**Property Taxes, Intergovernmental and Other Confirmable Cash Receipts**

**Debt**

1. From the prior audit documentation, we observed the following loans were outstanding as of December 31, 2014. These amounts agreed to the Townships January 1, 2015 balances on the summary we used in step 3.

<b>Issue</b>	<b>Principal outstanding as of December 31, 2014:</b>
Commercial Loan – Tractor	\$15,550
Commercial Loan – Fire Truck	\$192,234
Commercial Loan – Truck	\$41,894

2. We inquired of management, and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2016 or 2015 or debt payment activity during 2016 or 2015. All debt agreed to the summary we used in step 3.
3. We obtained a summary of loan debt activity for 2016 and 2015 and agreed principal and interest payments from the related debt amortization schedules to debt service fund payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Township made the payments. We found no exceptions.
4. For new debt issued during 2016 and 2015, we inspected the debt legislation, which stated the Township must use the proceeds to purchase a truck. We inspected the Payment Register Detail Report and observed the Township purchased a truck in May of 2016.

**Payroll Cash Disbursements**

1. We haphazardly selected one payroll check for five employees from 2016 and one payroll check for five employees from 2015 from the Employee Detail Adjustment Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Employee Detail Adjustment Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
  - b. We inspected the fund and account codes to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the minute record. We also confirmed the payment was posted to the proper year. We found no exceptions.
  
2. For any new employees selected in step 1 we inspected the employees' personnel files for the following information and compared it with the information used to compute gross and net pay related to this check:

  - b. Authorized salary or pay rate
  - c. Department(s) and fund(s) to which the check should be charged
  - d. Retirement system participation and payroll withholding
  - e. Federal, State and Local income tax withholding authorization and withholding.
  - f. Any other deduction authorizations (deferred compensation, etc.)

We found no exceptions related to steps a. – f. above.

3. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2016 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2016. We observed the following:

<b>Withholding (plus employer share, where applicable)</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Due</b>	<b>Amount Paid</b>

Local income tax	January 31, 2017	January 11, 2017	452.36	452.36

5. For the pay periods described in the preceding step, we traced the Fiscal Officer's and Boards' salary for time or services performed to supporting certifications the Revised Code requires. We found no exceptions.
  
6. We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2016 and 2015 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. No such reimbursements occurred.

### Non-Payroll Cash Disbursements

We haphazardly selected ten disbursements from the Payment Register Detail Report for the year ended December 31, 2016 and ten from the year ended December 31, 2015 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions, however original documentation was not maintained by the fiscal officer for credit card disbursements. We recommend that original itemized receipts are kept for every credit card transaction.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
- d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found no exceptions.

### Compliance – Budgetary

1. We compared the total estimated receipts from the *Certificate of the Total Amount From All Sources Available For Expenditures and Balances*, required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the General, Road and Bridge, and Fire and EMS funds for the years ended December 31, 2016 and 2015. The amounts agreed.
2. We inspected the appropriation measures adopted for 2016 and 2015 to determine whether, for the General, Road and Bridge, and Fire and EMS funds, the Trustees appropriated separately for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2016 and 2015 for the following funds: General, Road and Bridge, and Fire and EMS funds. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status report.
4. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Road and Bridge, and Fire and EMS funds for the years ended December 31, 2016 and 2015. There were no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2016 and 2015 for the General, Road and Bridge, and Fire and EMS fund, as recorded in the Appropriation Status Report. There were no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We inspected the Receipt Register Report for evidence of new restricted receipts requiring a new fund during December 31, 2016 and 2017. We also inquired of management regarding whether the Township received new restricted receipts. We observed no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Township to establish a new fund.

7. For funds existing in prior years, inspect the fund activity to determine whether the fund is still being used for the statutorily approved purpose and that all the required funds were established. All the required funds were established and no funds for which the statutorily approved purpose was no longer valid were included on the accounting records.
8. We inspected the 2016 and 2015 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers exceeding \$1,000 which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.
9. We inquired of management and inspected the Appropriation Status Reports to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. The Township did not establish these reserves.
10. We inspected the Cash Summary by Fund Report for the years ended December 31, 2016 and 2015 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.

#### **Compliance – Contracts and Expenditures**

We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2016 and 2015 to determine if the township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

#### **Other Compliance**

Ohio Rev. Code Section 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, in addition to filing extensions granted for extenuating circumstances, allow for refiling complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System for December 31, 2017 and 2016 fiscal year ends included in 2015-2016 or 2016-2017 agreed up on procedure engagements, subsequent to the Township's deadline where the initial filing was filed on time but incomplete. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for the years ended December 31, 2016 and 2015 in the Hinkle system. There were no exceptions.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2016 and 2015, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
