INDEPENDENT AUDITOR'S REPORT

Knox County Park District Knox County 117 East High Street – Suite 224 Mount Vernon, Ohio 43050

To the Board of Trustees:

Report on the Financial Statements

We have audited the accompanying financial statement of the cash balance, receipts and disbursements, and related notes of the Knox County Park District, Knox County, Ohio, (the District) as of and for the years ended December 31, 2015 and 2014.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting this financial statement in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit; this responsibility includes designing, implementing and maintaining internal control relevant to preparing and fairly presenting financial statements free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on this financial statement based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statement is free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the District's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the District's internal control. Accordingly, we express no opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinions.

Knox County Park District Knox County Independent Auditors' Report Page 2

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statement, the District prepared the financial statement using the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D), which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements.

Although the effects on the financial statement of the variances between the regulatory accounting basis and GAAP are not reasonably determinable, we presume they are material.

Though the District does not intend this statement to conform to GAAP, auditing standards generally accepted in the United States of America require us to include an adverse opinion on GAAP. However, the adverse opinion does not imply the amounts reported are materially misstated under the accounting basis Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit. Our opinion on this accounting basis is in the *Opinion on Regulatory Basis of Accounting* paragraph below.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* paragraph, the financial statement referred to above does not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the District as of December 31, 2015 and 2014, or changes in financial position thereof for the years then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the cash balance of the Knox County Park District, Knox County, Ohio, as of December 31, 2015 and 2014, and its cash receipts and disbursements for the years then ended in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit, described in Note 1.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 12, 2016, on our consideration of the District's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

KNOX PARK DISTRICT KNOX COUNTY

NOTES TO THE FINANCIAL STATEMENT DECEMBER 31, 2015 AND 2014

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

The constitution and laws of the State of Ohio establish the rights and privileges of the Knox County Park District, Knox County, (the District) as a body corporate and politic. The probate judge of Knox County appoints a three-member Board of Commissioners to govern the District. The Commissioners are authorized to acquire, develop, protect, maintain, and improve park lands and facilities. The Commissioners may convert acquired land into forest reserves. The Commissioners are also responsible for activities related to conserving natural resources, including streams, lakes, submerged lands, and swamp lands. The Board may also create parks, parkways, and other reservations and may afforest, develop, improve and protect and promote the use of these assets conducive to the general welfare.

The District's management believes these financial statements present all activities for which the District is financially accountable.

B. Accounting Basis

This financial statement follows the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D). This basis is similar to the cash receipts and disbursements accounting basis. The Board recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

This statement includes adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit.

C. Deposit and Investments

As the Ohio Revised Code permits, the Knox County Treasurer holds the District's deposits as the District's custodian. The County holds the District's assets in its investment pool, valued at the Treasurer's reported carrying amount.

D. Fund Accounting

The District maintains one operating fund.

1. General Fund

The General Fund accounts for and reports all financial resources of the District.

E. Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

NOTES TO THE FINANCIAL STATEMENT DECEMBER 31, 2015 AND 2014 (Continued)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Budgetary Process (Continued)

1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Board must annually approve appropriation measures and subsequent amendments.

2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must approve estimated resources.

3. Encumbrances

The Ohio Revised Code requires the District to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

A summary of 2015 and 2014 budgetary activity appears in Note 2.

F. Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the District must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

1. Nonspendable

The District classifies assets as **nonspendable** when legally or contractually required to maintain the amounts intact.

2. Restricted

Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

3. Committed

Commissioners can *commit* amounts via formal action (resolution). The District must adhere to these commitments unless the Commissioners amend the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

KNOX COUNTY PARK DISTRICT KNOX COUNTY

NOTES TO THE FINANCIAL STATEMENT DECEMBER 31, 2015 AND 2014 (Continued)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

F. Fund Balance (Continued)

4. Assigned

Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. Governmental funds other than the general fund report all fund balances as *assigned* unless they are restricted or committed. In the general fund, *assigned* amounts represent intended uses established by District Commissioners or a District official delegated that authority by resolution, or by State Statute.

5. Unassigned

Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The District applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

G. Property, Plant, and Equipment

The District records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statement does not report these items as assets.

H Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

2. BUDGETARY ACTIVITY

Budgetary activity for the years ending December 31, 2015 and 2014 follows:

2015 Budgeted vs. Actual Receipts			
	Budgeted	Actual	
Fund Type	Receipts	Receipts	Variance
General	\$381,900	\$419,908	\$38,008

General	\$649,890	\$574,767	\$75,123

3. PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which the Board adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. The financial statements include homestead and rollback amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due February 6. The second half payment is due the following July 2.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the District.

4. RETIREMENT SYSTEMS

The District's employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2015 and 2014, OPERS members contributed 10% of their gross salaries and the District contributed an amount equaling 14% of participants' gross salaries. The District has paid all contributions required through December 31, 2015.

5. RISK MANAGEMENT

Commercial Insurance

The District has obtained commercial insurance for the following risks:

- Comprehensive property and general liability;
- Vehicles; and
- · Errors and omissions.

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statement of the Knox County Park District, Knox County, Ohio, (the District) as of and for the years ended December 31, 2015 and 2014, and the related notes to the financial statement, and have issued our report thereon dated September 12, 2016 wherein we noted the District followed financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code 117-2-03 (D) permits.

Internal Control Over Financial Reporting

As part of our financial statement audit, we considered the District's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinion on the financial statement, but not to the extent necessary to opine on the effectiveness of the District's internal control. Accordingly, we have not opined on it.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A material weakness is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the District's financial statement. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

Compliance and Other Matters

As part of reasonably assuring whether the District's financial statement is free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the District's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the District's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
