Schedule of Findings	21

#### INDEPENDENT AUDITOR'S REPORT

Spencer Township Guernsey County P.O. Box 186 Cumberland, Ohio 43732

To the Board of Trustees:

#### Report on the Financial Statements

We have audited the accompanying financial statements of the cash balances, receipts and disbursements by fund type, and related notes of Spencer Township, Guernsey County, Ohio (the Township), as of and for the years ended December 31, 2016 and 2015.

#### Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with the financial reporting provisions Ohio Revised Code § 117.38 and Ohio Administrative Code § 117-2-03(D) permit; this responsibility includes designing, implementing and maintaining internal control relevant to preparing and fairly presenting financial statements free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Township's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Township's internal control. Accordingly, we express no opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinions.

#### Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 2 of the financial statements, the Towship prepared these financial statements using the accounting basis permitted by the financial reporting provisions of Ohio Revised Code § 117.38 and Ohio Administrative Code § 117-2-03(D), which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements.

Although the effects on the financial statements of the variances between the regulatory accounting basis and GAAP are not reasonably determinable, we presume they are material.

Though the Township does not intend these statements to conform to GAAP, auditing standards generally accepted in the United States of America require us to include an adverse opinion on GAAP. However, the adverse opinion does not imply the amounts reported are materially misstated under the accounting basis Ohio Revised Code § 117.38 and Ohio Administrative Code § 117-2-03(D) permit. Our opinion on this accounting basis is in the *Opinion on Regulatory Basis of Accounting* paragraph below.

#### Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Township as of December 31, 2016 and 2015, or changes in financial position thereof for the years then ended.

# Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined cash balances of Spencer Township, Guernsey County, Ohio, as of December 31, 2016 and 2015, and its combined cash receipts and disbursements for the years then ended in accordance with the financial reporting provisions Ohio Revised Code § 117.38 and Ohio Administrative Code § 117-2-03(D) permit, described in Note 2 in 2016 and Note 1B in 2015.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 23, 2017, on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Township's internal control over financial reporting and compliance.

**Dave Yost** Auditor of State Columbus, Ohio

Guernsey County Notes to the Financial Statements For the Year Ended December 31, 2016

# **Note 1 – Reporting Entity**

The constitution and laws of the State of Ohio establish the rights and privileges of the Spencer Township, Guernsey County, (the Township) as a body corporate and politic. A publicly elected three-member Board of Trustees directs the Township. The Township provides road and bridge maintenance, cemetery maintenance, fire protection and emergency medical services. The township contracts with the Cumberland Fire Department to provide fire services and Cumberland Emergency Squad, to provide ambulance services. The Township appropriates levied fire fund money to support a volunteer fire department.

# **Note 2 – Summary of Significant Accounting Policies**

# Basis of Presentation

The Township's financial statements consist of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all governmental fund types, and a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all proprietary and fiduciary fund types which are organized on a fund type basis.

# Fund Accounting

The Township uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Township are presented below:

*General Fund* The general fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Township for any purpose provided it is expended or transferred according to the general laws of Ohio.

**Special Revenue Funds** These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Township had the following significant Special Revenue Funds:

Gas Tax Fund The gas tax fund accounts for and reports that portion of the State gasoline tax restricted for maintenance and repair of roads within the Township.

*Motor Vehicle License Tax Fund* The motor vehicle license tax fund accounts for and reports that portion of motor vehicle license registration fees restricted for maintenance and repair of roads within the Township.

**Road and Bridge** This fund receives property tax money for constructing, maintaining, and repairing Township roads and bridges.

Guernsey County Notes to the Financial Statements For the Year Ended December 31, 2016 (Continued)

# Note 2 – Summary of Significant Accounting Policies (Continued)

# Basis of Accounting

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code § 117.38 and Ohio Administrative Code § 117-2-03(D). This basis is similar to the cash receipts and disbursements accounting basis. The Board recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code § 117.38 and Ohio Administrative Code § 117-2-03(D) permit.

# **Budgetary Process**

The Ohio Revised Code requires that each fund be budgeted annually.

**Appropriations** Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. Appropriations lapse at year-end.

**Estimated Resources** Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must approve estimated resources.

*Encumbrances* The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year-end are carried over, and need not be reappropriated. Encumbrances outstanding at year-end are canceled, and reappropriated in the subsequent year. The Township did not encumber all commitments required by Ohio law.

A summary of 2016 budgetary activity appears in Note 3.

# Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Township must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

Guernsey County
Notes to the Financial Statements
For the Year Ended December 31, 2016
(Continued)

## **Note 2 – Summary of Significant Accounting Policies (Continued)**

*Nonspendable* The Township classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact.

