We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of Coshocton-Tuscarawas Joint Economic Development District, Coshocton County, Ohio (the District), on the receipts, disbursements and balances recorded in the District's cash basis accounting records for the years ended December 31, 2018 and 2017 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the District. The District is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2018 and 2017 and certain compliance requirements related to these transactions and balances included in the information provided to us by the District. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Cash and Investments

- 1. The City of Coshocton is custodian for the District's deposits and investments, and therefore the City's deposit and investment pool holds the District's assets. We compared the District's fund balances reported on its December 31, 2018 Statement of Receipts, Disbursements and Changes in Fund Balances to the balances reported in the City's accounting records. The amounts do not agree as the Statement of Receipts, Disbursements and Changes in Fund Balances shows a fund balance of \$0 while the City's accounting records show a balance of \$43,897. This is due to the timing of the guarterly disbursements occurring in the month following the guarter end.
- We agreed the January 1, 2017 beginning fund balances recorded in the Statement of Receipts, Disbursements and Changes in Fund Balances report filed on the Hinkle System to the December 31, 2016 balances in the City's accounting records. We found that the amounts do not agree as the Statement of Receipts, Disbursements and Changes in Fund Balances shows a fund balance of \$0 while the City's accounting records show a balance of \$39,675. We also agreed the January 1, 2018 beginning fund balances recorded in the Statement of Receipts, Disbursements and Changes in Fund Balances report filed on the Hinkle System to the December 31, 2017 balances in the City's accounting records. We found that the amounts do not agree as the Statement of Receipts, Disbursements and Changes in Fund Balances shows a fund balance of \$0 while the City's accounting records show a balance of \$44,476. This is due to the timing of the quarterly disbursements occurring in the month following the quarter end.
