its property and equipment and determines whether any impairment needs to be recorded. As of June 30, 2016 and July 3, 2015, the Company is of the opinion that there is no impairment of property and equipment.

Notes to Financial Statements June 30, 2016 and July 3, 2015

Note 2 - Summary of Significant Accounting Policies (Continued)

Bond Issuance Costs - Bond issuance costs are amortized using the straight-line method (which approximates the effective-interest method) over the life of the related debt. Amortization expense was approximately \$2,100 for each of the years ended June 30, 2016 and July 3, 2015.

Recognition of Revenue - Revenue is recognized from its room, restaurant, beverage, and telephone facilities and services as earned on the close of business each day. The majority of the Company's business is derived from Ohio University and its related programs, departments, and affiliates.

Income Taxes - A current tax liability or asset is recognized for the estimated taxes payable or refundable on tax returns for the year. Deferred tax liabilities or assets are recognized for the estimated future tax effects of temporary differences between financial reporting and tax accounting.

As of June 30, 2016 and July 3, 2015, the Company's unrecognized tax benefits were not significant. There were no significant penalties or interest recognized during the year or accrued at year end. The Company files income tax returns in U.S. federal and various state jurisdictions and, at year end, tax returns were open for examination for years 2013-2015.

Other Comprehensive Income - Accounting principles generally require that recognized revenue, expenses, gains, and losses be included in net income. Certain changes in assets and liabilities, however, such as unrealized gains and losses on available-for-sale securities, are reported as a direct adjustment to the equity section of the balance sheet. Such items, along with net income, are considered components of comprehensive income.

Fiscal Year - The Company's fiscal year included 52 weeks for 2015. During 2016, the Company changed its year end to June 30.

Change in Presentation - As of July 4, 2015, the Company implemented new guidance that changes the required disclosures for investments measured at net asset value (NAV) per share (or its equivalent) as a practical expedient. Previously, investments measured at fair value using the NAV practical expedient were classified in the fair value hierarchy based on the redemption features associated with the investment. Under the new guidance, investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient are no longer classified in the fair value hierarchy below. The information for 2015 has been adjusted to conform to the new disclosure requirements.

Notes to Financial Statements June 30, 2016 and July 3, 2015

Note 2 - Summary of Significant Accounting Policies (Continued)

Upcoming Accounting Pronouncements - In May 2014, the Financial Accounting Standards Board issued Accounting Standards Update (ASU) No. 2014-09, *Revenue from Contracts with Customers (Topic 606)*, which will supersede the current revenue recognition requirements in Topic 605, *Revenue Recognition*. The ASU is based on the principle that revenue is recognized to depict the transfer of goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The ASU also requires additional disclosure about the nature, amount, timing, and uncertainty of revenue and cash flows arising from customer contracts, including significant judgments and changes in judgments and assets recognized from costs incurred to obtain or fulfill a contract. The new guidance will be effective for the Company's year ending June 30, 2020. Management has not yet assessed the effect of this accounting standards update on the financial statements.

In November 2015, the Financial Accounting Standards Board issued Accounting Standards Update No. 2015-17, Balance Sheet Classification of Deferred Taxes, which will modify how deferred income taxes are presented on the balance sheet. The ASU will require all deferred tax assets and liabilities to be reported as noncurrent in a classified statement of financial position. The new guidance will be effective for the Company's year ending June 30, 2019. The ASU permits the new deferred income tax classification guidance to be applied either prospectively or retrospectively. The Company has not yet determined which application method it will use and the impact of the new standard on the financial statements is not expected to be material.

Subsequent Events - The financial statements and related disclosures include evaluation of events up through and including September 7, 2016, which is the date that the financial statements were available to be issued.

Note 3 - Fair Value Measurements

The Company categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level I inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs. Investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient are not classified in the fair value hierarchy below.

Notes to Financial Statements June 30, 2016 and July 3, 2015

Note 3 - Fair Value Measurements (Continued)

In instances whereby inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Company's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset or liability.