**Restricted** Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

**Committed** Trustees can *commit* amounts via formal action (resolution). The Township must adhere to these commitments unless the Trustees amend the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

Assigned Fund balances are intended for specific purposes but do not meet the criteria to be classified as restricted or committed. Governmental funds other than the general fund report all fund balances as assigned unless they are restricted or committed. In the general fund, assigned amounts represent intended uses established by Township Trustees or a Township official delegated that authority by resolution, or by State Statute.

*Unassigned* This fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Township applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

Total	\$929,785	\$165,835	\$763,950

# Note 4 – Deposits

The Township maintains a deposit pool all funds use. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of deposits at December 31 was as follows:

	2016
Demand deposits	\$792,108
Total deposits	\$792,108

# Deposits

Deposits are insured by the Federal Deposit Insurance Corporation, or collateralized by the financial institution's public entity deposit pool.

# **Note 5 – Property Taxes**

Real property taxes become a lien on January 1 preceding the October 1 date for which the Trustees adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. The financial statements include homestead and rollback amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township

# Note 6 – Risk Management

The Township is exposed to various risks of property and casualty losses, and injuries to employees.

Guernsey County Notes to the Financial Statements For the Year Ended December 31, 2016 (Continued)

# **Note 6 – Risk Management (Continued)**

The Township insures against injuries to employees through the Ohio Bureau of Worker's Compensation.

The Township belongs to the Ohio Plan Risk Management, Inc. (OPRM) - formerly known as the Ohio Government Risk Management Plan, (the "Plan"), a non-assessable, unincorporated non-profit association providing a formalized, jointly administered self-insurance risk management program and other administrative services to Ohio governments ("Members"). The Plan is legally separate from its member governments.

Pursuant to § 2744.081 of the Ohio Revised Code, the plan provides property, liability, errors and omissions, law enforcement, automobile, excess liability, crime, surety and bond, inland marine and other coverages to its members sold through fourteen appointed independent agents in the State of Ohio.

OPRM coverage programs are developed specific to each member's risk management needs and the related premiums for coverage are determined through the application of uniform underwriting criteria addressing the member's exposure to loss. Effective November 1, 2012 (and through October 2014) the plan increased its retention to 50% of the first \$250,000 casualty treaty. Effective November 1, 2014, the OPRM retained 47% of the premium and losses on the first \$250,000 casualty treaty and 10% of the first \$1,000,000 property treaty. Members are only responsible for their self-retention (deductible) amounts, which vary from member to member. OPRM had 772 and 783 members as of December 31, 2015 and 2014 respectively.

Plan members are responsible to notify the Plan of their intent to renew coverage by their renewal date. If a member chooses not to renew with the Plan, they have no other financial obligation to the Plan, but still need to promptly notify the Plan of any potential claims occurring during their membership period. The former member's covered claims, which occurred during their membership period, remain the responsibility of the Plan.

Settlement amounts did not exceed insurance coverage for the past three fiscal years.

The Pool's audited financial statements conform with generally accepted accounting principles, and reported the following assets, liabilities and equity at December 31, 2015 and 2014 (the latest information available.

	2015	2014
Assets	\$14,643,667	\$14,830,185
Liabilities	(9,112,030)	(8,942,504)
Members' Equity	\$5,531,637	\$5,887,681

# Note 7 – Defined Benefit Pension Plans

# Ohio Public Employees Retirement System

Six employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. OPERS members contributed 10%, of their gross salaries and the Township contributed an amount equaling 14%, of participants' gross salaries. The Township has paid all contributions required through December 31, 2016.

Guernsey County Notes to the Financial Statements For the Year Ended December 31, 2015

# 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

## A. Description of the Entity

The constitution and laws of the State of Ohio establish the rights and privileges of Spencer Township, Guernsey County, Ohio (the Township), as a body corporate and politic. A publicly-elected three-member Board of Trustees directs the Township. The Township provides road and bridge maintenance, cemetery maintenance, fire protection and emergency medical services. The Township contracts with Cumberland Fire Department to provide fire services and Cumberland Emergency Squad, to provide ambulance Services. The Township appropriates levied fire fund money to support a volunteer fire department.

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

#### **B.** Accounting Basis

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code § 117.38 and Ohio Administrative Code § 117-2-03(D). This basis is similar to the cash receipts and disbursements accounting basis. The Board recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code § 117.38 and Ohio Administrative Code § 117-2-03(D) permit.

# C. Deposits

Deposits are insured by the Federal Depository Insurance Corporation; or collateralized by the financial institution's public entity deposit pool.

