We reviewed AFDRS to verify the Library filed their financial information within the allotted timeframe for the years ended December 31, 2016 and 2015.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Library's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, and others within the Library, and is not intended to be, and should not be used by anyone other than these specified parties.