Investments in Entities that Calculate Net Asset Value per Share

The Company holds shares or interests in JPMorgan Core Bond Trust, an investment company, at year end. The fair value of the investment was \$1,383,206 and \$1,063,765 at June 30, 2016 and July 3, 2015, respectively. The fair value was estimated based on the net asset value per share of \$10.80 and \$10.51 times the number of shares owned by the Company at June 30, 2016 and July 3, 2015, respectively. The investment in the JPMorgan Core Bond Trust is redeemable daily with a notice period of one day. The trust has no unfunded commitments as of June 30, 2016.

Investee management pursues multiple strategies to diversify risks and reduce volatility. The investment company's composite portfolio for this includes investments in approximately 37 percent mortgage-backed securities, 25 percent U.S. Treasury obligations, 20 percent corporate bonds, and 18 percent other.

Note 4 - Debt Obligation

At June 30, 2016 and July 3, 2015, debt obligations consisted of the following:

	2016		 2015
Term loan	\$	1,759,900	\$ 2,051,200
Less current portion of long-term debt		309,900	 291,300
Total long-term debt	\$	1,450,000	\$ 1,759,900

In June 2006, the Company obtained a secured \$4,000,000 term loan (the "Term Loan"), the proceeds of which were used to pay a dividend of \$3,000,000 in June 2006 and \$1,000,000 of which was placed in the bond fund to retire the 1996 Serial and Term Project Bonds in November 2006. The Term Loan is guaranteed by the Stockholder.

Notes to Financial Statements June 30, 2016 and July 3, 2015

Note 4 - Debt Obligation (Continued)

Substantially all of the property and equipment are pledged as collateral for the Term Loan. Principal payments on the Term Loan ranging from \$21,000 to \$34,100 are due in monthly installments through June 2021. The interest rate on the new Term Loan was fixed at 6.20 percent through June 2011 and was adjusted to 3.31 percent as of July 1, 2011. The interest rate was adjusted to the index rate as defined in the agreement plus 1.40 percent in June 2016, effectively 2.50 percent.

Maturities of long-term debt are as follows at June 30, 2016:

Years Ending	_	Amount			
2017		\$	309,900		
2018			329,600		
2019			350,500		
2020			373,000		
2021			396,900		
Due thereafter					
	Total	\$	1,759,900		

Note 5 - Working Capital Loans Payable to Stockholder

The Stockholder made available to the Company working capital loans, with interest at the prime rate, of up to \$450,000 at June 30, 2016 and July 3, 2015. There were no outstanding borrowings on these working capital loans at June 30, 2016 and July 3, 2015. The interest rate, which is stated at the prime rate, was 3.50 and 3.25 percent as of June 30, 2016 and July 3, 2015, respectively.

Note 6 - Management Fees

The property manager's compensation is based on a base fee plus a percentage of the Inn's net available operating profit, as defined in the management agreement. Management fees earned by the manager were \$237,762 and \$270,964 in fiscal years 2016 and 2015, respectively.

Notes to Financial Statements June 30, 2016 and July 3, 2015

Note 7 - Income Taxes

The provision for income taxes for the years ended June 30, 2016 and July 3, 2015 consists of the following:

	2016	2015
Current tax expense Deferred tax expense	\$ 49,700 106,000	\$ 80,206 76,300
Provision for income taxes	\$ 155,700	\$ 156,506

The components of the deferred income tax asset and liability as of June 30, 2016 and July 3, 2015 are as follows:

	2016		2015		
Current deferred tax asset - Accrued liabilities					
and reserves	\$	59,000	\$	55,000	
Noncurrent deferred tax liabilities - Depreciation					
and amortization		(532,000)		(422,000)	
Net deferred tax liability	\$	(473,000)	\$	(367,000)	

The difference between the federal statutory tax rate and the Company's provision for income taxes relates primarily to state income taxes.

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

Independent Auditor's Report

To Management and the Board of Trustees Inn-Ohio of Athens, Inc.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Inn-Ohio of Athens, Inc. (the "Company"), which comprise the balance sheet as of June 30, 2016 and the related statements of operations and comprehensive income, stockholder's equity, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 7, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Inn-Ohio of Athens, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To Management and the Board of Trustees Inn-Ohio of Athens, Inc.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Inn-Ohio of Athens, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Company's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Company's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