# **D.** Fund Accounting

The Township uses fund accounting to segregate cash and investments that are restricted as to use. The Township classifies its funds into the following types:

#### 1. General Fund

The General Fund accounts for and reports all financial resources not accounted for and reported in another fund.

#### **D.** Fund Accounting (Continued)

# 2. Special Revenue Funds

These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Township had the following significant Special Revenue Funds:

<u>Road and Bridge Fund</u> – This fund receives property tax money for constructing, maintaining, and repairing Township roads and bridges.

<u>Gasoline Tax Fund</u> – This fund receives gasoline tax money to pay for constructing, maintaining, and repairing Township roads.

<u>Motor Vehicle License Tax Fund</u> – The motor vehicle license tax fund accounts for and reports that portion of motor vehicle license registration fees for maintenance and repair of roads within the Township.

# E. Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

#### 1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. Appropriations lapse at year end.

#### 2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus cash as of January 1. The County Budget Commission must approve estimated resources.

#### 3. Encumbrances

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are canceled, and reappropriated in the subsequent year.

#### E. Budgetary Process (Continued)

A summary of 2015 budgetary activity appears in Note 3.

# F. Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Township must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

# 1. Nonspendable

The Township classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact.

#### 2. Restricted

Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

#### 3. Committed

Trustees can *commit* amounts via formal action (resolution). The Township must adhere to these commitments unless the Trustees amend the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

#### 4. Assigned

Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. Governmental funds other than the general fund report all fund balances as *assigned* unless they are restricted or committed. In the general fund, *assigned* amounts represent intended uses established by Township Trustees or a Township official delegated that authority by resolution, or by State Statute.

#### F. Fund Balance (Continued)

# 5. Unassigned

This fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Township applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

# 2. EQUITY IN POOLED DEPOSITS

The Township maintains a deposit pool all funds use. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of deposits at December 31 was as follows:

	2015
Demand deposits	\$652,197

**Deposits:** Deposits are insured by the Federal Deposit Insurance Corporation.

# 3. BUDGETARY ACTIVITY

Budgetary activity for the years ending December 31, 2015 follows:

2015 Budgeted vs. Actual Receipts

	Budgeted	Actual	
Fund Type	Receipts	Receipts	Variance
General	\$86,128	\$112,810	\$26,682
Special Revenue	233,931	290,125	56,194
Total	\$320,058	\$402,935	\$82,877

# 3. **BUDGETARY ACTIVITY (Continued)**

2015 Budgeted vs. Actual Budgetary Basis Expenditures

	Appropriation	Budgetary	
Fund Type	Authority	Expenditures	Variance
General	\$206,592	\$99,299	\$107,293
Special Revenue	635,312	225,874	409,438
Total	\$841,904	\$325,173	\$516,731

#### 4. PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which the Trustees adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. The financial statements include homestead and rollback amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

# 5. RETIREMENT SYSTEM

Six Township's employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes the plans' benefits, which includes postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2015 and 2014, OPERS members contributed 10% of their gross salaries and the Township contributed an amount equaling 14% of participants' gross salaries. The Township has paid all contributions required through December 31, 2015.

# 6. RISK MANAGEMENT

The Township belongs to the Ohio Plan Risk Management, Inc. (OPRM) - formerly known as the Ohio Government Risk Management Plan, (the "Plan"), a non-assessable, unincorporated non-profit association providing a formalized, jointly administered self-insurance risk management program and other administrative services to Ohio governments ("Members"). The Plan is legally separate from its member governments.

Guernsey County
Notes to the Financial Statements

#### 6. RISK MANAGEMENT

Pursuant to Section 2744.081 of the Ohio Revised Code, the plan provides property, liability, errors and omissions, law enforcement, automobile, excess liability, crime, surety and bond, inland marine and other coverages to its members sold through fourteen appointed independent agents in the State of Ohio.

OPRM coverage programs are developed specific to each member's risk management needs and the related premiums for coverage are determined through the application of uniform underwriting criteria addressing the member's exposure to loss. Effective November 1, 2012 (and through October 2014) the plan increased its retention to 50% of the first \$250,000 casualty treaty. Effective November 1, 2014, the OPRM retained 47% of the premium and losses on the first \$250,000 casualty treaty and 10% of the first \$1,000,000 property treaty. Members are only responsible for their self-retention (deductible) amounts, which vary from member to member. OPRM had 772 and 783 members as of December 31, 2015 and 2014 respectively.

