We have reviewed the *Independent Accountants' Report on Applying Agreed-Upon Procedures* of Granger Township, Medina County, prepared by Perry & Associates, Certified Public Accountants, A.C., for the period January 1, 2015 through December 31, 2016. Based upon this review, we have accepted this report in lieu of the audit required by Section 117.11, Revised Code.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. Granger Township is responsible for compliance with these laws and regulations.

A handwritten signature in black ink that reads "Dave Yost".

INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

June 23, 2017

Granger Township
Medina County
3717 Ridge Road
Medina, Ohio 44256

We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of **Granger Township**, Medina County (the Township) and the Auditor of State, on the receipts, disbursements and balances recorded in the Townships cash basis accounting records for the years ended December 31, 2016 and 2015 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2016 and 2015 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township. The sufficiency of the procedures is solely the responsibility of the parties specified in this report.

Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash and Investments

1. We recalculated the December 31, 2016 and December 31, 2015 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2015 beginning fund balances recorded in the Combined Statement of Receipts, Disbursements and Changes in Fund Balances to the December 31, 2014 balances in the prior year audited statements. We noted a variance of \$200 due to voided checks. Please see the Response to Exception section. We also agreed the January 1, 2016 beginning fund balances recorded in the Combined Statement of Receipts, Disbursements and Changes in Fund Balances to the December 31, 2015 balances in the Combined Statement of Receipts, Disbursements and Changes in Fund Balances. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2016 and 2015 fund cash balances reported in the Fund Status Reports. The amounts agreed.
4. We confirmed the December 31, 2016 bank account balance with the Township's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2016 bank reconciliation without exception.

www.perrycpas.com
...*"bringing more to the table"*

Cash and Investments (Continued)

5. We selected five reconciling debits (such as outstanding checks) haphazardly from the December 31, 2016 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.
6. We inspected investments held at December 31, 2016 and December 31, 2015 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions.
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

Property Taxes, Intergovernmental and Other Confirmable Cash Receipts

1. We haphazardly selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2016 and one from 2015:
 - a. We traced the gross receipts from the *Statement* to the amount recorded in the Revenue Ledger. The amounts agreed.
 - b. We inspected the Revenue Ledger to confirm the receipt was allocated to the proper Funds as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Revenue Ledger to confirm whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We inspected the Revenue Ledger to determine whether it included two real estate tax receipts for 2016 and 2015. The Revenue Ledger included the proper number of tax receipts for each year.
3. We haphazardly selected all receipts from the State Distribution Transaction Lists (DTL) from 2016 and all from 2015. We also haphazardly selected five receipts from the County Auditor's Vendor Expense Report from 2016 and five from 2015.
 - a. We compared the amount from the above reports to the amount recorded in the Revenue Ledger. We found no exceptions.
 - b. We inspected the Revenue Ledger to determine that these receipts were allocated to the proper Funds. We found no exceptions.
 - c. We inspected the Revenue Ledger to determine whether the receipts were recorded in the proper year. We found no exceptions.

Debt

1. The prior audit documentation disclosed no debt outstanding as of December 31, 2014.
2. We inquired of management, and inspected the Revenue Ledger and Payment Register Detail Report for evidence of debt issued during 2016 or 2015 or debt payment activity during 2016 or 2015. We noted no new debt issuances, nor any debt payment activity during 2016 or 2015.

Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from 2016 and one payroll check for five employees from 2015 from the Wage Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the minute record or as required by statute. We also confirmed the payment was posted to the proper year. We found no exceptions.

2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2016 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2015. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2017	January 17, 2016	\$ 12,711.64	\$ 12,711.64
State income taxes	January 17, 2017	January 17, 2017	\$ 503.69	\$ 503.69
OPERS retirement	January 30, 2017	January 24, 2017	\$ 2,005.50	\$ 2,005.50

3. We inquired of management and inspected the Wage Detail Report for the years ended December 31, 2016 and 2015 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. No such reimbursements occurred.

Non-Payroll Cash Disbursements

1. We haphazardly selected ten disbursements from the Payment Register Detail Report for the year ended December 31, 2016 and ten from the year ended 2015 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a Fund consistent with the restricted purpose for which the Fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found no exceptions.

Compliance – Budgetary

1. We compared the total estimated receipts from the *Amended Official Certificate of Estimated Resources*, required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the General, Motor Vehicle License Tax and Gasoline Tax Funds for the years ended December 31, 2016 and 2015. The amounts agreed.
2. We inspected the appropriation measures adopted for 2016 and 2015 to determine whether, for the General, Motor Vehicle License Tax and Gasoline Tax Funds, the Trustees appropriated separately for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2016 and 2015 for the following Funds: General, Motor Vehicle License Tax and Gasoline Tax Funds. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status report.
4. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Motor Vehicle License Tax and Gasoline Tax Funds for the years ended December 31, 2016 and 2015. There were no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2016 and 2015 for the General, Motor Vehicle License Tax and Gasoline Tax Funds, as recorded in the Appropriation Status Report. There were no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We inspected the Revenue Ledger for evidence of new restricted receipts requiring a new fund during December 31, 2016 and 2015. We also inquired of management regarding whether the Township received new restricted receipts. We observed no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Township to establish a new fund.
7. For Funds existing in prior years, inspect the Fund activity to determine whether the fund is still being used for the statutorily approved purpose and that all the required funds were established. All the required funds were established and no funds for which the statutorily approved purpose was no longer valid were included on the accounting records.

Compliance – Budgetary (Continued)

8. We inspected the 2016 and 2015 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers exceeding \$1,000 which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.
9. We inquired of management and inspected the Appropriation Status Reports to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. The Township did not establish these reserves.
10. We inspected the Cash Summary by Fund Report for the years ended December 31, 2016 and 2015 for negative cash Fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a Fund must be used for the purposes for which such Fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash Fund balances.

Compliance – Contracts & Expenditures

We inquired of management and inspected the Appropriation for the years ended December 31, 2016 and 2015 to determine if the township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

Other Compliance

1. Ohio Rev. Code Section 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2016-007, within the allotted timeframe for the years ended December 31, 2016 and 2015 in the Hinkle system. There were no exceptions.
1. We inquired of the Fiscal Officer and/or scanned the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the Fiscal Officer obtained the training required by Ohio Rev. Code § 507.12. We noted the Fiscal Officer's term ended on 3/31/16 and his new term began on 4/1/16. The required training did not apply to his past term. The Fiscal Officer still has the rest of his new term to complete the required training. No exceptions noted.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Village's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

Response to Exception

As noted in the Cash and Investment testing step 2, the Township would like to provide additional information regarding the variance of \$200. As noted in step 2, we noted a variance of \$200 between the January 1, 2015 Combined Statement of Receipts, Disbursements and Changes in Fund Balances and the December 31, 2014 prior audit balances.

Township's Response: The variance of \$200 between the January 1, 2015 Combined Statement of Receipts, Disbursements and Changes in Fund Balances and the December 31, 2014 prior audit balances occurred because two warrants were issued in 2014, but were voided in 2015. The UAN System treats this as a prior year adjustment and, therefore, changes the original beginning year balance.

This report is for the use of the Township to assist in evaluating its receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2016 and 2015, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
