INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Mohawk Community Library
Wyandot County
P.O. Box 9
200 South Sycamore Avenue
Sycamore, Ohio 44882-0009

We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of Mohawk Community Library, Wyandot County, Ohio (the Library), on the receipts, disbursements and balances recorded in the Library's cash basis accounting records for the years ended December 31, 2018 and 2017 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Library. The Library is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2018 and 2017 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Library. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash and Investments

1. We recalculated the December 31, 2018 and December 31, 2017 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2017 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2016 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2018 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2017 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2018 and 2017 fund cash balances reported in the Fund Status Report. The amounts agreed.
4. We confirmed the December 31, 2018 bank account balances with the Library's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2018 bank reconciliation without exception.
5. We selected a sample (agreed upon) of five reconciling debits (such as outstanding checks) from the December 31, 2018 bank reconciliation:

- a. We traced four of the debits to the subsequent January bank statement. The Library's bank reconciliation included an outstanding check dating back to July 24, 2017 in the amount of \$25. This was due to there being no policies or procedures over long outstanding debits on the bank reconciliation. The Library should adopt a policy regarding long outstanding debits on the bank reconciliation including procedures for following up on such outstanding items and a time period after which these items should be removed from the reconciliations and a corresponding entry made to the accounting records. Additionally, the Board of Trustees should review the monthly bank reconciliation for unusual reconciling items and question why they have not cleared the bank. Follow up by the Board of Trustees should be documented and be completed in a timely manner.
 - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.
6. We inspected investments held at December 31, 2018 and December 31, 2017 to determine that they:
- a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions.
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

Public Library Fund Receipts

We selected two Public Library Fund (PLF) receipts from the Crawford County Distribution Transaction Lists, Seneca County Vendor Audit Trail Report and Wyandot County Distribution Transaction List from 2018 and two from 2017.

- a. We compared the amount from the Crawford County Distribution Transaction List, Seneca County Vendor Audit Trail Report and Wyandot County Distribution Transaction List to the amount recorded in the Receipt Register Report. The amounts agreed.
- b. We inspected the Receipt Register Report and observed these receipts were posted to the General fund. We found no exceptions.
- c. We inspected the Receipt Register Report and observed the receipts were recorded in the proper year. We found no exceptions.
- d. We inspected the Receipt Register Report to determine whether it included one PLF receipt per month for 2018 and 2017. We found no exceptions.

Property Taxes

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2018 and one from 2017 from Crawford County, Seneca County and Wyandot County:
 - a. We traced the gross receipts from the *Statement* to the amount recorded in the Receipt Register Report. The amounts agreed.
 - b. We inspected the Receipt Register Report to confirm whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We inspected the Receipt Register Report to determine whether it included two real estate tax receipts for 2018 and 2017 from Crawford County, Seneca County, and Wyandot County. The Receipt Register Report included the proper number of tax receipts for each year.

Debt

1. The prior agreed-upon procedures documentation disclosed no debt outstanding as of December 31, 2016.
2. We inquired of management, and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2018 or 2017 or debt payment activity during 2018 or 2017. There were no new debt issuances, nor any debt payment activity during 2018 or 2017.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2018 and one payroll check for five employees from 2017 from the Employee Detail Adjustment Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Employee Detail Adjustment Report to supporting documentation (timecard, legislatively approved rate or salary). We found no exceptions.
 - b. We inspected the fund and account code to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the employees' personnel files and/or minute record. We also confirmed the payment was posted to the proper year. We found no exceptions.
2. For any new employees selected in procedure 1 we inspected the employees' personnel files and/or minute record for the following information and compared it with the information used to compute gross and net pay related to this check:
 - a. Name
 - b. Authorized salary or pay rate
 - c. Department and fund to which the check should be charged
 - d. Retirement system participation and payroll withholding
 - e. Federal, State & Local income tax withholding authorization and withholding
 - f. Any other deduction authorizations (deferred compensation, etc.)

We found no exceptions related to procedures a. – f. above.

1. We selected a sample (agreed upon) of 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2018 and 10 from the year ended December 31, 2017 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