Plan members are responsible to notify the Plan of their intent to renew coverage by their renewal date. If a member chooses not to renew with the Plan, they have no other financial obligation to the Plan, but still need to promptly notify the Plan of any potential claims occurring during their membership period. The former member's covered claims, which occurred during their membership period, remain the responsibility of the Plan.

Settlement amounts did not exceed insurance coverage for the past three fiscal years.

The Pool's audited financial statements conform with generally accepted accounting principles, and reported the following assets, liabilities and equity at December 31, 2015 and 2014 (the latest information available).

	2015	2014
Assets	\$14,643,667	\$14,830,185
Liabilities	(9,112,030)	(8,942,504)
Members' Equity	\$5,531,637	\$5,887,681

You can read the complete audited financial statements for OPRM at the Plan's website, www.ohioplan.org.

# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Spencer Township Guernsey County P.O. Box 186 Cumberland, Ohio 43732

#### To the Board of Trustees:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the cash balances, receipts, and disbursements by fund type for Spencer Township, Guernsey County, Ohio (the Township), as of and for the years ended December 31, 2016 and 2015, and the related notes to the financial statements and have issued our report thereon dated August 23, 2017 wherein we noted the Township followed financial reporting provisions Ohio Revised Code § 117.38 and Ohio Administrative Code § 117-2-03(D) permit.

#### Internal Control Over Financial Reporting

As part of our financial statement audit, we considered the Township's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinions on the financial statements, but not to the extent necessary to opine on the effectiveness of the Township's internal control. Accordingly, we have not opined on it.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A material weakness is a deficiency, or a combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Township's financial statements. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Therefore, unidentified material weaknesses or significant deficiencies may exist. We did identify certain deficiencies in internal control, described in the accompanying Schedule of Findings that we consider material weaknesses. We consider findings 2016-001 and 2016-002 to be material weaknesses.

#### Compliance and Other Matters

As part of reasonably assuring whether the Township's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts.

Spencer Township Guernsey County Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Required by *Government Auditing Standards* Page 2

However, opining on compliance with those provisions was not an objective of our audit and, accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

#### Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Township's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Township's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Dave Yost** Auditor of State Columbus, Ohio

#### SCHEDULE OF FINDINGS DECEMBER 31, 2016 AND 2015

# FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS

#### **FINDING NUMBER 2016-001**

#### **Material Weakness**

The Fiscal Officer prepared monthly bank reconciliations. The Board of Trustees approved the monthly bank reconciliation at each board meeting.

We inspected the December 31, 2016 bank reconciliation and determined the year-end bank reconciliation contained unsupported reconciling items. In 2016, our audit testing detected a double posting of a receipt, in the amount of \$1,100.99 to the 2021 Gasoline Tax Fund. This undetected posting error caused the December 31, 2016 bank reconciliation to be incorrect. The Township made this adjustment to the 2016 financial statements and their accounting system on August 15, 2017.

The Township should make adjusting entries as soon as they determine the differences in the cash reconciliation process.

#### **FINDING NUMBER 2016-002**

#### **Material Weakness**

The Township should maintain an accounting system and accounting records sufficient to enable the public office to identify, assemble, analyze, classify, record and report its transactions, maintain accountability for the related assets document compliance with finance-related legal and contractual requirements and prepare financial statements. As part of this accounting system, the Township should have procedures in place for a review of transactions posted by the Fiscal Officer.

As a result of audit procedures performed, a misclassification was noted in the Township's financial statements that required adjustment:

- Statement No. 54 of the Governmental Accounting Standards Board (GASB) defines the
  reporting of fund balances in the financial statements. The Township improperly reported
  appropriations in excess of estimated receipts in the General Fund as unassigned instead of
  reporting the excess as assigned, in the amounts of \$120,450 and \$183,785 during 2016 and
  2015, respectively.
- During 2015, the Township posted intergovernmental receipts as Other Financing Sources instead of Intergovernmental receipts in the amount of \$64,725 in the General fund.
- During 2016, levy proceeds, in the amount of \$19,514 were posted to Cumberland Cemetery Fund instead of the Special Levy Fire Fund.

The Fiscal Officer should review guidance within the Ohio Township Handbook. This guidance will allow the Fiscal Officer to make proper postings to receipt account classifications based on the source of the receipt. Also, the Fiscal Officer should review Auditor of State Bulletin 2011-004 for proper reporting of fund balances. Someone independent of the Fiscal Officer, preferably a member of the Board of Trustees, should periodically review postings to the accounting system for accuracy.

These material adjustment and reclassifications, to which management agrees, are reflected in the accompanying financial statements and the Township's accounting system.

Officials' Response: We did not receive a response from Officials to these findings.
