## INDEPENDENT ACCOUNTANT'S REPORT

Cardinal Local School District  
State Teachers Retirement System of Ohio  
CliftonLarsonAllen LLP  
15982 East High Street  
P.O. Box 188  
Middlefield, Ohio 44062

We have examined Cardinal Local School District, Geauga County management's assertion that the census data and pensionable wages reported to the State Teachers Retirement System of Ohio (STRS) as of June 30, 2019, and for the year then ended was accurate and complete.

Management asserts that:

- The census data provided to STRS as of June 30, 2019 is accurate and complete. Census data includes
  - First and Last Name;
  - Last four digits of the social security number;
  - Contributions remitted to the plan;
  - Pensionable Compensation;
- The census data provided to STRS as of June 30, 2019 included all enrolled employees.
- Census data changes occurring during the year ended June 30, 2019 to an enrolled employee's eligible compensation, were properly updated with STRS.
- All employees required to be enrolled in STRS in accordance with statutory requirements were properly enrolled.
- The total pensionable wages and employee contributions information reported to STRS for the year ended June 30, 2019 agrees with the payroll records of the employer.

Cardinal Local School District's management is responsible for the assertions. Our responsibility is to opine on management's assertions based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements included in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether management's assertions are fairly stated, in all material respects. An examination involves performing procedures to obtain evidence about management's assertion. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of management's assertions, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

In our opinion, management's assertions related to the accuracy and completeness of the census data and pensionable wages as described above provided to STRS as of and for the year ended June 30, 2019 are fairly stated in all material respects.

This report is intended solely for the information and use of Cardinal Local School District's management, those charged with governance, STRS Management, and CliftonLarsonAllen LLP to provide assurances that the census data reported to STRS is accurate and complete. This report is not suitable for any other purpose.
